Minutes of 9th Meeting of Governing Body

(Special meeting for approval of 7th pay implementation)

The 9th Meeting of the Board of Governors was held on 21st May 2021 at 11:00 a.m, in online mode. Following members of the Board attended the meeting:

1.	Prof. Sesha Iyer	-	Chairman
2.	Prof. Prachi Gharpure	-	Member, Management Nominee
3.	Shri. Asif Mulla	-	Member, Management Nominee
4.	Shri. Suresh Mhatre	-	Member, Management Nominee
5.	Prof. V. M. Gadre	-	Member, from academia
6.	Prof. S. G. Bhirud	-	Member, University Nominee
7.	Prof. Y.S. Rao	-	Teaching Member
8.	Prof. Surendra Rathod	-	Teaching Member
9.	Prof. B.N. Chaudhari	-	Member Secretary

Following members were granted the leave of absence:

1.	Prof. Ranjan Banerjee	-	Management Nominee
2.	Prof. Pramod Naik	-	Nominee of State Government
3.	Prof. Manju Singh	-	UGC Nominee
4.	Shri Rahul Chari	-	Member, from industry

Principal welcomed all the members of the Governing Body and briefed about the purpose of the meeting. With the permission of the Chair, the proceedings started.

Item 1. :- Approval to the implementation of the 7th pay to faculty and staff at S.P.I.T.

The issue of the pay revision was placed as Agenda item in the 8th meeting of the Governing Body. It was discussed and deliberated at a length. All members actively participated in these discussions. After lot of deliberations, it was decided to implement the 7th pay scales to the employees of the institute from the 1st April 2020, and to pay the arrears to the date. However, the GB suggested to make a financial proposal for implementation and decide the way and modularity's of implementation. Accordingly, a proposal was made and circulated to the GB.

Principal presented the proposal and implementation plan. Shri Mhatre opined that the cash flow and FRA perspective needs to be checked. Prof Iyer raised the concern over the

possibility of FRA taking a different stand. Principal agreed to this however, pointed out that the cash inflow will increase gradually in next 4 years owing to starting of two new undergraduate courses. Shri Mhatre pointed out that the decision made has considered three major points (a) FRA fixes the fees for the Nth year based on the expenditure incurred in (N-2)th year. (b) The fees of Socially Challenged students is received by the institute normally with a delay of 1-2 years. (c) Institute will have gradual increase in the number of students due to two new courses inducted.

Prof. Iyyer suggested to check the financial viability considering the worst situation of fees reduction by FRA and new courses not approved by the AICTE. Principal opined that FRA can not randomly reduce the fees as it is based on the actual expenditure incurred on legitimate items. He also pointed out that he sees no reason to why new courses will not be approved by the AICTE, as the institute has no deficiency. He informed the GB that the institute has positively reciprocated to the appeal of the FRA for not increasing the fees for 2021-22. By doing this, it has created the good will as very few institutions in the state have responded positively to the appeal of the FRA. Prof. Prachi Gharpure suggested to reconfirm again the worst-case scenario of not receiving fees from the SWO for 2 years. Shri Mhatre indicated such possibility resulting from the political decision. Prof. Bhirud informed that the fees may be reduced by the FRA and Government and aided institutions have not increased the fees. He also suggested that salary expenditure should normally not go beyond 70 %.

Prof. Chaudhari echoed this and remarked that ideally it should be 65:35. He informed the GB regarding the minor certificate programs institute has started which will add to the income. Prof. Iyyer appealed other members to present their views. Prof. Rao informed that few faculty members including him are serving the institute from its establishment. All faculty members have assumed additional responsibility of implementing the autonomy. All faculty members are very positive for new changes being brought in such as merger of the courses, new academic model, minor and honors certification etc. He requested GB to encourage faculty by due implementation of 7th pay and give a strong positive message. Prof. Rathod echoed the same and pointed out that due to the support from faculty, institute could stand in NIRF ranking and got NBA accreditation. He further remarked that all institutions on the campus should pay the 7th pay as all are under BVB's umbrella. He appealed to rethink about the date of implementation and recommended implementation from Sept 2019. He also pointed out the possibility of legal case arising due to non-implementation. Prof. Iyyer clarified that FRA outlook is very different towards the arrears and as per their present policy arrears will not be considered for the fees related calculations. He suggested not to worry about the legal cases as financial health of the institute can not be compromised.

Shri Mhatre suggested to make faculty aware about the challenges posed by the situation and give a message that while GB is trying hard to meet its obligation, faculty should also contribute to the best of possibility to raise the income through consultancy, sponsored projects. He suggested strongly to minute that the GB pointed out all the risks that may arise due to this implementation, discussed and deliberated at a length; noted the financial condition of the institute, studied future cash flow and anticipated budget for 4 years while taking this decision. Prof. Chaudhari informed the GB that he has already initiated few efforts in this direction. He has discussed the risks with senior faculty members and appealed all faculty members to contribute towards raising the income from professional activities. He

assured that in a couple of years the expenditure towards salary will be under 70% of the total expenditure. He thanked Prof. Prachi Gharpure, Prof. Rao for institute's journey so far and ensuring that every year FRA has approved required increase in the fees to the institute. He appreciated the efforts that must have gone towards maintaining healthy financial position to the date. He gratefully thanked all members of the GB for extending their full support towards implementing the 7th pay despite the risks involved.

With these deliberations and discussions, the GB resolved to approve the implementation plan of 7th pay to the faculty and staff of the institute and approved the lumpsum arrears of Rs. 2.7 crore.

R9/1: The GB approves the implementation plan of the 7th pay scale and lumpsum arrears of Rs. 2.7 crore, arising from this implementation, and directed institute to start the pay fixation process.

Item 2: Any other point with the permission of Chair: NIL
