MINUTES of the 15th MEETING OF THE GOVERING BODY

The 15th Meeting of the Board of Governors was held on 3rd May 2023 at 4:00 pm, in hybrid mode. On the behalf of the institute, the principal welcomed the Chairman and other esteemed members of the Governing Body. Following members of the GB attended the meeting:

- | | | | |
|----|-----------------------|---|---|
| 1. | Prof. Sesha Iyer | - | Chairman |
| 2. | Shri. Asif Mulla | - | Member, Management Nominee |
| 3. | Shri. Suresh Mhatre | - | Member, Management Nominee |
| 4. | Prof. S. G. Bhirud | - | Mumbai University Representative (online) |
| 5. | Prof. Prachi Gharpure | - | Management Nominee |
| 6. | Dr. Pooja Raundale | - | Faculty Representative |
| 7. | Prof. Kiran Talele | - | Faculty Representative |
| 6. | Prof. B.N. Chaudhari | - | Member Secretary |

Following members were granted the leave of absence:

- | | | | |
|----|-----------------------|---|--------------------------------------|
| 1. | Prof. Ranjan Banerjee | - | Management Nominee |
| 2. | Prof. Pramod Naik | - | Nominee of State Government |
| 3. | Prof. Manju Singh | - | UGC Nominee |
| 4. | Shri Rahul Chari | - | Member, from industry |
| 5. | Prof. V. M. Gadre | - | External Expert nominated by the GB. |

1. Confirmation of the minutes of 14th Meeting of the Governing Body held on 17th Feb. 2023 in hybrid mode.

The minutes of the 14th meeting of the Governing Body were circulated to the honorable members through email prior to the meeting and were also annexed as annexure A of the Agenda of 15th meeting. Members confirmed the minutes circulated as there was no suggestion over the minutes.

Resolution 01/15: The minutes of the 14th meeting of the GB as enclosed in annexure A of the Agenda for 15th meeting are confirmed.

2. Action Taken Report for the 13th Meeting of the Governing Body

Actions taken on the resolutions of the 14th Meeting of the Governing Body were enclosed as annexure B of the agenda of 15th meeting. The principal narrated the actions taken. Members expressed their satisfaction with the actions taken.

Resolution 02/15: The Governing Body has noted the actions taken over the minutes of the 14th meeting as enclosed in annexure B of the agenda for the 15th meeting.

3. Revised Faculty Structure

In its 14th meeting, the Governing Body approved the revised faculty structure presented in the 14th meeting considering the increase in intake that took place from the year 2021-22. However, while discussing another agenda item the Governing Body directed institute to apply for the increase in intake for undergraduate program in the Computer Engineering. This necessitated revisiting the new faculty structure for the institute assuming the approval from the AICTE for the increase in intake as demanded by the institute. Again, considering the present norms of the NBA and AICTE, and Student faculty ratio of 1:20, the required faculty positions are calculated considering the approved increase in intake in the year 2021-22 and approved intake in the year 2023-24. The Board discussed the same at length. It was brought to the notice that though, the national institutes aim at a SFR less than 1:15, SPIT prefers to have a conservative approach as at present due to implementation of 7th pay, the salary expenditure has become more than 75 % of the total expenditure. Further the institutions are permitted to recruit 20 % faculty from industry as "Professor of Practice" by the AICTE.

This proposal was discussed at a length. Appreciating the conservative approach of the institute, the members suggested to be extremely careful and quality cautious in the recruitment and filling these positions in 3-4 years. The board further suggested to hunt for the quality faculty and institute can also look for inviting adjunct faculty from elite institutions, professor of practice from industry and visiting faculty from foreign universities.

Resolution 03/15: The Governing Body approves the proposed faculty structure as given in Table 3.1 of the agenda, considering the increase in the intake for the academic year 2023-24 AND merger of few programs.

4. Budget for financial year 2023-24.

Institute budget was prepared in consultation with the departments considering their requirements, salary structure of the institute, plans for the maintenance, routine recurring expenses, newly approved faculty, and student empowerment schemes, etc. The budget was tabled in the finance committee meeting held on 18th April 2023, and the corrections suggested were incorporated. Corrected budget was discussed particularly related with the deficit, and the members have given important suggestions. Principal assured the members to incorporate these suggestions. The GB suggested that as the budget is well carefully studied and discussed, the final formal approval of the Budget be sought from the Chairman of the Governing Body.

Resolution 04/15: The Governing Body suggested a few corrections in the proposed budget and suggested seeking the Chairman's approval for the corrected budget.

5. Absenteeism of Mrs. Vijaya Kamble from duties.

Mss. Vijaya Kamble has been working at S.P.I.T. since 2-5-2008 as Assistant Professor in the Electronics and communication engineering department. She has remained absent without seeking any permission since March 2021. Initially she had given medical reasons and requested medical leave. She was requested several times to submit the medical certificate in support of the claim. However, she did not comply to this. Numerous mails and reminders have been sent to her since 10th March 2021. The case was discussed in the meeting. The members were surprised with the response of the faculty members and were worried about the resulting academic loss due to the long-term absence of the experienced faculty member. Shri Mulla sir expressed that the institute has shown undue patience in this case, by writing more than 22 letters to her till date. Further, he expressed that since she has not joined the duties nor has submitted the medical certificate, appropriate disciplinary proceedings need to be initiated in this matter. The members echoed the same and directed the institute to initiate appropriate disciplinary proceedings for the action.

Resolution 05/15: The Governing Body resolved and directed the institute to initiate appropriate disciplinary proceedings in respect of the prolonged unauthorized absence of Mrs. Vijaya Kamble.

6. Structure for non-teaching staff

The existing and proposed structures for the non-teaching staff of the institute were presented to the board. It was brought to the notice of the members that at present there are 32 office staff (22 institute + 10 contractual) against the sanctioned 26 positions. Similarly, at present the institute has 19 technical staff (17 institute + 02 contractual) against the sanctioned 19 positions. The principal explained the rationale behind asking for more positions and requested to sanction the 38 positions of the office staff and 30 positions of the technical staff. The board has observed that though the intake of the institute is doubled, the proposed increase in the staff is @ 51 % only. The members appreciated this and suggested mostly going for the contractual appointments. On the inquiry about the staff to faculty ratio by Shri Mhatre Sir, Principal informed that it would be limited to 0.6:1. The principal also pointed out that the institute is asking for only 03 positions more for institutional office staff and only 1 more institutional technical staff. Appreciating this, the members have unanimously approved the proposed structure for non-teaching positions of the institute.

Resolution 06/15: The Governing Body approves the proposed structure for the non-teaching staff as shown in Table 6.1 of the agenda.

7. Format for Faculty Performance Appraisal

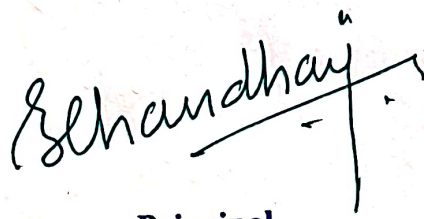

Quantitative and Qualitative analysis of the work done by a faculty member for one academic year is the need of time, in the context of outcome-based education, NBA, NAAC accreditation, NIRF ranking, Career advancement schemes, AICTE / UGC guidelines, etc. Identifying this, a scale is articulated involving institution faculty and external expert and aiming in 360-degree evaluation of the faculty. It was presented to the board and was proposed to implement it from the academic year 23-24. The Board appreciated these efforts. Shri Mhatre sir remarked that it would be difficult to comment on the scale in a short span of time being very detailed document. He further mentioned that such scales will evolve with time, and one should take periodic review and improve the scale itself. He appreciated the institute efforts in involving all faculty members while articulating this scale.

Resolution 07/15: The Governing Body approves the format for faculty performance appraisal and directs institute to implement it from the year 2023-24.

8. Any other item with the permission of the Chair.

Shri Mhatre sir invited the attention of the members to the recent technological developments in particular chat GPT and its impact on education, placement, and economy. He expressed his deep concerns and suggested the institute stay prepared to face the impact of such ongoing disruptive technological innovations. Responding to this, the principal informed the members about the statistics of the placements of the institute. He also informed about the care being taken by the institute to avoid plagiarism.

Since no other item was proposed by the institute and no member had requested discussion on any topic, the meeting adjourned with the vote of thanks.
