

Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY
(Autonomous)
Munshi Nagar, Andheri(W), Mumbai – 400 058.

MINUTES

The 14th Meeting of the Board of Governors was held on 17th Feb. 2023 at 11:00 a.m, in hybrid mode. On the behalf of the institute, the principal welcomed the Chairman and other esteemed members of the Governing Body. Following members of the GB attended the meeting:

- | | | | |
|----|-----------------------|---|---|
| 1. | Prof. Sesha Iyer | - | Chairman |
| 2. | Shri. Asif Mulla | - | Member, Management Nominee |
| 3. | Shri. Suresh Mhatre | - | Member, Management Nominee |
| 4. | Prof. S. G. Bhirud | - | Mumbai University Representative (online) |
| 5. | Prof. Prachi Gharpure | - | Management Nominee |
| 6. | Dr. Pooja Raundale | - | Faculty Representative |
| 7. | Prof. Kiran Talele | - | Faculty Representative |
| 6. | Prof. B.N. Chaudhari | - | Member Secretary |

Following members were granted the leave of absence:

- | | | | |
|----|-----------------------|---|--------------------------------------|
| 1. | Prof. Ranjan Banerjee | - | Management Nominee |
| 2. | Prof. Pramod Naik | - | Nominee of State Government |
| 3. | Prof. Manju Singh | - | UGC Nominee |
| 4. | Shri Rahul Chari | - | Member, from industry |
| 5. | Prof. V. M. Gadre | - | External Expert nominated by the GB. |

1. **Confirmation of the minutes of 13th Meeting of the Governing Body held on 19th Aug. 2022 in offline mode.**

The minutes of the 12th meeting of the Governing Body were circulated to the honorable members through email prior to the meeting and were also annexed as annexure A of the Agenda of 14th meeting. Members confirmed the minutes circulated as there was no suggestion over the minutes.

Resolution 01/14: The minutes of the 13th meeting of the GB as enclosed in annexure A of the Agenda for 14th meeting are confirmed.

01/12/23

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

Munshi Nagar, Andheri(W), Mumbai – 400 058.

2. Action Taken Report for the 13th Meeting of the Governing Body

Actions taken on the resolutions of the 13th Meeting of the Governing Body were enclosed as annexure B of the agenda of 14th meeting. The principal narrated the actions taken. Members expressed their satisfaction with the actions taken.

Resolution 02/14: The Governing Body has noted the actions taken over the minutes of the 13th meeting as enclosed in annexure B of the agenda for the 14th meeting.

3. Revised Faculty Structure

Principal informed the Governing Body regarding the present intake of the institute for various UG and PG programs. He also presented the present approved faculty structure. To cater to the needs of newly started undergraduate programs, he requested the GB to accord the sanction for the new faculty positions considering the AICTE guidelines for the SFR (Student to faculty ratio). Principal informed the GB that while proposing the new faculty structure SFR of 1:20 is considered. A few members suggested aiming at the ratio of 1:15. The Principal briefed about the present financial position and informed that since the salary expenditure has gone up more than the 75% of the total expenditure, at present, SFR of 1:20 is reasonable and can be changed to 1:15. He further informed that AICTE / UGC are encouraging to earn credits from open learning platforms such as NPTEL etc. AICTE is further encouraging to induct "Professor of Practice" to bring the real-life flavors in the classrooms. On this background, he requested to sanction the faculty positions as per SFR of 1:20. After discussions the GB approved the proposed 98 faculty positions besides the principal position.

Resolution 03/14: The Governing Body approves the proposed faculty structure 98 faculty positions (11 Professors, 19 Associate Professors and 68 Assistant Professors) and Principal, to cater to the academic needs of the UG and PG programs offered by the institution.

4. Revised Fees Structure for PG/Ph.D

Principal explained the rationale behind floating this proposal for reduction of the PG/Ph.D tuition fees. He briefed about the drying post graduate programs and presented extremely poor post graduate admissions statistics. Further he briefed about the declining interests of students to the Ph.D program of the institute. He informed that since there are many research centers available to the institute, and almost all students do the Ph.D in part time mode, students prefer the institute offering Ph.D program at less tuition fees. He informed the GB about the Ph.D fees of various institutions. He remarked that worldwide institutions are investing in the Ph.D program and giving scholarships / Fellowships to the students to attract the talent. He requested GB to reduce the tuition fees for Ph.D students from 1,70,000/- to

02/12 SL

Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY
(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

1,00,000/- per annum. He also requested to reduce the tuition fees for post graduate programs from 1,70,000/- to 50,000/- per annum to attract fewer students to the dying programs. The Chairman suggested that while reduction in the tuition fees is reasonable for the Ph.D programs considering most of the students are employed and pursue the Ph.D in the part time mode, reduction in the fees of post graduate programs to 50,000/- is not acceptable. He remarked that this may give a wrong signal to the outside and put a question about the quality of the program in the minds of the students. He suggested reducing the fees for the PG programs to Rs. 1,00,000/- per annum. Members agreed to his views. Shri Mhatre sir suggested that it would be good idea to institute fellowships for the Ph.D students to attract full time Ph.D students.

Resolution 04/14: The Governing Body approves the tuition fees of Rs. 1,00,000/- per annum for Ph.D as well as post graduate students, from the academic year 2023-24.

5. Transfer of Faculty members within the institute.

The Principal informed the GB that the Institute has started the new undergraduate programs from the academic year 2021-22 and merged few departments. He highlighted that this necessitates the internal faculty transfers. In view of this, willingness of faculty was invited to work in the newly established departments. Many faculty members have shown interest. Based on the need of the newly established department and the expertise of the faculty members in the domain, few faculty transfers are proposed as shown in Table 4.1 of the agenda, with immediate effect. Members of GB expressed their satisfaction over the process followed noting that faculty have volunteered to serve the newly established department.

Resolution 5/14 : The GB approved the proposed faculty transfer within the institute to cater to the academic needs of the newly established department.

6. Fees concession for inhouse faculty for Ph.D program

Principal narrated the importance of Ph.D qualified faculty in the institute. He briefed that number of Ph.D qualified faculty is one of the important parameter which impacts the institute performance in a multiple ways. It increases the professional output of the institute in terms of publications, research grants, patents, consultancy, training programs, Ph.D enrollment etc. It impacts the undergraduate and post graduate education imparted profoundly. At a national level, this is considered seriously, and accreditation bodies give due importance to it. NIRF also expects that 95 % of the faculty in the institute should be Ph.D, to get full marks in that parameter. All national institutions have stopped recruiting non Ph.D faculty since 2001. Twenty years down the line, SPIT still has only 25% faculty Ph.D. Many faculty members have either not registered or are not seriously pursuing the Ph.D program. He further brought to the notice of GB that in the past, S.P.I.T demonstrated extreme broadness in deputing the faculty member for full-time Ph.D program giving a full 3 years paid

03/12

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

leave. Moreover, 3 months earned leave was also deposited on their credits since they were on the deputation. Thus, the institute invested an amount equivalent to 39 months' salary in each faculty member. Few have left the institute immediately after acquiring the Ph.D, few have taken longer time (above 8 years). This broadness demonstrated was not reciprocated by the faculty members in many cases. Based on this learning, probably this institute which demonstrated in past broadness than public funded institutions, stopped the full-time deputation even for very deserving faculty even at institutions like IITB. He further pointed out that the Institute is now offering programs in emerging areas like DS, AIML, etc. The trained manpower in these areas is not available and is not affordable too. He insisted that the institute will have to get its faculty trained in these areas in minimum time, to remain competitive. To encourage institute faculty to pursue research at the institute, he proposed to give 50 % concession to the in-house faculty members for pursuing the Ph.D. at SPIT.

Members of the Governing Body welcomed this idea. Shri Mhatre sir suggested that faculty should not take more than 4-5 years to complete the Ph.D program. The Chairman suggested to apply this only for the faculty members who have registered in this academic year 2022-23. He insisted that a detailed case to case proposal be submitted for the faculty members who have registered prior to this and are presently pursuing Ph.D at the institute. He suggested to be extremely cautious during implementation as it may lead to unrest among the faculty members.

Resolution 06/14: The Governing Body approves the special concession for the in-house faculty members pursuing Ph.D within the institute. All faculty members who have registered in the year 2022-23 and subsequently, are entitled to a 50 % concession in the tuition fees. This concession is valid for the first 5 years of Ph.D program. After that the concession is to be withdrawn.

7. Faculty Empowerment Schemes

Principal informed the GB that there are a few schemes/policies already in place for faculty empowerment. He presented a few new schemes articulated towards faculty empowerment. He further requested to establish a Professional Development Allowance of Rs. 50,000/- per year per faculty. The members inquired about the financial burden. Principal informed that it would lead to expenditure of 1.2 % of the budget. While appreciating the efforts taken by the principal towards faculty empowerment, the GB approved various schemes presented (as annexed in annexure C of the Agenda). However, suggested to limit the expenditure to 1 % of the budget.

Resolution 07/14: The Governing Body approves various schemes described in annexure C of the agenda, towards the faculty empowerment and limits the expenditure to 1 % of the budget with an individual limit of Rs. 50,000/- per person per year (excluding schemes 8 and 10 of annexure C).

04/12 SL

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

8. Student Empowerment Schemes

Holistic development of the learners needs to be the top priority of the Institute in the modern times. Principal described the necessity to focus on professional development of all learners. Students need to be encouraged to participate in professional activities, technical events, quizzes, hackathons, coding competitions, participate in the national and international conferences, training programs, workshops, seminars etc. They need to be encouraged for industrial visits, industrial tours. Students need to be encouraged for research, prototype development, idea generation, innovation, working in start-up. Strategically they need to encourage to learn from emerging open learning platforms, pursue their passion. He briefed GB about a few schemes/policies in place for encouraging students towards this through some financial support. He informed the GB that these policies are reviewed and few new are suggested under the broad umbrella of Student Empowerment Schemes as annexed in annexure D. He presented the estimated expenditure towards this. While appreciating the efforts of the institute in documenting the present schemes as the Student Empowerment Policy and further introducing few new schemes to ensure the overall, all rounded development of the learners, the GB has approved funds to the tune of 1 % of the annual budget towards it.

Resolution 08/14: The Governing Body approves various schemes described in annexure D of the agenda, towards the Student Empowerment and sanctions the expenditure up to 1 % of the annual budget towards it.

9. New Dean Structure, Role and Responsibilities for Deans/HoD/Faculty, Code of conduct for faculty and institute expectation matrix for the faculty.

Principal briefed about the new dean structure approved by the GB in previous meetings. He informed that clear duty charts for various deans' positions, HoD and faculty are articulated, also code of conduct for faculty is prepared. To ensure continuous qualitative and quantitative growth of the institute, the expectations from the faculty members in terms of professional performance are also spelled out. The members appreciated the efforts and in particular, detailed office order issued by the principal, dated 30th September 2022, clearly spelling out the roles and responsibilities of the Deans, HoDs and various faculty positions. A few members suggested monitoring the works of Deans, HoDs periodically and give the inputs if required. Members also supported the necessity for the declared code of conduct for staff and faculty and appreciated the efforts taken by the institute towards articulating it.

Resolution 09(a)/14: The Governing Body noted and agreed to the roles and responsibilities spelled out for faculty/HoD/Dean Positions as spelled out in annexure E of the agenda.

Resolution 09(b)/14: The Governing Body approved the code of conduct for faculty and staff of the Institute as described in annexures F1 and F2.

05/12 8L

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

Resolution 09(c)/14: The Governing Body noted and agreed to the institute expectation matrix prepared for faculty as given in Agenda.

10. Code of Conduct for Students

Members appreciated the efforts of the institute and remarked that public declaration of such code of conduct is a good initiative and will help the institute.

Resolution 10/14: The Governing Body noted and approved the code of conduct for Students of the institute as spelled out in annexure G of the Agenda.

11. Delegation of Financial Powers

Principal thanked the Chairman and Governing body on the trust demonstrated, and the total freedom given to institute empowering the Chairman and Principal of the institute to take financial decisions within the limit of the sanctioned budget. The principal shared his observations that he had not witnessed such an empowerment to the principal elsewhere in the state institutions. Further, he briefed about the present financial powers of the HoDs and Deans. Shri Mhatre sir inquired about the present limit of Chairman Sir and commented on the limit proposed. However, he appreciated this notion of formally declaring the financial limit considering the queries normally raised during NBA/NAAC accreditation processes. After due discussions, the members of the Governing Body unanimously approved the financial limits proposed.

Resolution 11/14: The Governing Body appreciated the formal declaration of the financial power delegation and approved a limit of Rs. 20,000/- for HoD/Dean, 5,00,000/- for Principal and 1,00,00,000/- for the Chairman as proposed in Table 11.1 of the agenda, within the limits of the sanctioned budget.

12. Starting a new integrated M.Tech program in Electronics and Telecommunication Engineering and Increase in intake.

These proposals are widely discussed. While appreciating the proposal to start the integrated M.Tech program, the members cautioned to study the consequences deeply. Prof Bhirud though not present in person, opined that this move will lower the merit during the admissions and unless institute offers dual degree, it will not attract the students. Further, he remarked that while public institutions may take such decision boldly, self-funded institutes should be very cautious while taking such an unusual decision. He said on the contrary, the institute should think about increasing the intake of its flagship UG program in computer engineering as it is attracting top-notch students. The principal informed that all senior faculty members of the institute in computer engineering are also of the opinion that the institute should increase its undergraduate intake in order attract meritorious students. Few members of the Governing Body supported the decision to increase the intake of the undergraduate

06/12/23

Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY
(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

programs if the infrastructure related resources are as per the AICTE guidelines. Members were also of the view that an increase in the intake of MCA is not appropriate at this stage as, yet the present program is not accredited, and we should increase the intake only after the accreditation of the MCA program.

After due deliberations and discussions the members agreed to increase the intake of the most preferred Computer Engineering Program by 120, instead of proposed 120 increase in the intake resulting from starting new M.Tech integrated program and increase in MCA from 60 to 120.

Further, principal informed that this year AICTE is permitting the change in the name of the courses pointing to emerging areas to the courses pointing to major identified disciplines. Institute had applied for B.Tech CSE (AIML) and B. Tech CSE (Data Science) in the year 2021-22 and got the permission to run these programs. While the institute had merged "Information technology" with Computer Engineering, it had no choice than to start B.Tech CSE (AIML) and B.Tech (DS) as AICTE did not permit to increase the intake of conventional programs like computer engineering. Moreover, the AICTE treats both the programs as separate programs and expects separate infrastructure resources for each program. Identifying these problems and limitations of the infrastructure and also observing the preference of the students in the admissions over two years, institute proposed the change in the name for B.Tech CSE (AIML) to B.Tech CSE. Similarly, the institute proposed the change in the name for B.Tech CSE (Data Science) to B.Tech CSE. He informed the members that this move will optimize the resources and attract higher merit students to the institute.

Resolution 12(a)/14: The Governing Body turned down the proposal of starting the new integrated M.Tech program and increase in MCA, and directed the institute to increase the intake for the undergraduate program in Computer Engineering by 120 if the infrastructure is as per the AICTE guidelines.

Resolution 12(b)/14 : The Governing Body approved the change in the name of undergraduate course B.Tech CSE (AIML) to B.Tech CSE.

Resolution 12(c)/14 : The Governing Body approved the change in the name of undergraduate course B.Tech CSE (Data Science) to B.Tech CSE.

13. To consider the inquiry report.

The report submitted by Geetanjali Prabhu, inquiry officer in the chargesheet issued to Dr. Hemant Vasaikar, Assistant Professor, was circulated to all members of the Governing Body prior to 12th meeting of the Governing Body. The Chairman suggested that this being a serious matter would need a considerable time for discussions. He suggested to convey next meeting of the GB, within a month so that this can be discussed at a sufficient length. Accordingly, 13th meeting of the Governing Body was conveyed on 19th August 2022. The matter was duly discussed and deliberated. The Governing Body was also informed about the Grievance registered

07/12

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

by Mr. Hemant Vasaikar in the matter of promotion. It was brought to the notice of the Governing body that the matter is decided in his favor by the University Grievance committee. The members discussed both the matters and decided to Challenge the University Grievance Committee order in a Writ before the Hon. High Court and directed the administration accordingly. The GB decided to take an appropriate decision after disposal of the Writ, with due consideration to Report and Findings of Ms. Geetanjali Prabhu, which would be in consonance with the principles of natural justice and fair play.

Resolution 13/14: The Governing Body decided to take an appropriate decision in the case of Dr. Hemant Vasaikar, after disposal of the Writ, with due consideration to Report and Findings of Ms. Geetanjali Prabhu, which would be in consonance with the principles of natural justice and fair play.

14. Minutes of the Academic Council Meeting

Resolution 14/14: The Governing Body noted the minutes of the 8th Academic council as annexed in annexure I and ratified the same.

15. Admissions, Result and Placement Statistics

The members expressed their satisfaction on the admission statistics, academic results, and the placement in the academic year 2022-23. Members opined to set and maintain high academic standards particularly for undergraduate programs.

Resolution 15/14: The Governing Body noted the admission related statistics, academic results, and placement for the academic year 2022-23 and appealed to the institute to maintain high academic standards.

16. Institute timings, Vacation period and number of Casual Leaves.

Principal informed that at present the institute observes 42 days' vacation for faculty and technical staff as per the UGC notification, 8 days casual leave as per the Government Circular and 5 days working pattern. Government of Maharashtra through its resolution has clearly indicated that educational institutes are excluded from the 5 days pattern. This is why public universities in the state, Government institutions observe 6 days pattern with even Saturday offs. To be inconsistent with the timings indicated by the Government resolution for the establishment which are permitted to observe 5 days a week pattern, the institute has altered its timings and declared with official circular that every employee will serve 8 and ½ hour every day which includes lunch break of half an hour. Institute has given flexibility in the reporting time (8 am to 10:30 am) for the convenience of the faculty members and to take care of early classes. He further informed that; however, many faculty members have shown discomfort towards this. Recently nearly 40 faculty members have put up a common request to reconsider the timings and bring it down to 40 hours, increase

08/12 H 17

Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY
(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

vacations to 70 days and increase CL to 15. Some faculty members have also registered a complaint to the Head office in this regard. He further informed that he invited open faculty meeting and explained the rationale behind the decisions taken and policies articulated at the institute regarding vacations, leave and timings, and invited faculty members who have signed the request for the discussions and reasoning out their demand. Relevant Government Resolutions and UGC guidelines were brought to the notice of the members of the Governing Body. Members opinioned that the decisions taken by the institute with regards to the timings, vacation period and leave are in sink with the Government guidelines and institutions decisions are to be continued.

Resolution 16(a)/14 : The Governing Body confirmed that the faculty members and the staff need to put minimum 42 and ½ hours of working every week to be in consistent with the resolution of Government of Maharashtra for offices observing 5 days working pattern.

Resolution 16(b)/14 : The Governing Body confirmed that the institute will observe maximum 42 days' vacation period without affecting academic and administrative working of the institute in one academic year.

Resolution 16(c)/14 : The Governing Body confirmed that the institute will continue to allow maximum 8 days casual leave to its employees on the lines of the State and Central Government rules.

17. The recovery of salary paid during deputation for Ph.D

The principal briefed the Governing Body regarding the case. He informed GB that three faculty members (namely Shri. H.M. Vasaikar, Shri. D. M. Patil and Shri P.V. Kasambe) who were deputed for the Ph.D. with full salary and allowances could not adhere to the bond conditions. While Shri. H.B. Vasaikar and Shri D.M. Patil took longer time than agreed time for completion of Ph.D. as specified in the Bond, Shri P.V. Kasambe left the program in between. He further brought to the notice of the members that this issue was discussed in detail in the 11th GB meeting Dated 23rd April 2022, where in it was resolved as under,

Resolution 06/11: The GB resolved that the issue of recovery of the salary and allowances paid during the Ph.D. deputation of the faculty members who could not complete the Ph.D. as per the bond conditions was brought to the notice of the board and the board has confirmed and directed to start the recovery process.

He further informed that; accordingly, the institute issued the letters (Dated 25-11-22) to those faculty members who could not complete Ph.D. in the stipulated period of 8 years. In response to this, all of them have submitted applications to the administration to take this to GB and requested to condone the delay in acquiring Ph.D qualification and not initiate the recovery. The principal has also brought to the notice

09/12/22 18

**Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY**

(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

of the Governing Body members about the Writ Petition filed by Shri. D. M. Patil and Shri. H.B. Vasaikar in hon. High court challenging the notice of recovery.

The members asked the principal to explain each case again. Accordingly, the Principal explained each case to the Governing Body and the Governing Body resolved, as under.

Case of Shri. H. B. Vasaikar

1. Shri. H.B. Vasaikar has made a representation dated 25.11.2022 against the notice issued to him for recovery of the financial benefits received by him during the study leave from 09.07.2012 to 08.07.2015.
2. Shri. H.B. Vasaikar has enjoyed study leave with full salary and allowances from the institute for the period 09.07.2012 to 08.07.2015 and has failed to complete the Ph.D. within five years after the completion of the three years study leave. Shri. H.B. Vasaikar submitted the draft Ph.D. thesis on 24.06.2019 i.e. four years after the completion of the three years study leave period.
3. Most of the teachers from the College have completed their Ph.D. within two years from the completion of the study leave. Shri. H.B. Vasaikar merely submitted the draft Ph.D. thesis four years after the completion of the three years study leave period. Shri. H.B. Vasaikar therefore, cannot blame the Covid pandemic for the delay in completion of the Ph.D.
4. The reliance placed by Shri.H.B. Vasaikar on Government Resolutions is misconceived as the Government Resolutions are applicable only to Government Colleges and Aided Colleges and not to an unaided College.

The members are of the opinion that Shri.H.B. Vasaikar has chosen to raise an objection to the bond after enjoying leave with full wages for a period of three years and after failing to complete the Ph.D. within a period of eight years. The members unanimously agreed that the representation of Shri. H.B. Vasaikar therefore cannot be entertained.

Case of Shri. D. M. Patil

1. Shri. D.M. Patil has made a representation dated 28.11.2022 against the notice issued to him for recovery of the financial benefits received by him during the study leave from 07.07.2010 to 06.07.2013.
2. Shri. D.M. Patil has enjoyed study leave with full salary and allowances from the institute for the period 07.07.2010 to 06.07.2013 and has failed to complete the Ph.D. within five years after the completion of the three years study leave. Shri.

10/12/21

Bharatiya Vidya Bhavan's
SARDAR PATEL INSTITUTE OF TECHNOLOGY
(Autonomous)

Munshi Nagar, Andheri(W), Mumbai – 400 058.

D.M. Patil submitted the draft Ph.D. thesis in December 2015 i.e. two years after the completion of the three years study leave period.

3. Most of the teachers from the College have completed their Ph.D. within two years from the completion of the study leave. Shri. D.M. Patil merely submitted the draft Ph.D. thesis two years after the completion of the three years study leave period.
4. Shri. D.M. Patil is raising an objection to the bond after enjoying leave with full wages for a period of three years and after failing to complete the Ph.D. within a period of eight years. The representation of Shri. D.M. Patil, therefore, cannot be entertained.
5. Shri D. M. Patil was given letters on dated 25/03/2019 and 09/12/2019 by the then Principals about the recovery. These letters were shown to the members of the Governing Body.

The members are of the view that the former Principals had no authority whatsoever to waive the rights of the Governing Body to recover the financial benefits given to Shri. D.M. Patil during the period 07.07.2010 to 06.07.2013. The members unanimously agreed that the representation of Shri. D. M. Patil dated 28-11-2022, cannot be entertained.

Case of Shri. P. V. Kasambe

1. Shri. P. V. Kasambe has made a representation dated 30.11.2022 against the notice issued to him for recovery of the financial benefits received by him during the study leave from 15-07-2013 to 04-08-2014.
2. Shri. P.V. Kasambe has enjoyed study leave with full salary and allowances from the institute for the period 15-07-2013 to 02-08-2014 and has left the Ph.D program and joined the institute back on 04-08-2014. Shri. P. V. Kasambe was deputed for the period of 3 years from 15-07-2013 to 14-07-2016 at SGITS, Indore with full salary and allowances. However, he left the program in between.
3. Subsequently Shri. P.V. Kasambe registered for Ph.D. in Mumbai University and completed his Ph.D.

The members are of the opinion that since Shri. P.V. Kasambe has left the program in between, enjoying all the financial benefits (salary and all due allowances), his application dated 30-11-2022 cannot be entertained.

Resolution 17(a)/14 : The board resolved that the entire benefits given to Shri. H. B. Vasaikar for the study leave during the period 09.07.2012 to 08.07.2015 be recovered by deducting 20% of the take home salary starting from the month of April

11/12 88 20

Munshi Nagar, Andheri(W), Mumbai – 400 058.

2023 and the arrears of the revised scales and revised dearness allowance be adjusted against the amounts that are to be recovered from Shri. H. B. Vasaikar.

Resolution 17(b)/14 : It is resolved that the entire benefits given to Shri. D.M. Patil for the study leave during the period 07.07.2010 to 06.07.2013 be recovered by deducting 20% of the take home salary starting from the month of April 2023 and the arrears of the revised scales and revised dearness allowance be adjusted against the amounts that are to be recovered from Shri. D.M. Patil.

Resolution 17(c)/14: It is resolved that the entire benefits given to Shri. P.V. Kasambe for the study leave during the period 15.07.2013 to 04.08.2014 be recovered by deducting 20% of the take home salary starting from the month of April 2023 and the arrears of the revised scales and revised dearness allowance be adjusted against the amounts that are to be recovered from Shri. P. V. Kasambe.

18. Any other item, with the permission of Chair:- NIL

After these deliberations the meeting was adjourned after the vote of thanks proposed by the member secretary of the Governing Body.
