Actions taken on the resolutions of the 15th Meeting of the Governing Body were enclosed as annexure B of the agenda of 15th meeting. The principal narrated the actions taken. Members expressed their satisfaction with the actions taken.

Resolution 02/16: The Governing Body has noted the actions taken over the minutes of the 15th meeting as enclosed in annexure B of the agenda for the 16th meeting.

3. Provisional approval for the Budget for the financial year 2024-25

The draft Budget was prepared for the financial year 2024-25 by the institute considering the expenditure till date in the financial year 23-24, future faculty recruitment, gradual increase in the student population due to increased intake, requirements of the departments, anticipated civil infrastructure projects and maintenance of the infrastructure, etc. As per the set process, the budget needs to be recommended by the financial committee before tabling it in the governing body. Since the Chairman will not be available from 20th Dec to the March 24, this draft was prepared and enclosed as **annexure C** of the Agenda of 16th meeting. Shri Mhatre sir has voiced the concern on the projected 400 lakh in a short period of 3 months. Principal informed that the tender was floated and BMC approval may be received at any time and immediately work would start. Shri Mhatre sir has also inquired about the lift provisions. Chairman sir showed concern on the foundation. Principal confirmed that the structural designer Shri Godbole Sir of the original structure has confirmed the strength and certified the proposed extension. Mhatre Sir also expressed his concerns about the meagre consultancy income. The Principal briefed about the ongoing efforts of the institute to fetch a prestigious consultancy from the POSCO amounting Rs. 1.1 Crores. Chairman suggested that a good amount of consultancy income needs to be proposed to maintain pressure on faculty to fetch the same. After this deliberation, proposed draft budget was approved and the Governing body suggested to take a mid-term review of this.

Resolution 03/16: The Governing Body approves the proposed budget for the financial year 2024-25.

4. Write-Off of the obsolete equipment.

Following the due procedure, the institute committee had proposed the equipment for the write-off. The lists were enclosed as **annexure D** of agenda for 16th meeting. The book value of this equipment as per the DSR is Rs. 1,27,85,478/-. Shri Mhatre sir voiced the concern regarding high write off value and remarked that this will result in reduction of the asset value in the books of accounts. Principal clarified that already the depreciation has happened, and the depreciated value is very less and it will not impact the asset. Further, Shri Mhatre Sir suggested to use the parts/components of these equipment for the student projects. The principal

informed the members of the prevailing practice of fetching all usable parts from this write-off equipment and take into use for laboratory and project work.

Resolution 04/16: The Governing Body approves the proposed write-off lists as enclosed in annexure D of the agenda.

5. Renewal of staff Medi-claim insurance policy.

The institute has been supporting all faculty and staff by paying Mediclaim insurance premium every year as a part of its welfare scheme. A renewal to this policy was proposed in view of the change in the policy by Indian Bank for its account holders. Members directed to do a extensive review / study for a revised group insurance Mediclaim policy and submit the report in the next meeting.

Resolution 05/16: The Governing Body directs the institute to study the revised group insurance Mediclaim policy extensively and report to the GB.

6. Request for special consideration from Mrs. Sheetal Chaudhari, Assistant Professor in CSE for Ph.D studies.

Mrs. Sheetal Chaudhari is a faculty of Computer Science and Engineering and serving the institute from past 20 years. She has enrolled for Ph.D at V.J.T.I. in the academic year 22-23. She has successfully completed the required Ph.D course work. To expedite her research work, she has requested special permission to work for 3 days a week for a couple of years with a reduced academic engagement of 10 hours per week instead of the normal 16 hours per week. She is ready to work on the reduced salary for a couple of years. This case was briefed by the Principal.

On this special request from Mrs. Sheetal Chaudhari, Chairman suggested to review the semester wise progress of the candidate. He remarked that the concession may be granted but salary not to be reduced. Prof Gadre cautioned that this would set the precedence and pay should be commensurate with the academic load. Mhatre sir opined that in such cases a bond must be taken for such deputation and load distribution should be made in the best possible manner.

Resolution 06/16: The Governing Body rejects the special consideration and empowers the Principal to give concession in timings, work load on case to case basis, monitoring closely the research progress of the faculty members pursuing Ph.D program.

7. Deputation of Prof. Pooja Raundale, Professor of MCA.

The Principal recommended the request from Dr. Pooja Raundale, a professor of MCA who has worked in the institute for the past 15 years, for 5 years deputation to serve the Mumbai University as "Director-Examination". Chairman Sir informed the members that as per the Bharatiya Vidya Bhavan's directives only two year deputation

can be allowed. Shri Mhatre suggested to take a review after two years and institute may extend the deputation on mutual consent.

Resolution 07/16: The Governing Body approves the deputation of Prof. Pooja Raundale for a period of 2 years to assume the post of "The Director-Board of Examinations, Mumbai University", after two years on mutual consent this deputation period may be extended.

Following Items were brought to the attention of the esteemed members of the Governing body

8. Implementation of the NEP complied curriculum.
9. UG admissions at SPIT.
10. Academic results
11. UG placements and enrollment for higher education.
12. Research Internship at SPIT
13. Adhoc appointment of faculty for academic year 2023-24
14. Faculty /Staff who left the institute or superannuated.

The Principal gave a brief presentation on the NEP complied curriculum prepared by the institute. He highlighted the salient features of the curriculum. He presented the UG results of the institute for past 4 academic years, as well as the placement of the students and enrolment of the students for higher education. He also briefed the members of the unique "Research internship" offered to the U.G students at 6th semester and its immediate impact on the UG education. He further presented the statistics about the UG admissions, and the members appreciated the efforts of the institute. Prof Gadre remarked that a very right step is taken by institute by correcting the grading policy and controlling the average CGPA of the graduating batch. Principal informed members that only due to Prof Gadre, institute could design and implement this "first-of-its-kind-in-the-country" a scheme of 6 months full time research internship during third year of the program. He informed about the wonderful outcome of this experiment, and how this scheme has enabled undergraduate students to publish top class journal articles, which many a times Ph.D students fail to do. The members expressed their satisfaction over the progress, and appreciated that while prestigious institutions are facing the placement challenge, the institute has maintained 100 % placement with a continuous year-on-year rise in median salary offered to a graduating batch. During the discussions on these points, Shri Mulla sir inquired about whether the GR stipulated 20 credits have been considered for each semester. Principal informed the members that provisions of the GR are the recommendations, and more than 95 % compliance of these provisions is already made. Mhatre sir suggested to study the consequences of acceptability of minor courses with the recruiters as the institute will create a new breed of the graduates. He further insisted that the core should be retained, and minor should be add on. Gharpure madam suggested to conduct an event and invite recruiters and present curriculum to them to take their feedback, as a kind of endorsement from

industry. Further she suggested to conduct workshops regularly for the paper setting. Chairman sir suggested that the basket of minors with complementary combinations. While addressing these suggestions the principal responded that companies like Barclays, JPMC etc., were consulted regarding the curriculum, regular faculty meetings are taken every semester before examinations about the paper setting, he further informed the members of the regular external audit of the question papers to ensure the quality of examinations. Prof. Gadre suggested that the IIT has very matured mentor program and guidance on mentoring can be sought from IIT Bombay. He further suggested to encourage students to write the GATE examination. Principal informed about the unique policy articulated to confer "honors" to the students who have top grades in 8 core courses and score above 90 % in the GATE examination.

The members also noted the adhoc appointments made by the institute and suggested to exercise regular appointments at the earliest. Members also noted that few faculty members have left or superannuated.

15. Any other item with the permission of the Chair.

With the permission of the Chair, the principal informed the members about the request for sabbatical from Mrs. Kiran Gawande. Gharpure Madam and Mhatre sir expressed that on medical ground, the application may be considered. The members approved the special with out pay leave to Mrs. Kiran Gawande.

Resolution 15/16: The Governing Body approves the special without pay leave to Mrs. Kiran Gawande.
