Summary of the Annual Report 2022-23	221

Founder's Message

“Education would fail ignominiously in its objective if it manufactures only a robot and called him an economic man stressing the adjective economic and forgetting the substantive man. A university cannot afford to ignore the cultural aspects of education whatever studies it specializes in. Science is a means, not an end. Whereas culture is an end in itself. Even though you may ultimately become a scientist, a doctor, or an engineer, you must while in college, absorb fundamental values which will make you a man of culture. An engineer has not merely to build bridges; he has to be a devoted husband, a kind father, a friendly neighbour, a dutiful citizen, and a man true to himself. He will have trials and tribulations, his heart will fail him at times, and he will then need the strength which true culture alone can give.”

Kulpati Dr. K. M. Munshi

Principal's Message

Let us wish Heartiest Congratulations to the Students and Faculties for their Achievements. As the Principal of Sardar Patel Institute of Technology (SPIT), the Numero Uno, self-financed, autonomous Institution of Maharashtra, I am pleased to take this opportunity to present the annual report of documenting its development, achievements, and contribution to society over the course of the year 2022-23. We are a constituent of Bharatiya Vidya Bhavan, not just a conglomeration of more than 300 institutions, but a culture, a saga, a holy journey, started by Dr. K.M. Munshi with the support of Mahatma Gandhi in 1938. Imparting value-based education with Indian cultural ethos has always been the motto of Bhavan.

Engineers & technologists form the backbone of any nation's economic development. The world is presently undergoing very unprecedented, extraordinary, challenging time. A new normal is anticipated in many walks of life, including education. Such disruptions will come again and again in one or the other form. Engineers will work for 40-50 years of their life, they will have 3 to 4 diversified careers in technologies we are even unaware of. **To make aspiring minds confident and future-proof, education must prepare them for a “marathon” rather than a “sprint”.** SPIT makes continuous, sincere efforts towards this.

We focus on “How to learn?” rather than “What to learn?” We believe in multidisciplinary exposure to the learners, yet ensuring growth in one vertical, cherishing human sensitivity and empathy. We have thoughtfully articulated a unique academic model towards this. Our splendid academic performance, sparkling placements (quantitative and qualitative), enrollment for higher studies at the best places of the world, prizes won by our students in national/international level technical competitions, in consistent over many years are the true testimonials for this.

With the support of a dedicated and hardworking faculty and staff, the institute has achieved enviable visibility and ranking in a short span. On behalf of all stakeholders of SPIT, I congratulate you all and look forward to your valuable contribution for a better tomorrow.

Let's grow together...

Dr. Bhalchandra Chaudhari
Principal

Acknowledgement

It gives us great pleasure and immense satisfaction to present the Annual Report of Sardar Patel Institute of Technology for the academic year 2022-23. The consistent growth of the institute visible in this report is made possible due to the unstinted guidance and focused direction of Dr. Sesha Iyer, Chairman Governing Body, Sardar Patel Institute of Technology, and Dr. B. N. Chaudhari, Principal, Sardar Patel Institute of Technology.

Motivating guidance from Dr Y. S. Rao, Dean Academic and R&D, and administrative help from Mrs. Pallavi More, Registrar has always been the strength of S.P.I.T.

We express our sincere gratitude to respective deans and head of the departments for extending their tireless support all throughout the course of rising this Annual Report.

We also express our sincere thanks to all Criteria In charges of NAAC and NBA and their respective team members for their timely response referring to data collection required for the compilation of the Annual Report.

We also acknowledge the contributions of student bodies and chapters with their faculty mentors for providing data in aesthetic representation.

We express our heartfelt gratitude to all S.P.I.T. faculty members for their timely cooperation. Last, but not the least, we sincerely thank all our student chapter members, administrative staff and all others who have directly or indirectly contributed to making this Annual Report.

Finally, a deep gratitude towards the dedicated efforts of Dr. D. M. Patil (Chairman Annual Report Preparation Committee), Dr. Hemant B. Vasaikar, and Prof. M. M. Parmar (Annual Report Preparation Committee members), and dedicated student team- Aparna Sangepu, Gaurang Rajvaidya, Gautami Salve, Vanshi Gathani, Powromita Ughade, Samiksha Sawant, Sai Rane, Jay Thakkar. This report has seen the light of the day due to their sincere efforts.

Dr. Sudhir Dhage

Dean Administration & IQAC

Dr. P.V. Kasambe

NBA, NAAC & NIRF Coordinator

INTRODUCTION

Institutional Values

1. Integrity – Integrity is defined as the quality of being honest and having strong organisation of life with the mind-set, of the students to soar new heights, integrity is of paramount importance. Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology takes pride in working with integrity and a sense of righteousness to hold itself to consistent moral and ethical standards.

2. Excellence – Excellence is the hallmark of consistency. Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology has consistently ranked among the top educational institutions in the city and state. It currently occupies a position in the 101 to 150 bracket of the National Institute Ranking Framework (NIRF). All this has been possible with dedicated input from the management and faculty members, who consistently try to mould the institution towards constant improvement and progress.

3. Social Sensitivity – The prime goal of an educational institution like Sardar Patel Institute of Technology, under the aegis of management like Bharatiya Vidya Bhavan, strives to make the society better in all respects by providing quality education. One of the highlights of the new curriculum under autonomy has been to provide relevant education that would make a difference to the society. The institution also tries to instil the values of social service among its students and faculty members by being a part of various social welfare schemes, and tie-ups with NGOs from time to time.

4. Globalization-Vasudev Kutumbakam – The whole universe is our family. With a strong belief in Vasudev Kutumbakam, Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology extends its services in education to one and all without any discrimination on any grounds whatsoever. It strives to consistently uplift the standard of education provided, with relevance to the current global trends and standards.

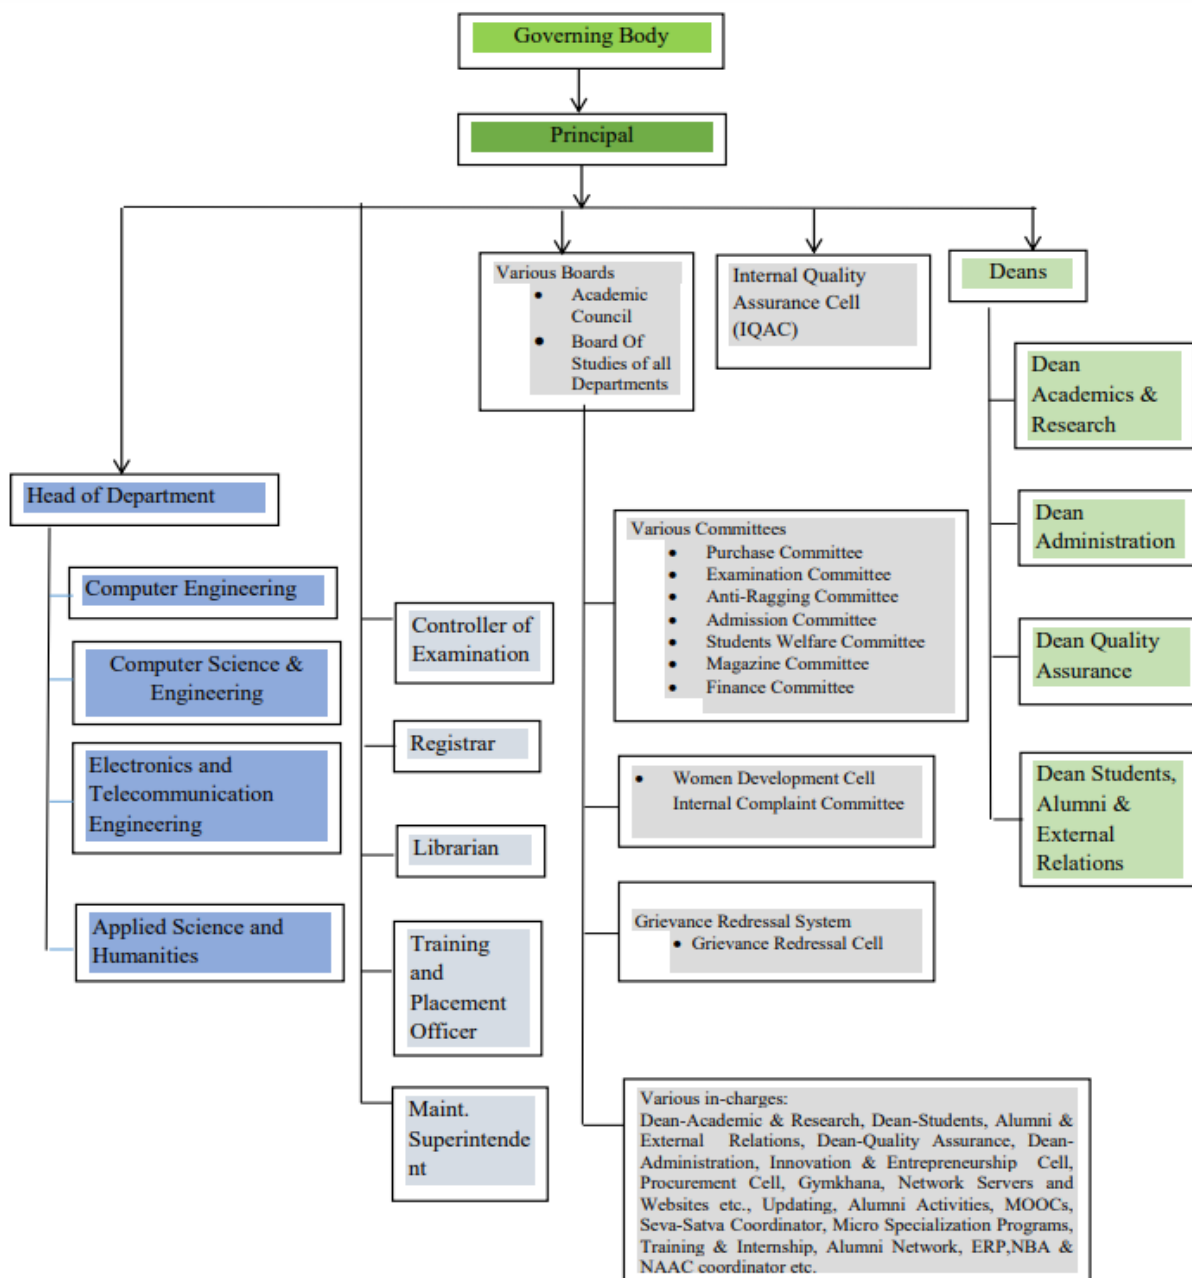

Vision

Keeping in view the growing and changing needs of Industry and society, we at S.P.I.T. are committed to creating an environment which will raise the intellectual and moral standards of our students. Our endeavor is to strive for the overall development of students, thereby enabling them to accept challenges. In tune with this our vision is-“To build a renowned institute which will produce graduate engineers with global competency and social sensitivity”.

Mission

- Provide high-quality education in engineering and technology promoting the Indian Values and Ethos that will prepare the participants to lead lives of personal integrity and civic responsibility in a global society.
- Promote an Educational Environment that combines academic study with the excitement of intellectual curiosity for engineers of tomorrow.
- Enhance career opportunities for students through Industry-Institute Interaction, value-added courses, and projects in cutting-edge technology.
- Inculcate an Entrepreneurial mind-set in students to make them job creators.
- Focus on applied research to create next-generation technologies.

Organization Structure

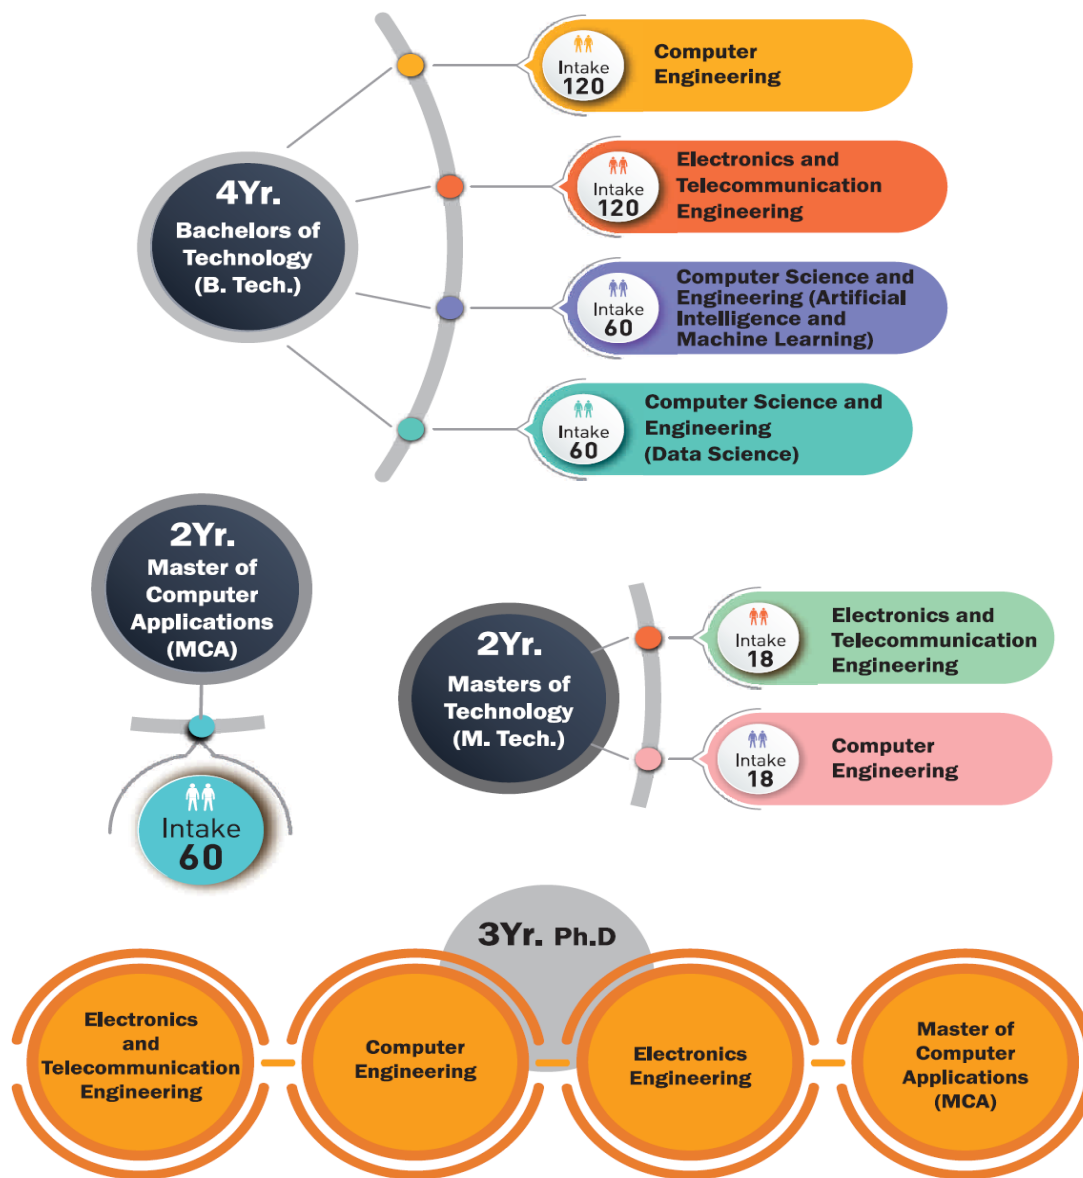

Board of Governance

Name of the Committee: - Governing Body		
1	Dr. Sesha Iyer <i>Professor and Adviser to the Dean, SPJIMR</i>	CHAIRMAN
2	Dr. Prachi Gharpure <i>Ex. Professor & Director of NMIMS, Indore</i>	Management Nominee
3	Shri. Asif Mulla <i>Advocate</i>	Management Nominee
4	Dr. Vikram M. Gadre <i>Professor of Electrical, IIT-Bombay</i>	Member
5	Shri. Rahul Chari <i>Founder & CTO – PhonePe</i>	Member
6	Shri. Suresh Mhatre <i>Ex. Professor, NMIMS, Mumbai</i>	Member
7	Shri. Kiran. T. Talele <i>Associate Professor & Dean(Students Affairs), S.P.I.T.</i>	Teaching Member
8	Dr. Pooja Raundale <i>Professor & Dean(IQAC) , S.P.I.T.</i>	Teaching Member
9	Dr. Sunil Bhirud <i>Director & Professor at VJTI</i>	Nominee of University of Mumbai
10	Dr. Manju Singh <i>Joint Secretary, UGC</i>	Nominee of UGC
11	Dr. Pramod Naik <i>Joint Director of Technical Education, Maharashtra.</i>	Nominee of the DTE
12	Dr. B. N. Chaudhari <i>Principal, S.P.I.T.</i>	Principal of the Institute

FACULTY

Faculty members are well experienced in their respective domains and consistently make efforts to stay updated. The college also deutes the faculty members to Faculty Development Programmes, Short Term Training Programmes and developmental programmes to ensure continuous up gradation. Many faculty members are also actively engaged in research work. Several faculty members regularly publish papers and research articles in leading journals nationally and internationally.

List of Faculty

Principal

Dr. Bhalchandra Nemichand Chaudhari.

Computer Engineering Department

- 1 Dr. Dhage (Professor & Dean Administration)
- 2 Dr. Prasenjit Bhavtankar (Associate Professor & HOD Computers)
- 3 Shri. Anand Godbole (Associate Professor)
- 4 Dr. Surekha Dholay (Associate Professor)
- 5 Dr. Anant Nimkar (Associate Professor)
- 6 Dr. Kailash Devdhar (Associate Professor)
- 7 Smt. Kiran Gawande (Assistant Professor)
- 8 Smt. Jyoti Ramteke (Assistant Professor)
- 9 Dr. Natasha Raul (Assistant Professor)
- 10 Smt. Reeta Koshy (Assistant Professor)
- 11 Smt. Swapnali Kurhade (Assistant Professor)
- 12 Smt. Sisodia Jignesh (Assistant Professor)
- 13 Smt. Abhijeet Salunke (Assistant Professor)
- 14 Smt. Sunil Bide (Assistant Professor)
- 15 Smt. Pramod Ghane (Assistant Professor)

Computer Science and Engineering Department

1. Dr. Dhananjay R. Kalbande (Professor and HOD-CSE)
2. Dr Sujata Kulkarni (Associate Professor)
3. Shri. D.D Ambawade (Associate Professor)
4. Smt. Renuka Pawar (Assistant Professor)
5. Smt. Sheetal Chaudhari (Assistant Professor)
6. Smt. Varsha Hole (Assistant Professor)
7. Smt. Nikahat Kazi (Assistant Professor)
8. Smt. Aparna Halbe (Assistant Professor)

Applied Science, Mathematics and Humanities Department

1. Dr. Rita Das (Associate Professor and HOD-ASMh)
2. Dr. D.M. Patil (Assistant Professor)
3. Shri. C.R. Gajbhiye (Assistant Professor-Maths)
4. Dr. Hemant Vasaikar (Assistant Professor-Mechanical)
5. Smt. Meghana Naik (Assistant Professor-Maths)
6. Shri. Kaiser Katchi (Assistant Professor-Engineering Drawing)
7. Smt. Anantlaxmi V (Assistant Professor-Chemistry)

Master in Computer Applications Department

1. Dr. Pooja Raundale (Dean)
2. Dr. Aarti Karande (Assistant Professor)
3. Shri. Harshil Kanakia (Assistant Professor)
4. Smt. Nikita Mangaonkar (Assistant Professor)
5. Smt. Sakina Banu Shaikh (Assistant Professor)
6. Smt. Pallavi Thakur (Assistant Professor)

Electronics and Telecommunication Engineering Department

1. Dr. Y.S. Rao (Professor & Dean-Academics and R&D)
2. Dr. Reena Sonkusare (Associate Professor HOD- EXTC)
3. Dr. Rajendra Sutar (Associate Professor)
4. Dr. K.T. Talele (Associate Professor)
5. Dr. Narendra Bhagat (Associate Professor)
6. Dr. Deepak Karia (Associate Professor)
7. Dr. Sukanya Kulkarni (Associate Professor)
8. Shri. Manish Parmar (Associate Professor)
9. Dr. Anand Mane (Assistant Professor)
10. Smt. Vijaya Kamble (Assistant Professor)
11. Dr. Prashant Kasambe (Assistant Professor)
12. Smt. Payal Shah (Assistant Professor)
13. Smt. Manisha Bansode (Assistant Professor)
14. Shri. Govind Haldankar (Assistant Professor)
15. Shri. Milind Paraye (Assistant Professor)
16. Dr. Amol Deshpande (Assistant Professor)
17. Smt. Priya Deshpande (Assistant Professor)
18. Shri. Najib Ghatte (Assistant Professor)
19. Smt. Pallavi Malame (Assistant Professor)
20. Smt. Sneha Weaky (Assistant Professor)

Adhoc

1. Dr. Rajendra Sawant (Professor – EXTC)
2. Ms. Prajakta Jadhav (Assistant Professor)
3. Ms. Sparsh Vyas (Assistant Professor)
4. Smt. Ruchika Patil (Assistant Professor)
5. Shri. Mangesh More (Assistant Professor)
6. Ms. Firdous Imran (Assistant Professor)
7. Ms. Sonali Wankhede (Assistant Professor)
8. Mr. Abhijeet Bhogale (Assistant Professor)
9. Ms. Umangi Mehta (Assistant Professor)
10. Mr. Nawal Dandekar (Assistant Professor)
11. Ms. Khushbu Chauhan (Assistant Professor)
12. Mr. Deepak Nair (Assistant Professor)
13. Ms. Akanksha Desai (Assistant Professor)
14. Mr. Kaustubh Kulkarni (Assistant Professor)
15. Mr. Atul Kumar Shukla (Assistant Professor)
16. Ms. Abhilasha Dwivedi (Assistant Professor)
17. Ms. Aruna Thakkar (Assistant Professor)

Student Counsellor

1. Ms. Mona Upadhyaya (Student Counselor)

Research Publications and Patents by Faculty

Research activity is one of the pillars in any institute that contributes to the solutions of the problems of academic interest as well as society. Apart from imparting motivation from the institute, our faculty are self-motivated for various research activities. One such activity is the publications in reputed international journals and conferences. The details of all these publications by various departments have been presented for reference.

Number of books and chapters in edited volumes published per teacher

Sr.No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
1	Abhijit Salunke ,Dr. Rita Das, Malhar Bangdiwal ,Sakshi Mahadik, Yashvi Mehta	Automated Library Management System using Face recognition and OCR	2023	979-9-3503-3575-0	4th international Conference for Emerging Technology (INCET)
2	Swapnali Kurhade , Nupur Gupte , Mitali Patel , Tanvi Pen	Early Detection of ADHD and Dyslexia from EEG Signals	2023	979-8-3503-3401-2	2023 IEEE International Conference for Convergence in Technology(I2CT)
3	Jignesh Sisodia , hrishikesh Lamdade , Arjun Pansare , Gaurav Parulekar ,	Brain Tumor Segmentation, Grade of Tumor and Survival Duration Prediction using Deep Learning	2023	978-1-6654-9099-3	International conference on Signal Processing and Integrated Networks (ISPIN)
4	Dhananjay Kalbande , Jignesh Sisodia , Atharva Ranade , Sahil Sawant ,Rohan sodha	Parkinson's Disease Diagnosis using Deep Convolutional neural Networks	2023	978-8-3503-3577-4	2023 international Conference on Contemporary Computing and Communication (InC4)
5	Jignesh sisodia, Omkar Bandgar , Aditya Bapat , Arnav Ekapure	Respiratory disorder classification based on liungauscitaion using MFCC , Mel Spectrogram and chroma STFT	2023	978-1-6654-5627-2	1st international conferecne on Artificial intelligence and applications ICAIA

6	Rupali Sawant , joy almeda , Kushal shah ,	time Frame Analysis for Sentiment Prediction of Stock Based on Financial News using natural Language Processing	2023	978-1- 6654- 5627-2	1st international conferecne on Artificial intelligence and applications ICAIA
Sr.No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
7	Rupali Sawant, kaustubh Funde , Amogh Godbole	Enhancing Charity Systems by Leveraging Blcockchain Technology and Machine Learning	2023	979-8- 3503- 4842-2	11th international conference on Emerging trends in engineering Technology - signal and information Processing (ICETET - SIP)
8	Kailas Devadkar , Kristen Pereira , Aman Parikh , Pranav kumar	healthCare Diagnosis Service using Federated Learning	2023	978-1- 6654- 7517-4	2023 international conference for Advancement in Technology (ICONAT)
9	Pramod bide Prachi Mehta ,Vedant Mehta	Survey on Natural Language Interfaces to Databases	2023	-	International Conference on Advances in Data- Driven Computing anfd Intelligence Systems
10	Pramod bide, Prathmesh waghmode , Atharv shitole , Mayur Telrandhe	Real yoga Pose Classification and correction: YogaAI	2023	979-8- 3503- 3575-0	4th international Conference for Emerging Technology (INCET)
11	Reeta koshy , Sanskriti Bhade , mubashira Hasan , vidhi Rughwani	Synopsis Creation for Research Paper using Text Summarization models	2023	979-8- 3503- 3575-0	4th international Conference for Emerging Technology (INCET)
12	Anant nimkar , Divya surve	An Exploration of Digital Image Forencsic Techniques: A Brief Survey	2023	-	International conference on Security , Privacy and Dat analytics ISPDA 2022

13	Anant Nimkar , Rishi Kaul , Arka Haldi	computer vision Based Mechanism for Detecting Fire and Its Classes	2023	-	international Conference on Computer Vision and Image Processing CVIP 2022
----	--	---	------	---	--

Sr.No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
14	Anant nimkar , Tejas solanki , Kunden Patel , Swanand Pande	blockID: Blockchain based Digital ID and Authentication Syestem for Privacy Improvement	2023	979-8- 3503- 4616-9	3rd international conference on Advances in computingn, communication , Embedded and Secure systems (ACCESS)
15	Abhijit Salunke, Malhar Bangdiwala , Sakshi Mahadik	ML Based Retail Innovations: Virtual Fitting , Scanning and Recommendations	2023	979-8- 3503- 9763-5	second international Conference on Electrical , Electronics ,Information and communication Technologies (ICCEEICT)
16	Nataasha Raul , Meghana naik , Chetashri Mahajan , Traividya korgaonkar	mental health analysis using Deep Learning of social media Data Gathered using Chrome Extension	2023	979-8- 3503- 3575-0	4th international Conference for Emerging Technology (INCET)
17	N. Raul, R. Shankarmani and P. Joshi,	Static Keystroke dynamic authentication (SKDA) model to authenticate user during password change	2023	978-1- 6654- 6487-1	3rd International Conference on Smart Data Intelligence (ICSMDI),
18	Surekha Dholay , Manas Abhyankar , Yash Brid , Pranv Nair	Wikipedia Vandalism Predictor Using Sentiment analysis	2023	978-1- 6654- 7517-4	2023 international conference for Advancement in Technology (ICONAT)
19	Sudhir Dhage , Tejal Yadav , Vedant jolly , Mansi Dwivedi , Yash Patel	Bringing monochrome to life: A GAN -Based Approach to Colorizing Black and White images	2023	979-8- 3503- 3401-2	2023 IEEE International Conference for Convergence in Technology(I2CT)

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
20	Sudhir Dhage , Dipti Pawar	EEG-based covert speech decoding using random rotation extreme learning machine ensemble for intuitive BCI Communication	2023	-	Biomedical Signal Processing and control volume 80 - Science Direct
21	Dr. Kailas Devadkar	Healthcare Diagnostics Service Using Federated Learning	2023	978-1-6654-7517-4	International Conference for Advancement in Technology (ICONAT)
22	Dr. Rupali Sawant	Enhancing Charity Systems by Leveraging Blockchain Technology and Machine Learning	2023	979-8-3503-4842-2	2023 11th International Conference on Emerging Trends in Engineering & Technology - Signal and Information Processing (ICETET - SIP)
23	Dr. Rupali Sawant	Time Frame Analysis for Sentiment Prediction of Stock Based on Financial News using Natural Language Processing	2023	978-1-6654-5627-2	International Conference on Artificial Intelligence and Applications (ICAIA) Alliance Technology Conference (ATCON-1)
24	Prof. Sheetal Chaudhari	A Blockchain-Based Approach to Streamlining Land Registration using Hyperledger Fabric	2023	978-1-6654-7524-2	2023 International Conference on Emerging Smart Computing and Informatics (ESCI)
25	Prof. Sheetal Chaudhari	Sentiment Analysis of Human Speech using Deep Learning	2023	979-8-3503-3860-7	2023 3rd International Conference on Intelligent Technologies (CONIT)
26	Prof. Jignesh Sisodia	Respiratory disorder classification based on lung auscultation using MFCC, Mel Spectrogram and Chroma STFT	2023	978-1-6654-5627-2	INTERNATIONAL CONFERENCE ON ARTIFICIAL INTELLIGENCE AND APPLICATIONS (ICAIA-2023).

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
27	Prof. Jignesh Sisodia	Parkinson's Disease Diagnosis Using Deep Convolutional Neural Networks	2023	979-8-3503-3577-4	IEEE International Conference on Contemporary Computing and Communications (InC4)
28	Prof. Jignesh Sisodia	Brain Tumor Segmentation, Grade of Tumor and Survival Duration Prediction using Deep Learning	2023	978-1-6654-9099-3	International Conference on Signal Processing & Integrated Networks (SPIN 2023)
29	Prof. Swapnali Kurhade	Early detection of ADHD and Dyslexia from EEG Signals	2023	979-8-3503-3401-2	3rd International Conference on Electronics and Sustainable Communication Systems (ICESC)
30	Prof. Varsha Hole	Natural Language Processing based Math Word Problem Solver and Synoptic Generator	2023	978-1-6654-7971-4	Proceedings of the Third International Conference on Electronics and Sustainable Communication Systems (ICESC 2022)
31	Prof. Varsha Hole	Risk management using BiGan	2023	979-8-3503-4842-2	International Conference on Emerging Trends in Engineering and technology - Signal and Information Processing
32	Prof. Nikahat Mulla	Decluttering the Internet with Article Summarization, Classification, and Recommendation using Natural Language Processing	2023	979-8-3503-3936-9	2023 International Conference in Advances in Power, Signal, and Information Technology (APSIT)

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
33	A. Gokarn, K. Patni and S. Kulkarni	Semantic Segmentation for Land Cover Using Bhuvan 2D Satellite Images	2023	979-8-3503-2142-5	2023 5th International Conference on Inventive Research in Computing Applications (ICIRCA)
34	Amol Deshpande; Dayanand Ambawade; Hiten Bafna; Husain Challawala; Jai Damani	Blockchain based Skill Verification System	2023	979-8-3503-3360-2	International Conference on Sustainable Computing and Smart Systems (ICSCSS), Coimbatore, India, 14-16 June 2023
35	Amol Deshpande, Dayanand Ambawade, Mrityunjay Joshi,	Situational Portfolio Forecasting and Allocation with Deep-Learning Approach	2023	978-1-6654-5987-7	4th IEEE International Conference on Communication Systems, Computing and IT Applications (CSCITA-23), SFIT, Borivali, Maharashtra, 31st March 2023.
36	Dr. Pooja Raundale, Manasi Pandharkar	A Systematic Study of Approaches used to Address the Long Tail Problem	2023	978-1-6654-7703-1	2023 10th International Conference on Computing for Sustainable Global Development (INDIACom)
37	Pallavi Thakur, Vivishwan Dubey, Lovin D'Cruz	Depression Prediction from Combined Reddit and Twitter Data using Machine Learning	2023	979-8-3503-2092-3	IEEE 2nd International Conference on Innovation in Technology
38	Dr. Pooja Raundale	sentiment analysis of Human speech using deep learning	2023	979-8-3503-3860-7	3rd International conference on Intelligent Technologies
39	Dr. Nataasha Raul, Manvita Joshi, Chetashri Mahajan, Traividhya Korgaonkar, Meghana Naik	Mental Health Analysis using Deep Learning of Social Media Data gathered	2023	979-8-3503-3575-0	2023 4th International Conference for Emerging Technology (INCET), Belgaum, India,

		using Chrome Extension

40	Abhijeet Salunke, Malhar Bangdiwala, Sakshi Mahadik, Yashvi Mehta, and Dr Rita Das	Automated Library Management System using Face	2023	979-8-3503-3575-0	2023 4th International Conference for Emerging Technology (INCET), Belgaum, India
41	D.R.Kalbande, A.Majumdar, Dorik, Deshpande	Deep Learning approach for early diagnosis of jaundice	2022	979-8-3503-3575-0	ICICC 2022-International Conference on Innovative Computing and Communication (ICICC)
42	D.Kalbande, Ishita B, Sakshi K, Ojasa C	Performance Analyzer for Blue Chip Companies	2022	--	International conference on Data science and Artificial Intelligence, organized by Indian Institute of Technology, Patna in collaboration with NITIE
43	Sudhir Dhage, Sakshi Patil, Harshwardhan Pardeshi	Financial Portfolio Management and Optimization to Maximize Returns Using a Combination of HRP and Sentiment Analysis	2022	978-981-16-6407-6	Proceedings of the 2nd International Conference on Recent Trends in Machine Learning, IoT, Smart Cities and Applications
44	Sudhir Dhage, V. Jolly, R. Jain, J. Shah	Posture Correction and Detection using 3-D Image Classification	2022	978-1-6654-2577-3	2022 International Conference for Advancement in Technology (ICONAT), 2022
45	Dr. Preetida V-Jani, Prathamesh Bagekari, Raj Gorhekar, Afaan Ansari	Securing Blood Distribution Systems Using Blockchain	2022	978-981-19-2719-5	7th ICCET-2021

46	Jyoti Ramteke, C. R. Gajbhiye, Nikita Chitre, Namrata Bhorade, Pradnya Topale	Speech Emotion Recognition to assist Autistic children	2022	978-1-6654-9711-4	International conference on applied artificial intelligence and Computing ICAAIC 2022
----	---	--	------	-------------------	---

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
47	Nataasha Raul, Madhav Lahoti, Sanchit Gajam, Aditya Kasat	Music Recommendation System Based on Facial Mood Detection	2022	978-1-6654-1006-9	ICICICT-2022 (Third International Conference on Intelligent Computing Instrumentation and Control Technologies)
48	S. Ghane, A. Motwani, P. Patil, V. Nagaria, S. Verma	Soil Analysis and Crop Recommendation using Machine Learning,	2022	978-1-6654-2577-3	2022 International Conference for Advancement in Technology (ICONAT)
49	S, Kakad , Sudhir Dhage	Ontology construction and knowlege graph for cross domain unstructured text	2022	978-1-6654-2577-3	2022 2nd Asian Conference on innovation in technology ASIANCON
50	Sudhir Dhage , Akshat Bhat , Trusha Talati	Safe Routes Recomondation for drivers by Real Time Prediction of Accident Risk Scores	2022	978-1-6654-9365-9	Global conference on Computing, Power and Communication Technologies (Globe ConPT)
51	Sudhir Dhage , Naitik Jain , Samveg Shah , Ameya Ranade	Identification of Potholes using Yolov4 and Darknet	2022	978-1-6654-5046-1	International Conference on Futuristic Technologies INCONFT
52	Sudhir Dhage , Shashank Patel , Rucha Nargunde , Shobhit Verma	Summarisation and Simplification of Medical Articles using Natural Language Processing	2022	978-1-6654-5262-5	ICCNT-2022
53	Sudhir Dhage , Sulbha Yadav	Emergence of Capsule Network for Automatic Medical Disease Classification	2022	978-1-6654-6539-7	Sardar Patel Inter national Conference on Industry 4.0 Recent technology and Sustainability for 'Make in India' initiative

54	Anand Godbole, Jiten Sidhpura, Prshwa Shah, Rudresh Veer khare	FedSpam: Privacy Preserving SMS Spam Prediction	2022	--	international conference on Neural Information Processing ICONIP 2022
55	Siddhi Lahanage, Prachi Mehta, surekha dholay Prashansa Nalawade	investment recommendation System	2022	978-1-4799-4302-9	International conference on Emerging Trends & Innovation in Science, Engineering and Education

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
56	Surekha dholay, Bhargavi Poyekar, Rishita mote, Janhavi Shah	Face Recognition attendance for Online Classes	2022	978-1-6654-5262-5	ICCCNT- 2022
57	Surekha Dholay, Varun Magotra, Ebrahim irani, Vedant Mehta	news bias Detection Using Transformers	2022	--	International conference on Communication and intelligent Systems
58	anant V. Nimkar, Eshaan Asodekar, Arpan /Nookala	Deep Reinforcement Learning for Automated Stock Trading: Inclusoon of Short Selling	2022	--	International Symposium on Methodologies for intelligent systems
59	Abhijit Salunke, Adwait Hegde, Malhar Bangdiwala, Rutwik Chaudhari	using ML Model to Predict Points in Fantasy Premier League	2022	978-1-6654-6851-0	2022 2nd Asian Conference on innovation in technology ASIANCON
60	Abhijit Salunke, Keval dhanani, rohan shinde, Sahil chorghe	Doc-chain: A University document Verification Blockchain	2022	978-1-6654-2832-3	International conference on Blockchain and distributted systems ICBDS
61	kiran gawnade, Tanay Bagayatkar, Shivam Pawar, Vishal Salvi	Virtual Smart Canteen System	2022	978-1-6654-4940-3	International conference on Signal Processing, Informatics, communication and energy systems (SPICES)
62	Anant Nimkar, Samveg shah, Bhavya shah, shubham Thakar	Sign language to Text Conversion in Real time Using Transfer Learning	2022	--	internstional conference on Global conference Advanced Technology GCAT – 2022

63	Anant nimkar , Prachi KshirSagar	CDEF-: Cross domain Explanatory Framework for non- Overlapping Data	2022	978-1- 6654- 7988-2	IEEE World Conference on applied inrtelligence and computing
64	anant nimkar , Jay Mehta , Vaidehi Vatsaraj , Jainam Jain	Categorial Crime Rate Analysis and Prediction	2022	978-1- 6654- 5262-5	ICCCNT-2022

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
65	Sunil ghane , Pritam Rao , Ashutosh Naik , Chirag Rana	Segmentation of Nuclei using Transfromer base Architecyure	2022	978-1- 6654- 5262-5	ICCCNT-2022
66	Sunil Ghane ,Samveg shah , Mayur Telrandhe , Prathmesh Waghmode	Imputing missing values for DataSet of Used Cars	2022	978-1- 6654- 6851-0	2022 2nd Asian Conference on innovation in technology ASIANCON
67	Sunil Ghane , Smrithi agarwal , Malhar Bandiwala , Yashvi Mehta	Predicting success Rate of Startups using Machine Learning algorithms	2022	978-1- 6654- 6851-0	2022 2nd Asian Conference on innovation in technology ASIANCON
68	Sunil Ghane , Mushrifah Hasan	Data Driven Depression Detection Systems for Textual Dat on Tweeter using Deep Learning	2022	978-1- 6654- 6851-0	2022 2nd Asian Conference on innovation in technology ASIANCON
69	Pramod Bide , Prachi Mehta , Rushikesh gholap , Harshwardhan Pardeshi	Forecasting of Electricity Load and management for specific Locality	2022	978-1- 6654- 7719-2	2022 international Conference on interdsiciplinary Approaches in Technology and management for social innovtion IATMSI
70	Pramod Bide, Varun , Gaurav Patil , Samveg Shah , Sakshi Patil	Fakequipo: deep Fake Detection	2022	978-1- 6654- 6855-8	2022 IEEE 3rd Global Conference for Advancement in Technology (GCAT)

71	Pramod bide , Lahange Siddhi , Nalawade Prashansa	Computer Vision Techniques in Autonomous Vehicles : A survey	2022	--	4th International Conference on Communication & Information Processing (ICCIP) 2022
72	Pramod Bide , Smit Thakre , , Rahul Tandel , Omkar Padir	Deepfake in an Image Using Deep Learning	2022	--	4th intwrnational conference on Communication and Information Processing (ICCIP 2022)

Sr. No	Name of the Teacher	Title of the Chapters published	Year of Publication	ISBN number	Name of the publisher
73	Pramod Bide , Mithi Dani , Sakshi Patil	Video Feature Tagging and Real Time Feature Searcch	2022	--	3rd International Conference on Recent Trends in Communication & Intelligent Systems (ICRTCIS 2021)
74	Prasenjit Bhavthankar , Madhur Rajadhyaksha , Neha Lakhani ,	Music Generation with Bi-Directional Long short Term Memory Neural Networks	2022	978-1- 6654- 5262-5	3rd International Conference on computing Communication and Networking Technology (ICCCNT)
75	Prasenjit bhavthankar , Smrithi Agrawal , Karen Castelino , Jeenal Mehta	EfficientNet-B3 and Image Processing for Monkeypox Detection using Skin Lesion images	2022	978-1- 6654- 5499-5	International conference on Smart Generation Computing, Communication and Networking (SMART GENCON)
76	Prasenjit Bhavthankar , Kristen Pereira , Arjun Pansare	Progressive Web Application for Plant Disease Detection using CNN	2022	978-1- 6654- 7719-2	IEEE conference on interdisciplinary approaches Technology and Management for Social Innovation (IATMSI)

Patents Granted (Total 05)

- 1 Dr. B. N. Chaudhari received Indian Patent Grant for the Patent titled, “An Outer Rotor Permanent Magnet Polyphase Transverse Flux Machine”
- 2 Dr. B. N. Chaudhari received Indian Patent Grant for the Patent titled, “An Outer Rotor Hybrid Excited Polyphase Transverse Flux Machine”
- 3 Dr. D. R. Kalbande received Indian Patent Grant for the Patent titled “Grant Auto Walas: an App for Vehicle Management”
- 4 Dr. Kalbande Dhananjay Ramrao, Mrs Asha received Indian Patent Grant for the Patent titled “Architecture for Predicting Malaria and Dengue Incidence.”
- 5 Dr. D. R. Kalbande received Indian Patent Grant for the Patent titled “Big Data Architecture for Predicting Malaria and Dengue Incidence”

Patents Published (Total 08)

- 1 Dr. Sudhir N. Dhage , Shital Kakad Published a Patent titled “Semantic Web Rule Based Student Placement Ontology For Intelligent Information Retrieval ”
- 2 Sudhir Namdeorao Dhage, Pawar Dipti Rohan, Pawar Rohan Subhash Published a Patent titled “Neural Signals Based Silent Speech Decoding System”
- 3 Dr. Sudhir N. Dhage , Shital Kakad Published a Patent titled “Semantic Information Retrieval Using Bio-Inspired Optimization Based Ontology Construction”
- 4 Dr. Aarti milind Karande, Dr. Alpana Dey, Ms Anvita Dey, Dr. Sonali Vyas, Dr. Ajay Lala, Dr. Jayprakash Upadhya published a Patent titled “Smokless Camping Stove Based on Internet of Things”
- 5 Deshpande Priya, Kasambe Prashant, Kadam Prathamesh, Makwana Dhvanik, Kamtekar Suraj, Dedhia Fenil, Kadam Namita, Mukherjee Shrutiman published a Patent titled “Photographic Recognition for The Visually Impaired”
- 6 Rathod Surendra, Kalbande Dhanajay published a Patent titled “AI Powered Single Switch Based Remote Healthmonitoring System for Elderly”
- 7 Gohildarshan, Aralikatti Akhilesh, Halder Riya, Talele Kiran published a Patent titled “System and Method for Generating Intelligent Responses with a Speaker”
- 8 Talele Kiran, Parasnis Guruprasad, Gadgil Tanmay, Bhope Rajas, Joshi Aarnav and Kanhere Shubham published a Patent titled “Real-Time Obstacle Detection And Response System For Safer Driving”

FACULTY ACTIVITIES

In our institute, very innovative techniques and tools were made to use by faculty to have no negative impact on student’s schedules. One of the powerful tools is the innovation of “Virtual Lab” that has assisted to conduct hands-on laboratory sessions as if it is done in off-line mode. So many such innovative teaching learning practices have been implemented by faculty. Also, to be with the modern and recent trends in the technology, they have participated in various faculty development programs, webinars, workshops, tutorials, etc. To impart technological knowledge to society, many workshops and short-term training programs were also conducted by faculty. The detailed report of each department has been exhibited.

Faculty Development Programs, Workshops and Tutorials

Name of the Faculty	Type of Program (Professional Development Programmes, Orientation/Induction Programmes, Refresher Course, Short Term Course)	Duration (in No. of days)	start Date and end date	Name of the Organising Institution
Dr. Pooja Raundale	One Day State Level Conference on Accreditation: The Way Ahead organized by , held on 11th November, 2022.	1	11/11/2022	University of Mumbai in association with Rashtriya Uchchatar Shiksha Abhiyan (Maharashtra) under UGC, HRDC, University of Mumbai
Harshil Kankia	Institutional Building Leadership for Academic Excellence in Higher Education (Online + Offline)	12	5/12/2022 to 16/12/22	Sardar Patel Institute of Technology
Nikhita Mangaonkar	Two weeks Refresher Course Multidisciplinary - Innovative Teaching ,Assesment and Evaluation	15	21/3/23 to 04/04/23	Pillai College of Arts, Commerce & Science (Autonomous) and Guru Angad Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) of Ministry of Education.
Name of the Faculty	Type of Program (Professional Development Programmes, Orientation/Induction Programmes, Refresher Course, Short Term Course)	Duration (in No. of days)	start Date and end date	Name of the Organising Institution
Pallavi Thakur	Advanced Excel with Data Visualization	5	13/2/23 to 17/2/23	E & ICT Academy,IIT Kanpur
	Stress Management, Art of Living and Effective Communication Skills"	12	14/11/23 to 25/11/23	Sardar Patel College of Engineering Mumbai
Dr. Aarti Karande	Research Grant Writing Workshop	2	23/2/23 to 24/2/23	IIT Gandhinagar
	Quantum computing using indigeous quantum Simulator Qsim	23	6/5/23 to 28/5/23	CDAC Hyderabad

Sakina Shaikh	one week course of basics of IPR by turnip solutions	7	26/9/22 to 2/10/22	online by Turnip solutions
Prof. Payal Shah	Yoga and Positive Psychology for Managing Career and Life		23/02/23 to 8/04/23	NPTEL
Prof. Priya Deshpande	Designing and Modelling of IOT, AI and ML systems organised by ATAL academy, ARM education and ST Microelectronics	6	1/08/22 to 5/08/22	ATAL academy, ARM education and ST Microelectronics
Govind Haldankar	Electric Vehicles Part 1 (NPTEL IIT M)		25/01/23 to 8/02/ 23	NPTEL
	Electrical Machines II (NPTEL IIT K)		25/01/23 to 02/04/23	NPTEL
Dr Reena Sonkusare	Institutional Building-Leadership for Academic Excellence in Higher Education conducted under	16	5/12/22 to 10/12/ 22 & 12/12/22 to 16/12/22	AICTE ATAL academy
	Introductory course on Internet of Things	5	5/06/23 to 9/06/23	TIH - IIT Bombay

Name of the Faculty	Type of Program (Professional Development Programmes, Orientation/Induction Programmes, Refresher Course, Short Term Course)	Duration (in No. of days)	start Date and end date	Name of the Organising Institution
Prof. Kiran Gawande	Data Analysis with MySQL	5	29/05/23- to 02/06/23	NSS-IIT Rorkee
	Innovative Teaching Learning Pedagogy	5	27/05/23 to 31/05/ 23	Reserch Foundation of India
	Demystifying deep Learning	5	2/01/23 to 6/01/23	Fr. C. Rodrigues Institute of Technology, Vashi

	Development Program On "Amazon Web Services",	6	22/08/22 to 27/08/22	Army Institute of Technology in collaboration with Brainovision Solutions India Pvt.Ltd & All India Council For Technical Education - AICTE
	Development in the light of NEP 2020	12	08/08/22 to 19/08/22	AICTE/UGC
	Applied Deep Learning in Healthcare Data Analysis [MRI Data, CT SCAN data, COVID 19 XRAY data	15	19/07/22 to 03/08/22	Eduxlabs in Association with Mechanica IIT Madras.
Prof. Reeta Koshy	Entrepreneurship Development in Academic Campus	5	20/06/22 to 24/06/22	ATAL FDP
	Amazon Web services	6	22/08/22 to 27/08/22	Army Institute of Technology
	End to End Data Science Product Development	5	5/12/22 to 9/12/22	NIT ,Warangal
Prof. P. V. Kasambe	Entrepreneurship Development in Academic Campus	5	20/06/22 to 24/06/22	ATAL FDP
	Advancement in Material Processing Technologies	5	9/08/21 to 13/08/21	IIT B

Name of the Faculty	Type of Program (Professional Development Programmes, Orientation/Induction Programmes, Refresher Course, Short Term Course)	Duration (in No. of days)	start Date and end date	Name of the Organising Institution
Prof. Najib Nisar Ghatte	"Digital VLSI Design and Verification"	5	23/08/21 to 27/08/21	CoreEL Technologies and Mentor
	Faculty Development Program (FDP) under AICTE Training & Learning (ATAL) Academy on "IoT: A Journey from Sensor to Server"	5	4/01/22 to 8/01/22.	AICTE

Prof. Manisha Bansode	Faculty Development Program On Advanced Research Methodology Applicable in New Education Policy	7	22/06/22 to – 28/06/22	ATAL FDP
	National Level Personal Development Program on “Achieving Excellence through Self Awareness: Upbeat your Life Skills”	5	26/06/22 to 30/06/22	NPTEL
Prof. Priya Deshpande	AICTE Training and Learning (ATAL) Academy Online Elementary FDP on "Embedded Design and Development using Free / Open Source Tools"	5	9/08/21 to 13/08/21	ATAL FDP
Prof. Priya Deshpande	AICTE Training And Learning (ATAL) Academy sponsored Online Elementary FDP on "Elements of FEM"	5	26/07/21 to 30/07/21	ATAL FDP
Dr. R. G. Sutar	ATAL IDEA Lab Advanced FDP on “Electronic System Design”	7	21/07/22 to 27/07/22	ATAL FDP
	Machine Learning for Data Science	7	Aug to Sept 2021	NPTEL
Prof, Kailas Devadkar	AI and Machine learning with Python	16	18/04/23 to 3/05/ 23	NPTEL

Faculty Recognitions and Awards

Sr. No	Name of the Faculty	Details of the Achievements/Award	Name of the Central government agency/international agencies from where award has been received
1	Dr. Rajendra Sawant, Dr. Y. S. Rao	Successfully completed Consultancy Project worth Rs. 4.5 Lakh.	General Auto Electric Co.
2	Dr. Reena Sonkusare, Dr. Rajendra Sawant and Prof. Priya Deshpande	Received a consultancy Project of Rs 3.5 lakh for development of Smart Energy Meter	KPEC Engineers & Contractors Private Limited, Mumbai
3	Dr. B. N. Chaudhari, Dr. Y. S. Rao and	Received IDEA LAB Research Grant worth Rs. 15 Lakh	AICTE, New Delhi

	Dr. R. Kalbande		
4	Dr. Rajendra Sawant and Prof. Darshan Sankhe, and Ph.D Scholar	Received a grant of 6.5 Lakh from DST Nidhi Prays for the project titled "Digitally Controlled Resonant Power Supply"	DST Nidhi Prays, New Delhi
5	Dr. B. N. Chaudhari, Dr. Rajendra Sawant	Received financial support @70. 20 Lakh comprising DST share of Rs. 60.70 Lakh and an Industry Share of Rs. 9.5 Lakh for the project titled "Design and Development of a Fully Automated Pressure and Vacuum Controlled Precision Induction Casting Machine" under Trainer Development Programme (TDP)	DST, New Delhi
6	Dr. Sujata Kulkarni and Prof. K. T. Talele	Received a Provisional Grant of USD 25,000	Distributed Sensor Technology and Education Initiative (DSTEI) R10 Region for the project on Smart Drone to IEEE-AESS Student Branch.
7	Dr. Sujata Kulkarni	Received Grant of USD250	IEEE-AESS student Chapter.
8	Dr. Surekha Dholay	Received Best Paper Award for the Paper titled "Deep Learning Model for Pothole Detection and Area Computation"	ICCICT-2022

Sr. No	Name of the Faculty	Details of the Achievements/Awards	Name of the Central government agency/international agencies from where award has been received
1	Dr. Sujata Kulkarni	Publication Grant	(postdoctoral) Research center of Swami Ramnandtheerth Marathwada University, Nanded.
2	Dr. Pooja Raundale	AICTE ATAL FDP "Institutional Building: Academic Leadership for Excellence in Higher Education" Grants of 3 Lakh	AICTE ATAL

3	Dr. Sudhir Dhage	Best paper award for the paper entitled 'Multiclass classification of Histology Images of Breast cancer Hybrid Deep Learning approach'	ICEI 4.0-2022.
4	Dr. Sujata Kulkarni	grant for sponsored one week faculty development program (Capacity Building program) on "Blockchain Technology: Future of Cybersecurity for 2023.24.	IEEE Bombay Section
5	Dr. Narendra Bhagat	Best Paper Award	7th International Conference ICIRTE 2022, Vasantdada Patil Pratishathan's College of Engineering and Visual Arts, Mumbai
6	Dr. Rajendra Sutar	Best Project Award at ATAL IDEA Lab Advanced FDP on "Electronic System Design"	K.S. Rangasamy College Of Technology (Autonomous) Tiruchengode – 637 215. Namakkal Dt. Tamil Nadu, INDIA.
7	Prof. Priya Deshpande	Best Project Award for the Project titled "Structural Monitoring of Road Conditions"	"The Inventors Challenge-2022" Arm Education and STMicroelectronics with support from AICTE's Training and Learning Academy (ATAL), New Delhi.
8	Prof. Pallavi Nair	Best Paper award	IEEE MTTs APS-MAPCON conference at Bangalore.

Outreach Activities

Outreach activities are meant to engage a large audience and to bring knowledge and expertise on a particular topic to the general public. Outreach activities can take several forms, such as institute presentations, workshops, public talks and lab visits, etc.

Outreach activities include visiting other institutes, giving talks at assemblies, discussions with students, or participation in events such as career fairs and science and technology camps. The institute constantly encourages these activities for each faculty that includes to be a part of various academic committees at various levels in the state universities. These activities are the major contributing factor for the branding of an institute. Several such activities are presented as a detailed report for various departments.

SEVA SATVA

LLC - Life, literature and culture

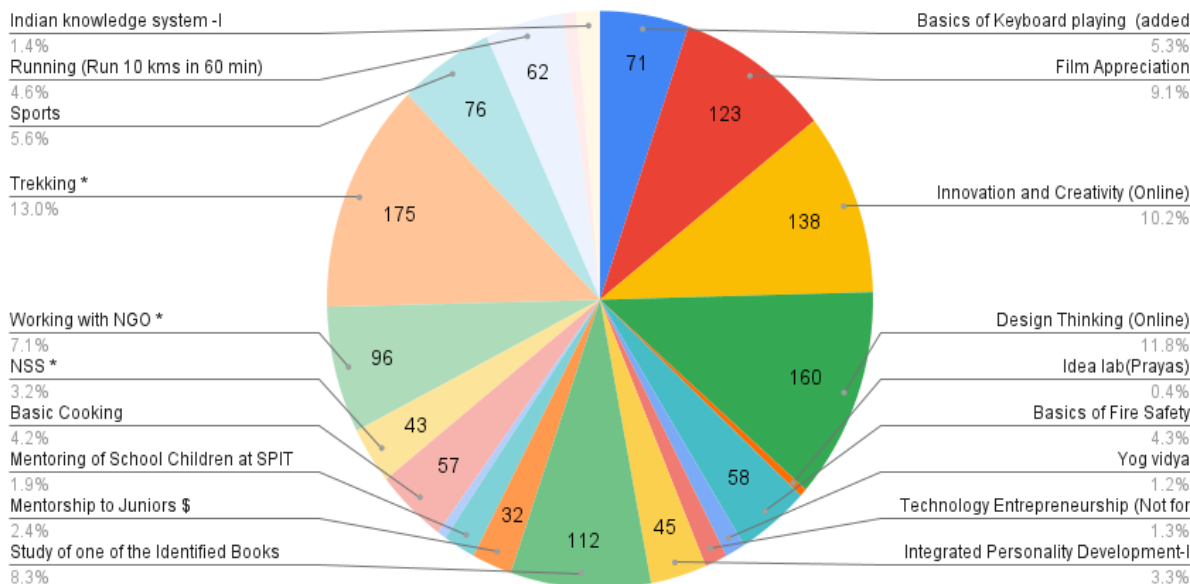

Holistic development of the learner giving exposure to the various courses under humanities, literature, life skills, culture, natural sciences, health, agriculture, environment, etc, nurturing the hobbies, connecting with society, reducing stress by studying other things, are the broad objectives of this experiment. Faculties are appealed to think, conceptualise, design, and suggest mini courses of 1 credit (ensuring 30-40 hours of work by students) for possible inclusion in the list of approved courses under “Social Empowerment through Various Activities” (SEVA) / Self Accomplishment through Various Activities” (SATVA) umbrella. The indicative list of SEVA/SATVA courses is prepared in articulating the said structure. We have introduced the SEVA/SATVA courses in our curriculum. These are a sort of liberal learning courses in various domains such as Art and Culture, Physical and Sports, Spiritual and Philosophical, Innovation-Entrepreneurship-Leadership, Social Connect and Giving back to society. Earlier, this was available at SPIT to some extent, in the form of Life Skill Courses. Interestingly this fits perfectly in the NEP philosophy being deliberated and scheduled for implementation by 2030. During the pandemic we could not offer these courses in the spirit. Now, since the institute has resumed the in-person T-L-E process, a systematic and serious implementation of SEVA/SATVA courses is the need of time. We are offering several courses including running, skipping and basic cooking. Many of which will take place in offline mode. Besides these, few self-study courses will also be offered. We open this basket to students. Some courses may get dropped. Every semester @ 1500 students will enrol for more or less @ 25 such courses. Mostly external experts/mentors will be invited to teach/mentor for these courses. Implementation of this demands careful and sincere management efforts. For most of the courses, instructors are identified, and internal coordinators are given. It is envisaged that a team of faculty members for each course may be sufficient to manage this effectively with one coordinator at institute level. It is a new and challenging experiment and may have an interesting impact on education. Though we have named these courses as SEVA/SATVA courses in our curriculum we will formally change it to LLC (Liberal Learning Courses). We shall try to offer diversified LLC on LLC (Life, literature, and culture). We can tag it as, "We offer LLC on LLC, at SPIT.". This is a tiny step towards holistic development of the learners, and us too in this process. We all have joined hands to make this a fruitful exercise, truly successful with the motto let us experiment, let us learn...

Internship

Internship: Industry Interaction for Training

S.P.I.T. offers a unique, flexible, globally competent curriculum aiming for holistic development of learners. New and updated curriculum under autonomy provides flexibility for Semester Long Internships. The new curriculum caters to industry expectations in India and the world. This ensures students learn state of the art technologies and are therefore easily absorbed in the industry. The syllabus also offers students to complete a six-month internship, even before graduating. This gives students industry experience, along with theoretical learning in classrooms. The holistic development is targeted through several open electives, humanity electives etc. An optional semester long industry internship/research internship is another strong feature of this program.

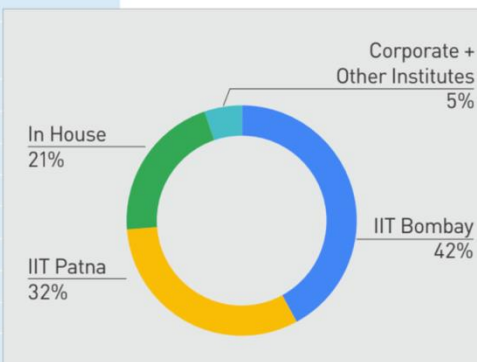

Internship details

Different inhouse and outsourced industry training programs are regularly arranged to bridge the gap between Industry and Academia and to make the student industry ready with various cutting-edge technologies. Internships for students: Our Institute encourages the students to take the internship at various companies and organisations. The Placement cell provides all necessary help to give internship support to all interested students.

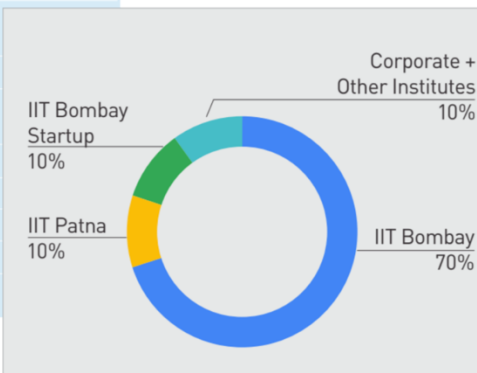

Department of Information Technology

No.	Name	Internship Organization
1	Anmol Chokshi	IIT Bombay
2	Aryan Gwalani	IIT Bombay
3	Vansh Jain	IIT Bombay
4	Kaustubh Kachare	SPIT (In-house) under Prof. Narendra Bhagat
5	Dhruv Khut	IIT Patna
6	Aaditya Prashant Mehar	IIT Bombay
7	Siddhant Meshram	Autobuddys
8	Sahil Nawale	IIT Patna
9	Adish Padalia	IIT Bombay
11	Abhishek Pai	IIT Patna
12	Atharv Raotole	IIT Patna
13	Kaival Shah	IIT Patna
14	Mirat Shah	IIT Bombay
15	Tanish Shah	IIT Bombay
16	Dhruvi Sheth	SPIT under Dr Pooja
17	Sailee Shirodkar	IIT Patna
18	Rahul Shukla	IIT Bombay
19	Ayush Singh	J.P. Morgan Chase
20	Bhavisha Sondagar	SPIT under Dr Pooja

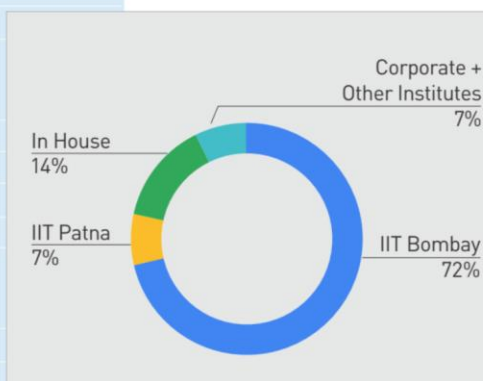

Department of Electronics Engineering

No.	Name	Internship Organization
1	Bhagwat Atharav Rajendra	IIT Bombay
2	Rajas Bhope	IIT Bombay
3	Samuelson D'souza	Electrical Engineering dept. of IIT Bombay
4	Tanishq Khairnar	IIT Patna
5	Neeraj Kokane	Haldex Anand India Pvt. Ltd. (R n D)
6	Arpit Sanjay Patil	IIT Bombay
7	Devashish Rairikar	IIT Bombay
8	Nidhi Samant	IIT Bombay
9	Nikhil Saraf	IIT Bombay
10	Chirag Vidyut Vasani	Acuradyne (IIT Bombay)

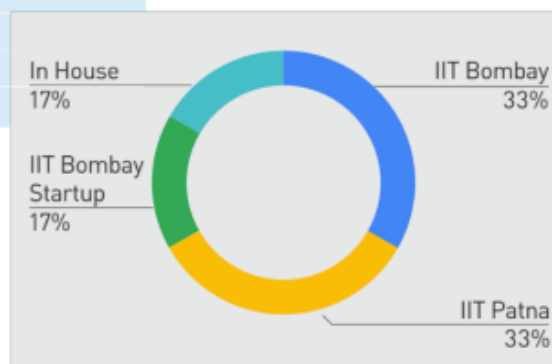

Department of Electronics and Telecommunications Engineering

No.	Name	Internship Organization
1	Harish Balasubramanian	IIT Bombay
2	Atharva Chaudhari	IIT Bombay
3	Janhavi Dangle	IIT Bombay
4	Tanmay Gadgil	In-house internship under Prof. Rajendra Sawant
5	Aarnav Joshi	IIT Patna
6	Sarthak Kambli	IIT Bombay
7	Aditya Charudatta Kulkarni	IIT Bombay
8	Guruprasad Parasnis	IIT Bombay
9	Monish Rane	In-house internship under Prof. Rajendra Sawant
10	Rushikesh Sangole	IIT Bombay
11	Kunal Thakur	Inter-University Centre for Astronomy and Astrophysics, Pune
12	Vrushali Varude	IIT Bombay
13	Mitali Sudhir Sherkhane	IIT Bombay
14	Rina Prakash Pachkale	IIT Bombay

Department of Computer Engineering

No.	Name	Internship Organization
1	Shreyash Dhamane	Skinzy
2	Pratik Pujari	Acuradyne Systems (IIT Bombay)
3	Aaryan Purohit	IIT Patna
4	Omkar Rane	IIT Bombay
5	Krish Shah	IIT Patna
6	Trisha Shishodiya	IIT Bombay

Industry Internship

- 226 B. Tech students across all the branches undergone 6 Months Industry internship.
- Out of these 3 students namely Noman Khan, Ursha Koshti, and Amal Thundiyl undergone industry internships at Zomato, Bardays London and Bloomberg respectively.

Research Internship

- From Computer Engineering, 3 students interned at IIT Bombay, 2 at IIT Patna, 1 In House and 10 at various companies and institutes.
- From IT, 8 students interned at IIT Bombay, 6 at IIT Patna, 3 In House, and 2 at various companies and institutes.
- From Electronics and Telecommunication Engineering, 7 students interned at IIT Bombay, 1 at IIT Patna, 2 In House, and 1 at various companies and institutes.
- From Electronics Engineering, 8 students interned at IIT Bombay, 1 at IIT Patna, and 1 at various companies and institutes.
- Out of which a team of 4 students are undergoing research internship under Dr. V. M. Gadre, Electrical Department at IITB on the project titled “Contactless Biometry”. This team has signed MoU with Govt. of India UIDI for AADHAR Card and is also selected by NCETIS, an organization at IITB which works closely with Govt security agencies like BSF, BPR, etc has selected this work. Moreover, a team is also ready with the patent for publication.
- A second team of 3 students Aniket Nadkarni, Prabhat Kumar, and Tirth Patel worked under Dr. Fernandes, Electrical Engineering Department, IITB on the project titled “Solid State Transformer” has received the best Project award at Exhibition organized by IEEE, Germany.
- A third team of 4 students Bhagwat Atharv, Tanish Shah, Rushikesh Snagole, and Vrushali Varde are undergoing research internship under Dr. V. M. Gadre, Electrical Department at IITB on the project titled “ECG” have received publications in IEEE Transactions.

Placement

The Training & Placement Department of Sardar Patel Institute of Technology has been in the forefront of activities, bringing corporate close to the campus and encouraging them to establish facilities to cater to the needs of the students. It plays a pivotal role in counselling and guiding the students for their successful career, which is a crucial interface between the stages of completion of academic programs of the students and their entry into the job market. Its aim is to provide career guidance and placement opportunities to all students studying in the institute. The Training and Placement Department arranges and coordinates various programs that aim at moulding the students to meet the industry expectations in their career building and in turn bring laurels to the parent institution. The department sincerely believes in imparting comprehensive training to the students to face the challenges of the dynamic and demanding job market and build a successful career for themselves.

Career Guidance & Training Programs

After a 2-year hiatus caused by the COVID-19 Pandemic, Career Guidance and Training Programs for students resumed and operated in full swing. In the year 2022, students were first exposed to valuable knowledge about the industry and the placement process through various sessions with alumni in big companies like Amazon, Meta and PhonePe, and a Career Day organized by Ugam, one of our esteemed associates.

Sr. No	Session	Dates	Speakers/Organisers	Description
1	SPJIMR Fintech session	10/11/2022	Dr. Manoj Mohan	The session covered the Scope of FinTech in the Job industry
2	PhonePe	25/11/2022	Shubham Goel, Siddharth Mohanty, Param Patil, Akash Yadhav	The students selected in PhonePe's Placement Process were interviewed.
3	Offcampus Session with CSI	28/11/2022	CSI SPIT X TPO	Alumni who cleared the recruitment rounds of companies like Amazon and Meta were invited to give insights into their achievements
4.	UGAM Career Day	2/12/2022	UGAM Company	Representatives presented Information regarding the company and the job roles for students

Sr. No	Session	Dates	Speakers/Organizers	Description
1	Mock Interviews	4/2/23 to 12/2/23	BES as panellists/TPO	Mock interviews of TE students were conducted to give them the experience, practice, and feedback that will help them do well in a real interview
2	Nomura session	10/2/23	Nomura/TPO	Session conducted by company delegates to give an insight into the functioning of Nomura and about the skill set that they expect in their future candidates. Also solved student's queries regarding placements in general.
3	Placement Guidance Session	11/2/23	Gaurav Panchal & Swapnil Mandavilli /TPO	Included insights about required skill sets one must have for technical and non technical roles, learning programming languages and DSA and resume building tips.
4	JPMC Non-tech roles	17/2/23	Pujan Soni, Niharika Mehta, Shubham Hule, Sruthi Shivaramakrishnan /TPO	This session familiarized students about the non-tech roles, skills required, recruiting process in JPMC
5	Deutsche Bank Session	24/2/23	Deutsche Bank/TPO	This session provided guidance in technical and soft skills to students preparing for upcoming job interviews.
6	JPMC Guidance Session	28/3/23	Amogh Godbole and Ayush Singh	Overall the session was informative and helped participants to prepare for the JPMC CFG contest and increase their chances of success.

List of Students Placed for 2022-23 Batch

UG Placements

Computer Engineering

Sr. No	Name of student placed / enrolling into higher education and contact details	Program graduated from	Name of the employer with contact details (in case of placement) / Name of institution joined (in case of progression to higher education)	Pay package at appointment (In INR per annum) (applicable for students who got placement) / Name of program admitted to (applicable for students who progressed to higher education)
1	Sejal Gurkhe	Computer Engineering	43AppMart	10
2	Netal Pankaj Asawa	Computer Engineering	5paisa	10
3	Vivek Jayaram Poojari	Computer Engineering	5paisa	10.1
4	Satyam Mukesh Rai	Computer Engineering	5paisa	10.1
5	Omkar Suresh Padir	Computer Engineering	Axis Bank	7.2
6	Adwait Hegde	Computer Engineering	Barclays	12.3
7	Soham Belurgikar	Computer Engineering	Barclays	12.3
8	Harshad Chandrakant Banate	Computer Engineering	Barclays	12.3
9	Laxmikant Kasat	Computer Engineering	Barclays	12.2
10	Mayur Ganesh Telrandhe	Computer Engineering	Barclays	12.3
11	Darsh Brijeshbhai Lakhwani	Computer Engineering	Barclays	12.3
12	Aryan Jiten Dhami	Computer Engineering	Barclays	12.3
13	Keval Rajesh Dhanani	Computer Engineering	Barclays	12.3
14	Atharva Vijay	Computer Engineering	Barclays	12.3
15	Vishal Fulchand Tonde	Computer Engineering	BDO India	8
16	Ashish Kishor Rajguru	Computer Engineering	BNP Paribas	6

Sr. No	Name of student placed / enrolling into higher education and contact details	Program graduated from	Name of the employer with contact details (in case of placement) / Name of institution joined (in case of progression to higher education)	Pay package at appointment (In INR per annum) (applicable for students who got placement) / Name of program admitted to (applicable for students who progressed to higher education)
17	Vatsa Vinod Nagaria	Computer Engineering	Creding Technologies	12
18	Himanshu Dhananjay Vatari	Computer Engineering	Deloitte	6
19	Malhar Viral Bangdiwala	Computer Engineering	Deutsche Bank	11
20	Arbazahmed Maqsoodahmed Addewala	Computer Engineering	Deutsche Bank	15

Summary of Students Placements

- 1 In spite of the post pandemic scenario in the AY 2022-23, we saw a good number of companies visit and students placed.
- 2 28 Super Dream Companies visited and 123 Students Placed
- 3 9 Dream Companies visited and the number of students placed was 25
- 4 20 Elite Companies visited and Students Placed 93
- 5 The average CTC offered was 15 Lakh, and the Median CTC offered was 12 Lakh, which highlights illustrious S.P.I.T. performance.

IEEE Events

1. Aarambh (23rd December 2022):

To kick off the tenure, IEEE S.P.I.T had organized an icebreaker session in collaboration with IEEE AEES, aimed at welcoming the incoming batch of first-year students and helping them adjust to the new college atmosphere. The event included a series of engaging games that fostered a fun and inclusive environment for all the attendees. Active audience participation was a hallmark of the event. The event was a resounding success, with students from different branches working together in a collaborative manner to tackle the games and challenges presented to them.

IEEE SPIT ANNUAL REPORT 2022-23

2. Webinar on Blockchain (24th January, 2023):

IEEE S.P.I.T organized an informative session for the students of S.P.I.T on the latest technological advancements in the field of Blockchain. Esteemed guest speakers, Mr. Aman Bandvi (Co-founder of India Blockchain Alliance) and Kuldeep Dubey (Founder of Damacloid, Co-Founder & CTO of Assurekit), shared their extensive knowledge and experience on the subject, simplifying the concept of Blockchain and highlighting its present impact and future potential. The session shed light on the emerging trends in Blockchain and the role it plays in shaping the future.

3. Webinar on Tackling placements (20th February, 2023):

IEEE S.P.I.T organized another insightful webinar to address attendees' queries about placements and studying abroad. The session featured S.P.I.T Alumnus, Akshay Jain, a Software Engineer at Stripe, who shared his experiences working in the industry and studying abroad. Akshay cleared the doubts of students and provided valuable insights into the placement process. He also shared his personal experiences and offered advice on how to succeed in the industry and abroad. The informative session provided attendees with a better understanding of their future career prospects and helped them prepare for success.

IEEE SPIT ANNUAL REPORT 2022-23

4. Webinar on GSOC (18th March, 2023):

IEEE S.P.I.T organized an interactive session to address student queries about the Google Summer of Code program. Attendees interested in applying received insights into the application process, preparation timeline, and opportunities that participating in GSOC provides. Esteemed guest speakers, Aniket Pal (GSOC Mentor at IHR, Ex-Barclays intern) and Avinash Kumar (GSOC mentor and Graduate analyst at Deutsch bank), shared their personal experiences and candidly answered all the questions posed by the audience. The informative session was highly interactive, allowing students to better understand the GSOC program and learn from experienced professionals in the field.

IEEE SPIT ANNUAL REPORT 2022-23

5. Innovation Cup'23 (27th March, 2023 Round 1 – 8th April, 2023 Round 2):

A Hardware competition in collaboration with ESA S.P.I.T focused on promotion of social entrepreneurship, giving students from all over India the platform to showcase their innovative ideas in various domains like healthcare, agriculture, women safety, transportation, etc. The competition was a great success, with participants submitting their abstracts and presenting their ideas. The event provided a valuable opportunity for students to share their ideas and promote social innovation, contributing to a better and creative use of technology for the future.

IEEE SPIT ANNUAL REPORT 2022-23

6. Peripherathon (20th April, 2023 Round 1 – 7th May, 2023 Last Round):

PERIPHERATHON'23 was a flagship event organized by Idealab S.P.I.T in collaboration with ESA S.P.I.T and IEEE S.P.I.T. The event aimed to provide a platform for participants to showcase their innovative skills and develop solutions to real-world problems using AI and IoT.

Participation and Rounds:

A total of 60 teams participated in Round 1 of the competition. During this round, teams presented

their abstracts along with hardware requirements and budget. Out of the initial 60 teams, 20 teams were shortlisted to proceed to Round 2.

In Round 2, the shortlisted teams were tasked with solving a problem statement and designing a final prototype. They utilized their skills in AI and IoT to create innovative solutions in various domains such as healthcare, agriculture, transportation, and more.

Awards and Recognition:

The competition awarded prizes in two formats. The first format included cash prizes for the winning teams, recognizing their outstanding performance and innovative solutions. The second format was the patent prize, where the college would reimburse the costs of the product after it gets patented. This unique opportunity encouraged participants to explore the potential for intellectual property protection and commercialization of their ideas.

IEEE SPIT ANNUAL REPORT 2022-23

7. Codehunt (29th April, 2023):

IEEE S.P.I.T in collaboration with Algozenith organized a competitive coding competition, open to students from all over Mumbai, an excellent opportunity for students to enhance their problem-solving skills and compete with peers and engage in a college-wide treasure hunt.

Details: The competition kicked off with an exciting treasure hunt, adding a fun and interactive element to the event. Participants were required to follow a series of clues and solve puzzles to ultimately unveil the problem statements. These problem statements were specifically tailored by the Algozenith team to challenge and test the participants' coding skills and problem-solving abilities. After the treasure hunt, the competition progressed to the coding round. Participants were given a set amount of time to solve the problem statements that were revealed at the end of the hunt. These problem statements were designed to cover various aspects of algorithmic and data structure challenges, providing participants with a comprehensive coding experience. As the coding round concluded, a special guest session featuring Mr. Vivek Gupta was arranged. Mr. Gupta is a highly accomplished software engineer currently working at Google. He also achieved the prestigious title of ICPC World Finalist in 2020, showcasing his exceptional skills in competitive programming. In addition to his professional achievements, Mr. Gupta is also a popular competitive programming YouTuber, sharing his knowledge and insights with a wide audience. During the guest session, Mr. Gupta shared his experiences, insights, and tips for excelling in competitive programming. Participants had the opportunity to learn from his expertise and ask questions related to coding, problem-solving, and the competitive programming scene. This session added value to the competition, providing participants with inspiration and guidance from a successful professional in the field. Overall, the Algozenith competition combined elements of treasure hunt, coding challenges, and a guest session to create an engaging and enriching experience for participants. By modifying the format and incorporating diverse activities, we ensured an event that not only tested participants' coding skills but also provided valuable learning opportunities and inspiration for their future endeavors.

CSI

Description of Events:

Code Housie 2023

To mark the beginning of its new term of 2022-23, C.S.I S.P.I.T. organized “Code Housie”- a purely coding-based event that inculcated the rules and pattern of the classic game of Housie. The event was aimed at Second Year students. Students participated in teams of two. The participants were given a housie ticket which consisted of two rows with 3 question numbers in each row. They were required to program solutions to problems corresponding to the numbers on their ticket on the HackerRank platform. The teams which could solve questions of either the “First row”, or “Second row” or were able to solve all the questions i.e “Full House” in the shortest amount of time were declared as the winners. The problems involved string patterns, logical reasoning as well as basic math and data structures or required applying well-known algorithms to crack the code. The event was conducted in the labs of S.P.I.T (406, 408, 409, 410 A, B, C) with a participation of 59 teams (118 students). The event concluded after one and half hours of intense coding with 5 claims for the First Row, 9 claims for the Second Row, and 1 Full Housie which was bagged by the team of Navneet Nair (SE) and Faiz Khan (SE).

Insight - An Off-Campus Internship Seminar

An event truly insightful at heart, C.S.I S.P.I.T in collaboration with IIC S.P.I.T, conducted a seminar - Insight for the students of first, second, and third years. A panel of three of our fourth-year students was invited to share their overall experience in engineering and their journey to cracking the toughest interviews in top tech companies. The panel included Jash Jain (upcoming intern at Amazon UK), Kashish Jain (intern at Goldman Sachs), and Samkit Shah (ex-intern at Meta UK and upcoming intern at Amazon UK) from BE COMPS. The seminar's highlights focused on bagging off-campus internships and what preparation went behind cracking these interviews. The students were given preparation tips and the areas they should focus on in their initial years of engineering to be internship ready.

The event concluded after one and a half hours after a doubt and Q&A session with the audience.

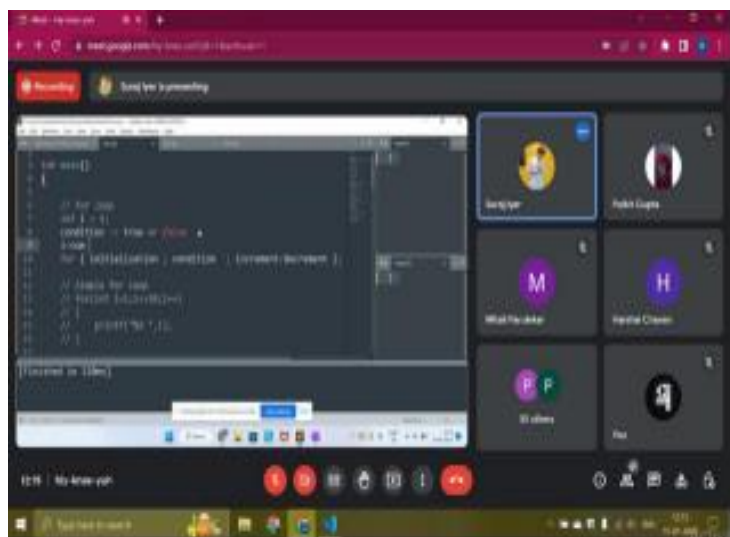

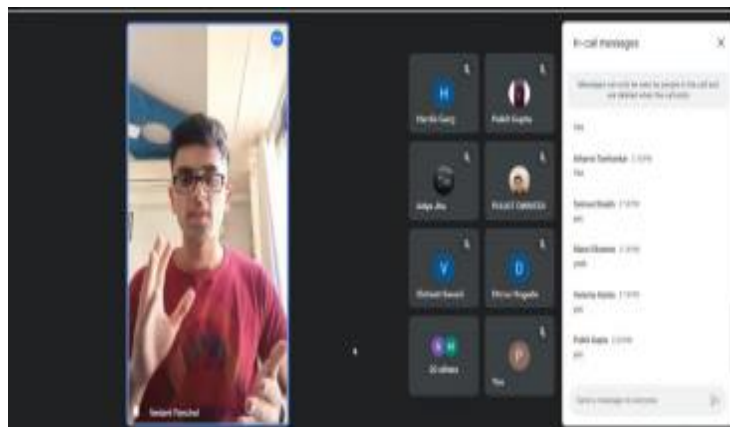

C Workshop

C.S.I- S.P.I.T. conducted the annual C workshop for first-year students. The workshop was conducted with the aim of creating a coding culture among students and introducing them to the world of coding. The workshop focused on topics like data structures, taking input from users, arrays, loops, strings, malloc, file management, and pointers in C. It aimed to create a strong foundation in coding which would help them throughout their career.

The workshop was conducted by 6 second-year students who took alternative turns every weekend for 3 weeks with a participation of over 100 students in an online mode on Gmeet.

The workshop was also followed by a one-on-one doubt session where students could get their doubts cleared and were also provided reference material along with a set of problems that helped them retain the knowledge gained.

S.P.I.T Hackathon

S.P.I.T Hackathon, the flagship event of C.S.I S.P.I.T, in association with The Students' Council S.P.I.T, was successfully conducted on 4th-5th February 2023 at Sardar Patel Institute of Technology in Mumbai, India.

The event attracted over 1500+ registrations from all across India for the first round which was an online abstract submission round, out of which 42 teams were shortlisted for the on-site hackathon. The hackathon commenced with an opening ceremony at 9:00 AM that included lighting the lamp and inaugural speeches by Dr. B.N. Chaudhari, Principal of S.P.I.T, Dr. Y.S. Rao, Dean of Academics of S.P.I.T, and Prof. Kailas Devadkar, the faculty mentor of CSI S.P.I.T. After the technical team explained the problem statements to team leaders from 10:00 to 11:00 AM, the coding round started at 11:00 AM sharp. Participants were provided with meals and refreshments at regular intervals. Two mentoring rounds were also conducted both offline and online for the participants to get clarity about their ideas and implementation. The teams worked tirelessly throughout the night and submitted their final commits on GitHub before 11:00 AM the next morning. They were also required to submit a presentation explaining the functionality of their project and its future scope.

Judging round 1 was held immediately after coding time ended, and the top 10 teams were shortlisted for the final round. The final judging round commenced, and the Top 3 teams, along with teams with the Best Pitch, Best UI/UX, and Best FOSS Hack, were felicitated with prizes at the closing ceremony. The event was a grand success, providing a platform for budding developers to showcase their talents, and the participants gained valuable experience and exposure to the latest technologies. The event ended with a vote of thanks, with participants and organizers eagerly looking forward to the next edition of the S.P.I.T Hackathon.

Competitive Programming with Priyansh Agarwal

With the aim of increasing the coding culture in our college, CSI-SPIT conducted a Competitive programming workshop with Priyansh Agarwal. Priyansh Agarwal is a well-known Competitive programmer who is an AIR 1 at Google Kick Start, ICPC Asia West Continent Finalist, and a Former Goldman Sachs Intern along with a massive following on LinkedIn - 95k and Youtube - 45k subscribers. He is also the founder of TLE Eliminators- a startup that aims to help students achieve milestones in the field of competitive programming. The workshop was a 2-day event with Day 1 being a talk show where Priyansh shared his journey in cp, how he went from 0 to master on CodeForces, his entrepreneurial journey of TLE Eliminators, and how he managed it alongside the hectic curriculum of IIIT Delhi. Day 2 of the event covered a workshop on competitive programming which was followed by India's 1st CP Hackathon. It was one of a kind hackathon that included 40 questions on CodeForces handpicked by Priyansh himself and it covered all important topics required to kickstart their cp journey. It was followed by a 5 hr long coding hackathon to determine the winners. This event was conducted on the 18th and 19th of March 2023 and saw the participation of around 200 students from all over the state of Maharashtra.

TakeDown 2023

To provide the first years of our college with a platform for competitive programming, C.S.I. S.P.I.T. organized 'TakeDown 2023' - a puzzle-based coding event that makes competitive programming truly competitive. Students participated in teams of two or solo. Teams were randomly placed in matches against each other and both teams in a match were given the same problems to solve. The team which cracked the problem first received 10 points while the other received an X, post which both teams were assigned new matches. Any team that received three Xs was out of the tournament and matches continued until a single team remained. The problems themselves were string pattern problems. The teams are given a set of sample inputs and outputs as strings. The teams had to decipher the pattern and write a program that converts any such general input to an output using the correct pattern or cipher. Simply put, they had to write a program that converts a given input to a given output. The event was held in the S.P.I.T. Computer Labs (404, 406, and 408) and took place through the custom 'TakeDown Web Application' developed by C.S.I which supported most major programming languages. After two hours of intense competition and coding, the winners were announced.

IEEE WIE SPIT - WDC

IEEE Women in Engineering (WIE) is one of the largest international professional organizations dedicated to promoting women engineers and scientists, and inspiring girls around the world to follow their academic interests in a career in engineering. IEEE WIE SPIT is the Student Branch WIE Affinity Group of Sardar Patel Institute of Technology located in Region 10. Throughout the year, the Student Branch of WIE runs various contests, competitions and seminars that are focused on the field of Science and Engineering and the role it plays in advancing technology along with celebrating women in various different fields. Women Development Cell of Sardar Patel Institute of Technology, take care of women and girls who are working in the organization. Different activities, talks, panel discussions are executed for the better development of 360 angles of women. In the year 2022-23, IEEE WIE SPIT conducted various technical and non-technical events starting from Seminars on Cyber Crime to organising Women Coding Contests to Lok Sabha Debate (Ahimat) and even Healthcare and ending the year on a high note by celebrating Women's Week and IEEE day. Here's a glimpse of those.

INDEX:

DATE	EVENT
10th February 2023	Interview experience and guidance by Googler
17th February 2023	Cyber Crime Seminar
20th February 2023	Breast Cancer Awareness Seminar
2-4 March 2023	Women Coding Contest
7th March 2023	Women's week Inauguration
9th March 2023	Games and Ramp Walk with Faculties
21st April 2023	Abhimat – The Lok Sabha Debate
24st July 2023	ઝૂલ (Poster making competition)
29th July 2023	Quiz Enviromento

Activity Name	Webinar
Topic/Theme	Interview experience and guidance by Googler
Agenda of Event	Women In Tech
Speaker/Guest	Dishita Ashar
Date	10th February , 2023
Time	7 pm
Platform	Google Meet
Host/Organised by	Shruti Prabhu
No. of Participants	70 +
Co-ordinated by	WIE WDC-SPIT Committee

Event Details:-

Brief information about the event: The session was very informative by Dishita Ashar who is currently a Software Engineer intern at Google .She is also former Digital Technology intern at Baker Hughes. The session began with warm welcoming and introducing the guest speaker. She started by explaining the projects she had done in college. Then she shared her experience regarding her ‘JPMC code for good ‘hackathon and important things to keep in mind when one is in a hackathon. Then enlightened us with her previous internship and the role. Later she elaborated about the entire Google interview process. She explained the type of DSA questions asked and advised to practice solving questions on pen and paper with a time limit and clear all basic concepts before the interview. She also informed us about the timeline for the entire process .She also sent links to useful resources for the audience. She later on answered all the questions by our audience. The session was very helpful as the Placements are around the corner.

Event Photos:-

Feedback Analysis:-

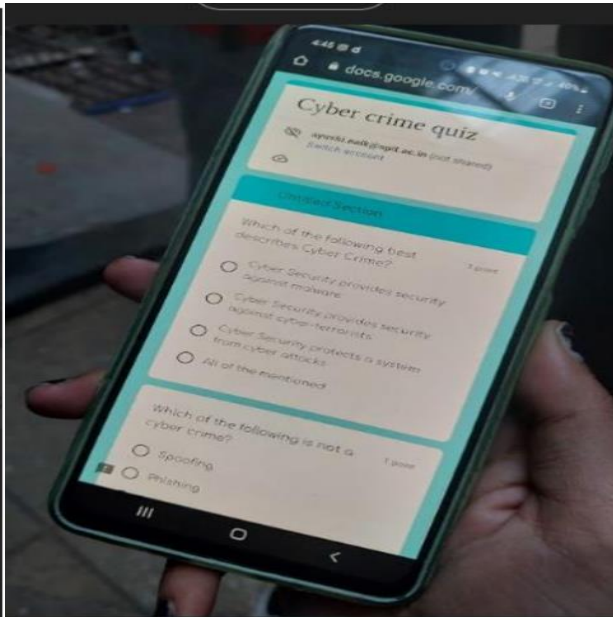

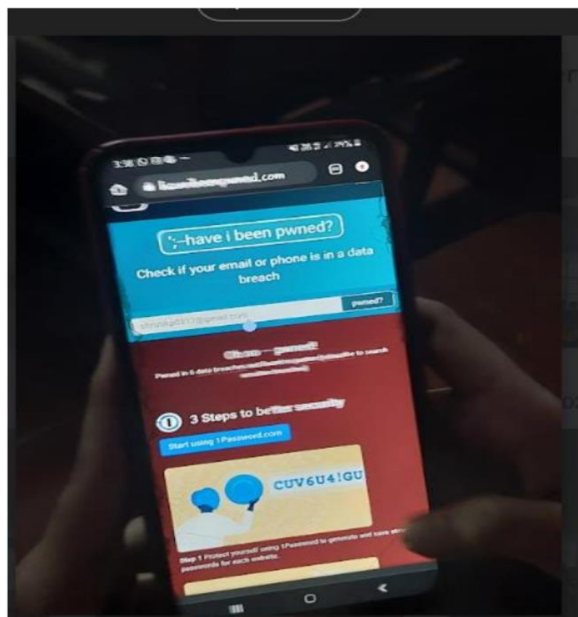

With 80+ students attending this session and a positive response from most of them, the webinar was a success. All of the attendees gained a lot from her expertise.

Activity Name	Seminar to create awareness on Cyber Crime
Topic/Theme	Cyber Crime
Agenda of Event	How to be safe in the technology era?
Speaker/Guest	Inspector Rajesh
Date	17th February 2023
Time	4 pm
Platform	Seminar hall , 008
Host/Organised by	Harshada Koranne
No. of Participants	90 +
Co-ordinated by	IEEE-WIE-WDC SPIT

Event Details:-

Brief information about the event: The session was conducted by Inspector Rajesh, who works in the Cyber Crime department of Mumbai police. The session began with our college students welcoming the speaker. He started the session by enlightening us about the importance of keeping ourselves safe online. He highlighted the risks that we are exposed to during online surfing. The speaker then talked about the different categories of cybercrime including cyberbullying, phishing, email fraud, social media fraud, banking fraud, ransomware attacks, cyber espionage, identity theft, clickjacking, spyware, etc. He also provided links to websites that are run by the Mumbai Police to report cybercrime anonymously. The speaker also ensured that the session was interactive by providing links to websites that are used to detect if our personal information has been exposed in past data breaches or virus attacks. The session was very helpful as college students are often exposed to Cyber Crime.

Event Photos:

Activity Name	Breast Cancer Awareness seminar
Topic/Theme	Breast cancer
Agenda of Event	Informative and Health
Speaker/Guest	Dr. Jaymala Shinde
Date	20th February , 2023
Time	3 pm
Platform	Seminar Hall 008
Host/Organised by	Devanshi Padhy & Gauri Narkar
No. of Participants	40 - 50
Co-ordinated by	IEEE WIE WDC SPIT

Event Details:-

A Breast Cancer Awareness Session was arranged by WIE-IEEE-SPIT in association with IIC SPIT. The session was very informative and insightful. Dr. Jaymala Shinde from S.L. Raheja hospital enlightened us about breast cancer. She started the session by explaining the meaning and symptoms of the breast cancer continued by the causes for the same. Later, she elaborated the treatment procedure. She briefed us about the importance of regular mammography check-up for females above the age of 35 and also demonstrated the self-examination for breast cancer. Her motto throughout the session was 'Prevention is better than cure.' She, later, answered all the questions by our audience. The session concluded with a vote of thanks and felicitation of our guest speaker.

Event Images / Banner:-

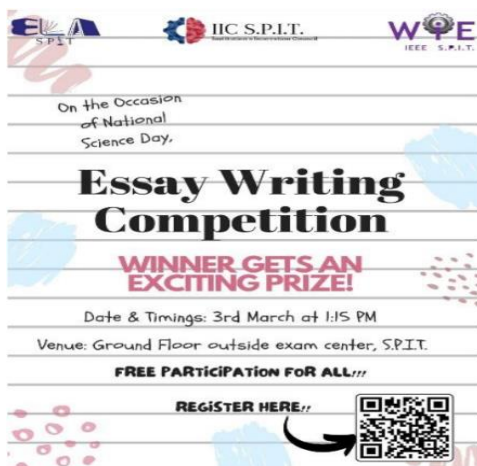

Activity Name	Essay Writing Competition
---------------	---------------------------

Topic/Theme	Competition
Speaker/Guest	All Students
Date	3rd March
Time	1:15 pm
Platform	Offline
Host/Organised by	Dhanashree Otari
Audience	10
Co-ordinated by	WIE WDC-S.P.I.T , ELA SPIT

Event Details: - An essay writing competition was arranged by WIE-IEEE-SPIT and ELA SPIT in association with IIC SPIT on the occasion of National Science Day, in the green area .The topics for the essay writing competition were Advancement in the Drone Technology, India's space exploration program. All in all, the event increased everyone's thinking ability, and also increased everyone's knowledge in that sector.

Photos:

Activity Name	Women's Coding Contest
Topic/Theme	Competitive coding
Speaker/Guest	-
Date	2nd – 4th March , 2023
Time	3pm
Platform	Hackerrank
Host/Organised by	Srushti Gaikwad
No. of Participants	93
Co-ordinated by	WIE WDC-S.P.I.T, Student Council SPIT, CSI-SPIT

Event Details:-

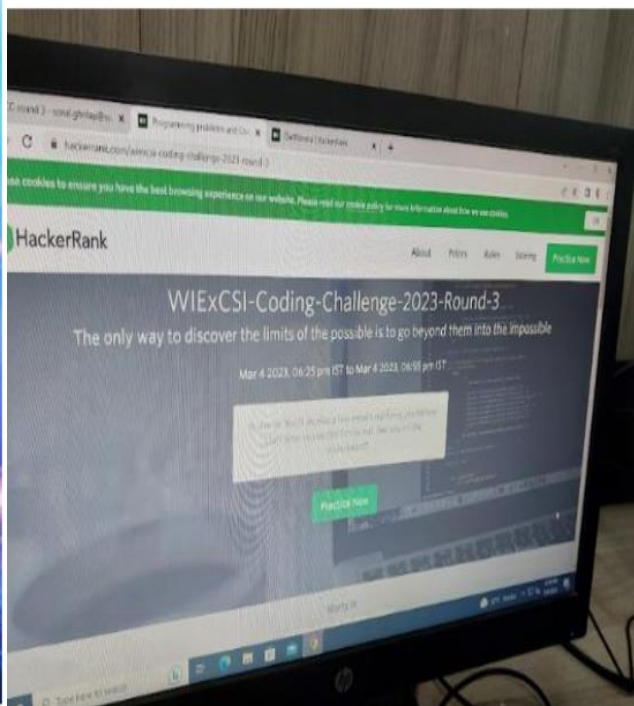

The online and offline coding contest was conducted in association with Student Council SPIT, CSI-SPIT and IIC SPIT. There were 3 rounds of coding competition specifically designed to find the coders who can solve problems in real world scenarios and in intense pressure. A prize pool of INR 10,000 was awarded to the winners.

- Round 1 (Online) - An online coding test was conducted on Hackerrank on 2nd March, 2023.
- Round 2 (Offline) - Shortlisted candidates sat for another coding round in Sardar Patel Institute of Technology, Mumbai on 4th March, 2023.
- Round 3 (Offline) - On the same day, further shortlisted candidates sat for the final "Lockout Coding Challenge" i.e., 4th March, 2023.

Winners: 3 were awarded the winner, 1st runner up and 2nd runner up positions

- **Srushti Haryan**
- **Reshma Panigrahi**
- **Mahek Gupta**

Photos & Banner:

Activity Name	Women's Day Inauguration
Topic/Theme	Women Empoverment
Speaker/Guest	All students and staff
Date	2nd – 4th March , 2023
Time	1:15 pm
Platform	SPIT entrance
Host/Organised by	Srushti Gaikwad
Audience	50+
Co-ordinated by	WIE WDC-S.P.I.T

Event Details:-

On the occasion of international women's day, WIE inaugurated its womens week celebration. Chief Guest: Vinal and Apurva, core members of the team 2018-19. Starting with blast dance by Mudra (The cultural committee of SPIT) next we had a beautiful song by Sujata Gawas Ma'am. It was a Marathi song based on women empowerment. Sahil Tayde from second year extc recited a poem on how women used to be, how women are and women future. Apulki Dubey too recited her mother's poem 'Savitri use banna hai'. Different departments of the college came up with their idea of womens week and presented it to the audience. Electronics department spoke about many ladies who are an inspiration to all of us and played national anthem through Arduino board. EXTC department did a song skit on save girl child. Last but not the least, our principal Dr. B. N. Chaudhari addressed the audience and encouraged the female staff and students. Coming to the conclusion, prize distribution for the coding contest held past week was held. Teachers and staff were given mugs, chocolates and greeting card.

Activity Name	Fun games and ramp walk with Faculties
Topic/Theme	Fun activity
Speaker/Guest	Female Faculty
Date	9 th M a r c h , 2023
Time	3pm
Platform	Seminar hall , 008
Host/Organised by	Srushti Gaikwad
No. of Participants	30+
Co-ordinated by	WIE WDC-S.P.I.T

Event Details

The female faculty including the teaching as well as the non-teaching staff was a participant in this activity. A fun stress-buster to forget work for some time and just enjoy their hearts out. the event began with a fun fashion show for all the teachers on their favourite songs, thus giving them a platform to celebrating themselves. All the participants owned the ramp and was a sight to remember. After that was a fun engaging activity where the participants had to pick chits and had to perform the task written in them. This activity helped them discover their hidden talents and step out of their comfort zones. The session was witnessed by our principal Dr. B. N. Chaudhari, who also participated and encouraged their faculty members to give their one hundred percent for the game. Lastly, the activities came to end with more tasks, prize distribution, a lot of pictures and dance. It was truly a celebration for the women faculty, they felt appreciated and their contribution celebrated.

Activity Name	Abhimat (Lok sabha based debate competition)
Topic/Theme	Debate
Speaker/Guest	All Students
Date	21 st April
Time	4 pm
Platform	Offline
Host/Organised by	Dhanashree Otari & Shruti Prabhu
Audience	60
Co-ordinated by	WIE WDC-S.P.I.T , ENACTUS SPIT

Event Details:-

ENACTUS SPIT and WIE-WDC-IEEE-SPIT in association with IIC SPIT, organized its second version of Abhimat (The debate competition) .The competition is designed in the format of the Indian Lok Sabha where students formed parties of opposition and an alliance government and discussed about important issues of the society . It gave an opportunity for young students to be leaders and voice their opinions, ask questions, and engage in discussions with their peers. Various prizes were awarded for best speakers of the event.

Event Details:

IEEE Women in Engineering was formally established on 29 June 1997. Since then, WIE has proudly supported an ever-growing community of women in STEM and taken steps to promote change in the industry. On this occasion, WIE IEEE SPIT circulated a quiz on the various aspects of environment & how well can you take care of mother earth.

Winners: All participants were given certificates for it.

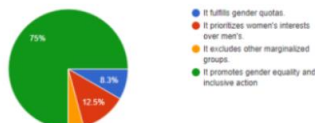

Quiz Results:

9. How does engaging women in climate change initiatives contribute to more effective and sustainable outcomes?

Copy

24 responses

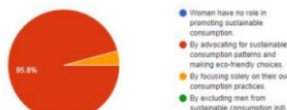

QUIZ (MCQ) - 2 marks

F.A.C.E SPIT

F.A.C.E (Forum for Aspiring Computer Engineers) is a techno-cultural committee of S.P.I.T. that is exclusively for the Computer Engineering Department. We conducted events with the aim to make learning fun with various engaging events.

Football Auction:

This was a fun event and was organised to bring in the start of football season. Purpose of the Football auction was to instill technical and professional skills and students learnt about adapting to changes, quick decision making and critical thinking. This event was conducted on 19th November 2022, Saturday in one single slot in an offline manner. A total of 10 teams of 1-2 people each participated and bid in the Football Auction for the Football Premier League. Each team was assigned a real-world Football Premier League team to play as, and the auctioning began. Players were displayed one by one on the screen and teams bid for their preferred players. The scoring was uniquely based on the real-life performance of the players in the Football Premier League until 25th December 2022. A detailed scoring system was sent to the participants beforehand. Apart from this there were also special power cards. The points on 25th December were tallied and two winning teams were declared after the football premier league got over.

Feedback:

The event was competitive and very well received by football fans and non football fans alike. Post the event most of the participants gave very positive feedback, stating they thoroughly enjoyed the entire event. The participants stated that the event was very well conducted and that it kept them engaged throughout.

Outcome of the event:

This event was a fun event and was organised to bring in the start of the football season. It built up the atmosphere to the football season by involving participants on a personal level for prizes. It also provided a refreshing break.

FACE CUP:

Face Cup is flagship event of F.A.C.E. and is exclusively for computer department where all the four years take part. Each class outs a joker card on a particular sport which gets them double points if they win the sport. The event duration was 2 months. The event was a mixture of online and offline modes. The Face Cup event commenced with football, which was the first sport that was held on 28th January.

Esports: The next phase of the event was focused on esports like Clash Royale and Valorant. The esports was a battle royale and we organised it in a gaming café to give the vibe of actual competition to the participants. The players played these games online, and the finals were conducted in a gaming studio. This mode of playing the games made it more accessible to the participants, and it ensured fair evaluation.

Esports, Face Cup 2023

Clash Royal 2023

Offline games: Apart from football which was our first sport, we conducted games such as table tennis and carrom in gymkhana. The last sport of the event was cricket which was held on 30th March. The matches were competitive and exciting.

Table Tennis, Face Cup 2023

Cricket, Face Cup 2023

Intellect and Entertainment: Chess was another game that was played online on Lichess, and a Google Meet was organized to keep track of all the groups.

Feedback:

The event was competitive and very well received by everyone. All the sports saw active participation from all the classes.

The final standings were:

TE - 400

BE - 350

FE B - 200

Outcome of the event:

The winners of this year's FACE Cup were TE Comps while BE being runner ups. Overall, the Face Cup was an exciting and successful event for the computer department students. The inclusion of both virtual and physical games made it more exciting and comprehensive for the participants. The event provided an excellent platform for computer department students to showcase their sporting skills and participate in various games. The Face Cup will likely continue to be a popular event in the coming years.

Criteria for Evaluating the Events:

- 1) Level 1: If the POs achieved are not upto the expectations in terms of number of attendees, feedback from students.
- 2) Level 2: If the POs achieved were upto the expectations but made the committee realise that it could be improved to better levels.
- 3) Level 3: If the POs exceed the expectations in terms of number of attendees, feedback from students, management and expenses from the committee end.

Attainment through FACE 2022-23 Events

Correlation Levels : 1(weak) 2(medium) 3(strong)

NISP Council

NISP Council S.P.I.T. intends to guide HEIs for promoting students' driven innovations & start-ups and to engage the students and faculty in innovation and start-up activities on campus. It aims at enabling HEIs to build, streamline and strengthen the innovation and entrepreneurial ecosystem in campus and will be instrumental in leveraging the potential of student's creative problem solving and entrepreneurial mind-set.

The National Innovation & Startup Policy (NISP) is being implemented by MoE's Innovation Cell and in coordination AICTE, UGC, state/ UT governments and universities in promoting a strong intra and interinstitutional partnerships with ecosystem enablers and different stakeholders at regional, national and international level. Implementation of policy has been undertaken for quick adoption by HEIs.

Panel Discussion

NISP Council S.P.I.T initiated its activities for the year 2022-23 with a Panel discussion on 1st December, 2022. It was a highly esteemed event wherein the Panel speakers included Mr. Bharadwaj Bhat, CEO of KRED Robotics and also Outreach and Program Manager at SP-TBI (Sardar Patel Technology Business Incubator) and Mr. Shubham Hule, a final year student of S.P.I.T and also a Startup Founder. The event was a wonderful opportunity for all the students to gain in depth knowledge and insights about how an idea is generated and born as a startup which ultimately leads to benefit innumerable people in the world.

Industrial Visit

NISP Council S.P.I.T organised an Industrial visit to the fifth largest company in market capitalisation in India; LTIMindtree, Pune on 4th February 2023. This interactive and informative visit provided the students of S.P.I.T. with an insight into the working of not only the IT companies but also Indian and foreign market mindsets. The employees, having an experience of more than 10 years, provided guidance and quick-tips for varied fields of research and development, testing and support teams and human resources.

Students then visited the SSIG Manufacturing Advancements (SSIGMA), Pune where they learnt through live sessions the mechanisms of robotics and automation through the implementation of the concept of Industry 4.0. Amongst various projects was a scaled down version of a factory, pneumatic driven machines, sensor based models and a robotic arm with 6 degrees of freedom.

National Startup Day Celebration

On 3rd February, NISP Council held an event to celebrate the National Startup Day, with experts talking about their start-ups journey to stir up the feeling of entrepreneurship in the students. Our first speaker, Mr. Saurabh Soni, the Asst. Manager at Artiligent Solutions India Pvt. in his talk, informed us about the potential of Artificial Intelligence in the future by sharing his experience about the same. He discussed the prototypes that he had created. This aroused interest of the students in the field of artificial intelligence and machine learning. Then we were enlightened by the presence of Mr. Pranav Chaware, the Founder at VMOSA Technologies Pvt Ltd i.e. Guruji On Demand (G.O.D), who shared his inspirational journey about his start-up venture from facing initial failure to rising and establishing a stable business.

Session on Ideation

IdeaLab along with NISP Council of S.P.I.T conducted a session on ideation, with Mr. Dinesh Israni, Founder at Naman Angels India Foundation on 17th & 23rd February 2023. The session was briefly about guiding students about how to get an idea for a startup and encourage them to innovate something new for the future.

Session on SP-TBI Policy

On March 3rd, the NISP Council of S.P.I.T hosted a session on SP-TBI Policy with Prof Kiran Talele, Dean of Student Affairs, S.P.I.T as our esteemed speaker. The session aimed to inform students about the SP-TBI policies and the facilities and encouragement it provides for entrepreneurial endeavors through various forms of incubation, mentoring sessions and funding schemes.

THE INDUSTRY INSIDER - A Series of Podcasts

NISP Council S.P.I.T in collaboration with IIC S.P.I.T. conducted a series of Podcasts “The Industry Insider” with speakers who are experts from industry, startup world and business. The series aimed to invite renowned podcast speakers to share their expertise, engage in meaningful discussions, and provide valuable insights on diverse topics to foster a culture of learning, critical thinking, and engagement among students. The podcasts were streamed live on instagram and a recorded video uploaded to YouTube on the IIC SPIT channel.

The Industry Insider #1

The first session was conducted along with **Mr. Yash Gawde**, who is an NFT artist and founder of Elite NFT with great knowledge in the field of Web3 on 15th April 2023. Throughout the Podcast, he talked about his experiences on building a startup from scratch, his life learnings, what an NFT is? How unique digital artworks are created and uploaded on blockchain to sell them as non-fungible tokens (NFTs) which in turn completely revolutionized the art market and enabled collectors to own rare, authenticated digital assets.

The Industry Insider #2

Mr. Surya Pasricha was invited as a guest for our second podcast on 22nd April, 2023. Mr. Surya is a social media strategist, organic growth expert and founder of BaatCheet media. The podcast commenced by exploring the early life and background of Mr. Surya. The guest provided insights into their upbringing, family background, education, initial entrepreneurial journey, etc. The podcast further explored the expertise of Mr. Surya in Content-Writing, Marketing & Advertising, etc. He guided students regarding Inbound and Outbound Marketing and how to use LinkedIn to acquire clients. He shared about his learnings through the podcasts he conducts and how it helped him to improve his communication and networking skills. At the end, he addressed some key skills that students need to develop before joining the corporate world.

The Industry Insider #3

For the third episode of "The Industry Insider", we had the distinguished speaker **Ms. Namrata Mehta** from "Strokes by Namrata Mehta" which is a designer brand for tableware, handbags and more started in 2020. The podcast was conducted on 28th April 2023 and provided an insight into the journey of her business. She emphasized on the aspect of "personal branding" as one of the key features in the development of her company. She shared valuable lessons about managing the company through her enormous experience. Her encouraging story of her designer handbags and cups venture, inspired the viewers on entrepreneurship.

The Industry Insider #4

The last session of the Podcast series was conducted on 28th May 2023 with **Mr. Biren Parekh**, Director CRISIL Limited, Fintech Thought Leader, Angel Investor - 13x Startup and a distinguished person in the field of Management and Fintech. Dr. Biren spoke on Banking, Financial Services and Insurance (BFSI), the skills required to be a project manager, the interesting space of Digital Payments and integrating the same with the banking sector. Mr. Biren talked about Angel Investing and of the few different startups that he sees as upcoming and revolutionary. Mr. Biren additionally gave his input about building and making startups as well as the problems faced by today's startups and the impact of angel investment in the startup field as well as an insight into the corporate field of startups and banking. The Business Tip of the Day given by Mr. Biren Parekh was that of going the extra mile as a student and a professional.

Entre-View:

The NISP Council at S.P.I.T. organized Entre-view with a pre-event on 27th May 2023 and the main event on 3rd June 2023.

The pre-event provided participants invaluable insights into resume building and effective preparation for various corporate contexts.

The main event comprised two engaging parts. The first part entailed a Pitching round, designed to inspire young individuals with an entrepreneurial mindset. The second part focused on the Interview round, aimed at preparing participants for high-demand roles in industries such as technology, finance, and financial technology.

By integrating these elements, Entre-view provided a comprehensive platform to foster entrepreneurship and equip young individuals with the skills and knowledge necessary for prosperous careers in the industries.

Entrepreneurship Cell (Ecell)

Food Challenge

Program driven by: self-driven activity

Program /Activity Name: Food Challenge

Venue: S.P.I.T.

Date: 11th November 2022

Brief information about the event:

E-Cell S.P.I.T in association with IIC S.P.I.T. conducted Food Challenge, an event where students set up food stalls in the Sabhagriha and sold food of their choice at a price point set by them. Students participated in teams of 3 to 6. Each team was allotted a stall where they sold their eatables in exchange for coupons provided by E-Cell S.P.I.T which was the mode of payment.

The event was judged by Mayank Shah, Shikha Shetty, Jinali Doshi, Yashmita Suvarna, and Abhay Sharma, who are prominent Food Vloggers. The event was evaluated on two criteria- best taste and maximum sales.

The winners under the best taste criteria were Team Mr. Bean's (Sonu Sahu, Nikhil Singh, Chetan Patil, Teethi Kanthe, Aaryan Vaidya, Tejas Thakarey, and Kundan Chaudhari). The winners under the maximum sales criteria were Team PVR (Chirag Wadhwani, Vineet Mankani, Harish Balasubramanian, and Janhavi Dangle).

The event provided a great opportunity for all the participants to learn about pricing and advertising products which is a crucial skill for an entrepreneur. Participants learned the importance of accurately estimating the quantity of required material to prevent leftovers. Participants also had a first-hand experience of dynamically changing the prices of their products to match their competitors or to attract more customers.

RUMINATE

Program driven by: Self Driven activity

Program /Activity Name: Ruminare

Venue: S.P.I.T. Entrance

Date: 17th February, 2023

E-Cell S.P.I.T in association with IIC S.P.I.T. conducted Ruminare, an event which provided students with a platform to incubate their creative and innovative ideas with a slight twist of fun. Total of 9 teams participated in this event and each team consisted of 3 to 5 students. Each team was allotted a stall at S.P.I.T. entrance. Some teams decided to set up food stalls while others tried to attract the crowd through their game stalls.

The event was judged by Mr. Arbaz Khan, who is the co-founder and CTO at LineupX and Prof. Kaiser Katchi. The event was evaluated on criteria of innovation, pitching, sales etc. Based on the evaluation criteria, the winning team was team Khatta Meetha and the runners up was team Kakashi. The winning teams were provided with certificates by E-Cell S.P.I.T. along with the revenue that they had generated through their sales.

The event provided a great opportunity for all the participants to learn as to how to market their services/products, attract a crowd/customers who engage in that service and generate a revenue out of it which are crucial skills for an entrepreneur. Overall this event provided great entrepreneurial learning insights to all the participants.

Illuminate

Program driven by: IIC Calendar Activity

Program /Activity Name: Entrepreneurship as a career opportunity

Event Name: Illuminate

Venue: Seminar Hall (008), S.P.I.T

Date: 26th November, 2022

E-Cell S.P.I.T in association with IIC S.P.I.T. & E-Cell IIT Bombay conducted 'Illuminate 2022' - a 6 hr long workshop that introduced the students to what is entrepreneurship & various topics related to it like pitching, BMCs, Marketing, Finance, etc. The workshop Instructor was Mr. Divyansh Raj, Startup Mentor at IIT Bombay.

The event started with a brief and detailed introduction of Mr. Divyansh. He then took over the session by starting with explaining the meaning of entrepreneurship. One by one he highlighted various terms related to this field & the students got an opportunity to clear all their doubts. Post the lunch break, the students were given a chance to form teams, come up with an idea & prepare an elevator pitch for the same. Each team was then given a chance to come on stage & present their ideas in a minute's time.

This event proved to be very beneficial to the students in understanding the basics of entrepreneurship & implement the same.. It also helped clear some of the common doubts of students as well as provided some life-changing bits of advice to all the students. The audience learned a lot from the experience of our panelists.

The event ended with a thank you note by the Chairperson of E-Cell S.P.I.T., Ms. Sakshi Khanna, and felicitation of our respected guest by E-Cell S.P.I.T. 's faculty mentor, Prof. Kaisar Katchi.

Case Study Competition

Program driven by: IIC Calendar Activity

Program /Activity Name: Session on Problem Solving and Ideation Workshop

Event name: Case Study Competition

Venue: Conference room (105), S.P.I.T

Date: 20th January 2023.

E-Cell S.P.I.T in association with IIC S.P.I.T. conducted 'Case Study Competition 2023' which marked the beginning of a very successful year ahead. Case Study is a competition in which a real world problem statement is identified and the participants need to find a relevant solution for the same. Our problem statement primarily focused on the various problems that plagued Twitter and asked the participants to provide both technical as well as non technical solutions to the problem.

The competition was conducted in 2 rounds. The first round involved online submission of presentations prepared by the participating teams which explains their solution to the problem statement. After the submission deadline for round 1, the finalists for round 2 were selected by the E-CELL S.P.I.T's team after carefully going through each and every presentation submitted by the participants. The final round was conducted offline in the college in which the finalists had to present their solution to our esteemed panel of judges.

The final round began with an introduction of our judges, Mr. Ankur Chokhani, Mr. Kaisar Katchi and Mr. Parth Vora. This was followed by presentation by the finalist teams one by one, explaining their solution to the problem statement. After the presentation by each team, there was an intense QnA regarding the solutions by the judges.

After presentation and QnA for all the teams, the judges came up with a winner. The event ended with felicitation of the winner, 1st runner up and 2nd runner up teams by the Chairperson of E-CELL S.P.I.T., Ms. Sakshi Khanna. The competition provided a great learning opportunity for all the participants

Panel Discussion

Program driven by: IIC Calendar Activity

Program /Activity Name: My Story - Motivational Session by Successful Innovators

Event Name: Panel Discussion 2022

Venue: Seminar Hall (008), S.P.I.T

Date: 23rd December, 2022

To end the year on an informative note, E-Cell S.P.I.T conducted 'Panel discussion 2022' - an event where people who are successful in their respective domains share their experiences with the young minds of our college.

The event started with a brief and detailed introduction of all four speakers, Ms. Garima Kaushik, Ms. Rithvika Iyer, Mr. Amogh Zare, and Mr. Kunal Dani. This was followed by a list of questions about their successful journey. Answers provided by all the speakers proved to be extremely insightful for the audience. Lastly, the panel was open to questions from the audience. Many students cleared their doubts from our extremely skilled panelists.

This event proved to be very beneficial. It also helped clear some of the common doubts of students as well as provided some life-changing bits of advice to all the students. The audience learned a lot from the experience of our panelists.

The event ended with a thank you note by the Chairperson of E-CELL S.P.I.T., Ms. Sakshi Khanna, and felicitation of our respected panelists by E-CELL S.P.I.T. 's faculty mentor, Mr. Kaisar Katchi Sir.

National Case Study Competition

Program driven by: Self Driven activity

Program /Activity Name: National Case Study Competition

Venue: Conference room (105)

Date: 7th April, 2023

E-Cell S.P.I.T in association with IIC S.P.I.T. conducted a National Case Study Competition, an event which provided students with a platform to project their creativity by pitching solutions for the given problem statement. This competition was conducted in 2 stages consisting of Round 1 wherein participants in groups of 2-4 had to prepare and submit a presentation highlighting their solution. After which total of 10 teams were shortlisted for Round 2.

The round 2 of the National Case Study Competition was conducted during the Entrepreneurship festival of E-Cell S.P.I.T. i.e. E-Summit 2023 on 7th of April 2023. All the finalist teams shortlisted from Round 1 presented their improvised solutions to the panel of esteemed judges which included Jalak Rawal, Paul Mathew, Prof. Kaisar Katchi & Mr. Nikunj Kikani. This round was full of innovative solutions to the problem statement filled with an entrepreneurial flame and constructive criticism from the judges.

The judges patiently observed all the presentations and also provided insights through the expertise in their own fields. The top 3 performing teams were felicitated and provided prizes in the evening, marking end to the National Case Study Competition.

Attendance: -10 teams of 2-4 members each.

BizBrain

Program /Activity Name: BizBrain

Venue: S.P.I.T

Date: 7th April 2023.

E-Cell S.P.I.T. in association with IIC S.P.I.T. had conducted a competition called BizBrain as part of the E-Summit 2023 event. The competition aimed to test the business acumen, knowledge and decision-making abilities of the participants. BizBrain had two rounds, and the top teams were awarded prizes worth more than 20k.

Round 1:

The first round of BizBrain was conducted online on Unstop on 4th April. Participants were required to register in teams of four, and the round comprised of a quiz. The quiz had multiple-choice questions that tested the participants' knowledge in areas such as business, economics, and entrepreneurship. The quiz was timed, and participants had to submit their answers within the given time. The top eight teams with the highest scores were selected for the second round.

Round 2:

The second round of BizBrain was held in the format of a buzzer round. The event had four rounds, each with a different format. The first round was a round-robin format, with each team getting 3 questions. The round had a scoring system of +10 and no negatives. The second round was a buzzer round with 20 questions, where each correct answer earned +10 points and incorrect answer costed -5 points. The third round was similar to the second round, with a scoring system of +20 for correct answers and -5 for incorrect answers. The fourth round was a round-robin format like the first round, but the questions were innovative and challenging.

The first prize was awarded to Team 1+1(Madhur Tike), the second prize was awarded to Team Puzzlers (Harditya Shah, Rahil Ankhad, and Yoshita Singh) and the third prize was awarded to Team Mavericks (Arnav Panicker, Atharva Kawtikwar).

The competition provided a great opportunity to all the participants to test their business knowledge as well as learn new things related to the entrepreneurial world. Thus, BizBrain became a worthwhile competition to participate in.

E-Merge 2023

Program driven by: E-Cell S.P.I.T.

Program /Activity Name: E-Merge 2023

Venue: SPJIMR Auditorium

Date: 8th April, 2023

During the flagship event of E-Cell S.P.I.T., E-SUMMIT, E-Cell organized E-Merge. It was an event where up and coming startups primed for big investments would pitch their industry disrupting ideas to a panel of reputed investors.

The investors for the event were Pooja Parmar, an investment professional at Equanimity Investments, John Dsouza from MGA Ventures and Gaurav Thakur, a financial advisor on YouTube with over 6.3 million followers and founder of Getsfly Media.

Out of the countless startups that applied for E-Merge, 10 were shortlisted. They took turns pitching their startups to our esteemed investors from 11am to 1pm. This was followed by a Networking Lunch where the brains behind the startups could network with the investors and potentially secure an investment in their businesses.

In conclusion, E-Merge 2023 provided up and coming startups with the golden opportunity to pitch their ideas to reputed industry giants and seek their investments and mentorship in their companies. In this respect, E-Merge was a resounding success and became a breeding ground for the industry giants of tomorrow.

Changemaker

Program /Activity Name: Changemaker

Venue: S.P.I.T

Date: 8th April 2023.

Report on Changemaker Competition Conducted by E-Cell S.P.I.T. for E-Summit 2023. E-Cell S.P.I.T. in association with IIC S.P.I.T. had conducted a competition called Changemaker as part of the E-Summit 2023 event. Changemaker was an elevator pitching competition wherein students were tasked with ideating and solving real-world problems faced by NGOs i.e., CRY (*Started in 1979, CRY – Child Rights and You is a top NGO in India working for underprivileged children*) and Goonj (*undertakes disaster relief, humanitarian aid and community development in parts of 23 states across India*). Esteemed judges from each NGOs were invited to evaluate students based on the clarity of the solution, feasibility, and impact.

Ideation Period

Each team was given an ideation period of one hour to come up with their solutions to the problem statement given by the respective NGO panel. Their solution could be a new product/ service or be an extension of existing projects that the organisation is working on. The problem statement was related to the core area of the NGO, and the teams were required to come up with a practical solution that could be implemented in real life. During the ideation period, the teams brainstormed ideas, conducted research, and prepared their pitch.

Pitching and Q&A

After the ideation period, the teams pitched their ideas to the respective NGO panel. Each team had three minutes to present their solution, followed by a Q&A session of three minutes. The teams were judged on their ability to address the problem statement given by the NGO panel and come up with a solution that was practical and impactful.

Winners:

After the pitching and Q&A session, one winner was selected from each panel based on the judges' evaluation. The prize from panel one 'CRY' was awarded to Team (Sanika Tiwarekar, Shubh Gupta, Gargi Kadam), and the prize from panel two 'GOONJ' was awarded to Team (Akshay Gokhle, Soham Parekh, Eeshan Gomes)

Conclusion:

The Changemaker event at E-Summit 2023 was a great opportunity for students to showcase their problem-solving skills and come up with practical solutions to real-life problems. The event not only provided a platform for the students to interact with NGOs but also gave them an opportunity to work on real-life problems and gain valuable experience.

Acquisition Arena

Program driven by: Innovation and Entrepreneurship

Program /Activity Name: Acquisition Arena

Venue: Room No. 008

Date: 8th April, 2022.

E-Cell S.P.I.T. in association with IIC S.P.I.T. conducted its flagship event E-Summit which was scheduled for three days 6th to 8th April, 2023. Several events were conducted as a part of E-Summit in these three days and one of them was Acquisition Arena, which was scheduled on the third day of E-Summit that is on 8th April, 2023 between 1pm to 5pm. This event provided a platform to the participants to think and learn about acquisitions and mergers which are common business strategies used by companies to expand their operations, increase market share, and achieve other strategic goals. The event was divided into 2 rounds. The first one was an online screening round conducted on Unstop and around 80 teams from several renowned colleges participated for it. Only top 15 teams from round 1 were allowed to compete in round 2. Each team consisted of 1 to 3 members. During round 2, teams were given the task of bidding for two different brands out of the pool of 35 brands and presenting a compelling rationale for why the merger of those brands would make sense. The event was judged by Tina Jain Mehta, Co-founder & Director of Pineapple Consulting and Ashish Namdeo, Founder of EddyTools. They had immense knowledge about entrepreneurship and startups and hence they were able to provide valuable feedback to our participants. The winners of this event were team Wanity Hunters Original which came up with an interesting merger of Cricbuzz and Dream11. The first runners up was team Inglorious which presented the idea of merging Netflix with Myntra and the second runners up was team Fourteen suggesting the merger of Flipkart with PharmEasy. In this event, teams had to perform thorough research on the two brands they were bidding for and had to develop a persuasive argument as to why combining those brands would create a more valuable and successful company. This exercise involved careful consideration of factors such as brand identity, customer base, market trends, financials, and other relevant factors. Such simulations provided an excellent opportunity for participants to develop critical thinking, analytical, and communication skills. Overall participants gained insight into the complex process of mergers and acquisitions and the strategic considerations that go into these business decisions.

E-Conclave-1

Program driven by: E-Cell S.P.I.T.

Program /Activity Name: E-Conclave-1

Venue: S.P. Jain Auditorium, Bhavans Campus, Andheri West.

Date: April 6th, 2023

The E Summit organized by the E Cell S.P.I.T. was a remarkable event that aimed to inspire young entrepreneurs and foster their entrepreneurial spirit. The conclave hosted three keynote speaker sessions, which were enlightening and insightful. The first session was conducted by Sanjay Jha, an accomplished professional who spoke on encouraging the youth to use their entrepreneurial mindset for sustainable development of the society as a whole. He shared his personal journey and experiences, inspiring the audience to aim for excellence in their pursuits.

The second session featured the founders of Level Supermind, Aayush Anand and Harshil Karia, who discussed the significance of mental wellness and the importance of practicing yoga. The speakers highlighted the role of yoga in promoting physical and mental health, and how it can improve overall productivity and creativity. The final session was conducted by Pranjal Kamra, who spoke on the importance of building financial literacy among students and managing personal finance. His speech enlightened the audience about the significance of understanding financial concepts and its long-term benefits.

In conclusion, the E Summit Conclave organized by the E-Cell S.P.I.T. provided a unique opportunity for young entrepreneurs to learn from experienced professionals in different fields. The keynote speakers addressed various topics such as sustainable development, mental wellness, and personal finance, which are critical for students and aspiring entrepreneurs. The Conclave also provided a platform for networking, allowing participants to connect with peers and experts, exchange ideas, and gain valuable insights. Overall, the E Summit Conclave was a resounding success and served as an inspiration for the next generation of entrepreneurs who are passionate about driving positive change and creating innovative solutions to real-world problems.

E.L.A. S.P.I.T.

The English Literary Association (ELA) strives to organise and encourage literary activities that will stimulate and motivate the young minds. The association aims to hone the literary, aesthetic and communicative skills of the students. Such a journey into the realm of literary art, not only shapes one's inner self, while nurturing the creative thirst, but also sculpts the raw potential of young ignited minds. The ELA aims to inculcate, uphold and enhance the soft skills within the student population of S.P.I.T. Such skills will be an ace up the sleeves of SPITians, which will allow them to advance in their chosen fields through the proper and creative use and knowledge of the English language. The ELA aims to organise a variety of literary events throughout the year that will provide platform for the students to explore their creative talents, while refining their soft skills, which is a hallmark of their personality.

S M Parekh Debate Competition:-

ELA SPIT started off the term by organising the annual S M Parekh Debate Competition for the First Year students in order to build their confidence as well as show off their impressive debating skills. The Elimination round took place on 24th January 2023, with a lot of enthusiastic First Year students eagerly forming their teams and coming up with excellent points to gain entry in the final round. The final round was held on 30th January 2023 with the top 4 teams debating passionately in two semifinals and a final round. After a very close contest, the team of Harsh Kasliwal and Pulkit Gupta were declared as the winners.

Committee Members:

Vijay Prasanna – Chairperson
Amith Prasanth – Vice-Chairperson
Jay Oswal – Technical Head
Namoooh Shah – Head of Operations
Onam Sarode – Head of Operations
Prathamesh Kulkarni – Head of Podcasts
Anish Gade – Head of Events
Smruti Sonekar – Head of Marketing
Mihika Chachad – Head of Public Relations
Deepika Trivedi – Head of Content Creation
Aditya Parnekar – Head of Finance
Bhushan Jadhav – IIC Coordinator

Spark Events

Magazines and Reports:

One of the primary responsibilities of the SPark Committee is the creation of magazines and reports that capture the essence of college life. These publications serve as a window into the diverse range of events, achievements, and talents within our college community. It also handles the responsibility of drafting the annual report

Event Coverage:

Throughout the year, SPark diligently covered a multitude of college events, ensuring that each one received the attention it deserved. From cultural extravaganzas to academic symposiums, SPark's coverage was thorough and insightful, providing readers with a comprehensive understanding of the events.

Open Mic 2k23:

One of the standout events organized by SPark was the Open Mic Night. This event provided a platform for students to showcase their oral talents, resulting in a memorable evening filled with captivating performances. Raj's soulful rendition of soft rock classics captivated the audience and set the tone for the evening. Aakash's comedic timing and witty anecdotes had the audience in stitches, showcasing his talent as a standup comedian. Dhanashree's melodious rendition of "O Rangrez" mesmerized the audience and highlighted her vocal prowess. Keshav's hilarious take on everyday situations and observational humor kept the audience entertained throughout his performance. Anmol's beatboxing skills showcased his musical talent and left the audience amazed by his rhythmic beats. Shivani's harmonica performance added a unique musical element to the event, showcasing her proficiency in playing this instrument. Kamble and Mayank's musical duet mesmerized the audience with their harmonious vocals and instrumental skills. Notably, this Open Mic Night marked a milestone for SPark as it featured a DJ performance for the first time, adding a new dimension to the event.

ESA SPIT

Program driven by: IIC Calendar Activity

Program /Activity Name: Circuit simulation using CAD tools and 3D Printing.

Event Type: Hardware design workshop

Faculty: Mr.Chirag Shah (3D Printing Session)(CAD tools) Jenil Dave and Aditya Pathwardan (Circuit Simulation using CAD tools).

Venue: G-meet - Online

Date: November 13, 2022

Brief:

The Electronics Students Association (ESA), Sardar Patel Institute of Technology organized an informative Circuit simulation workshop on November 13, 2022 from 9:00am to 12:00pm for the interested students across colleges in Mumbai. The workshop was taken by the alumni and final year students of Sardar Patel Institute of Technology.

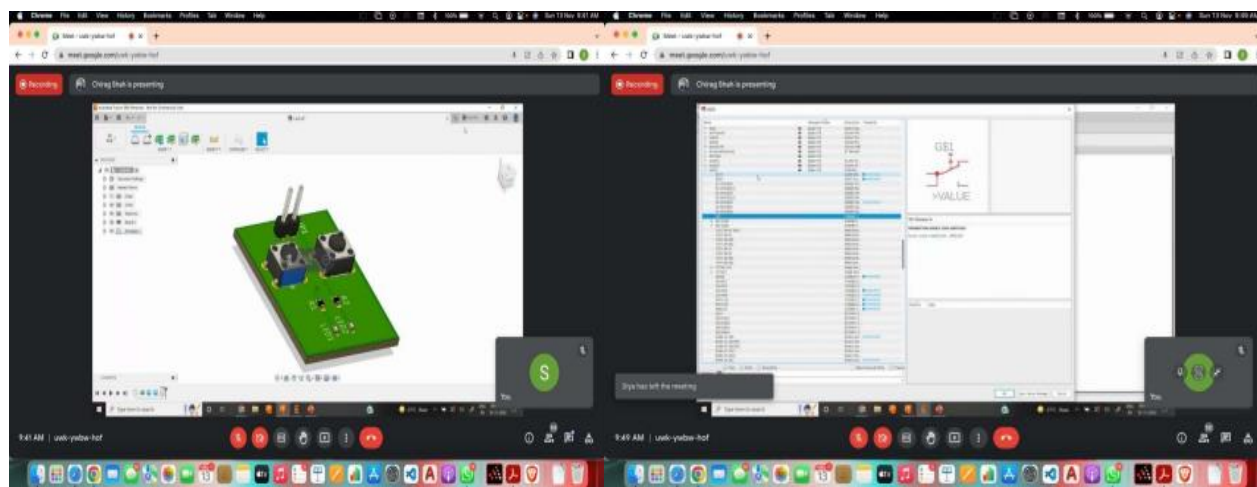

The objectives of the workshop:

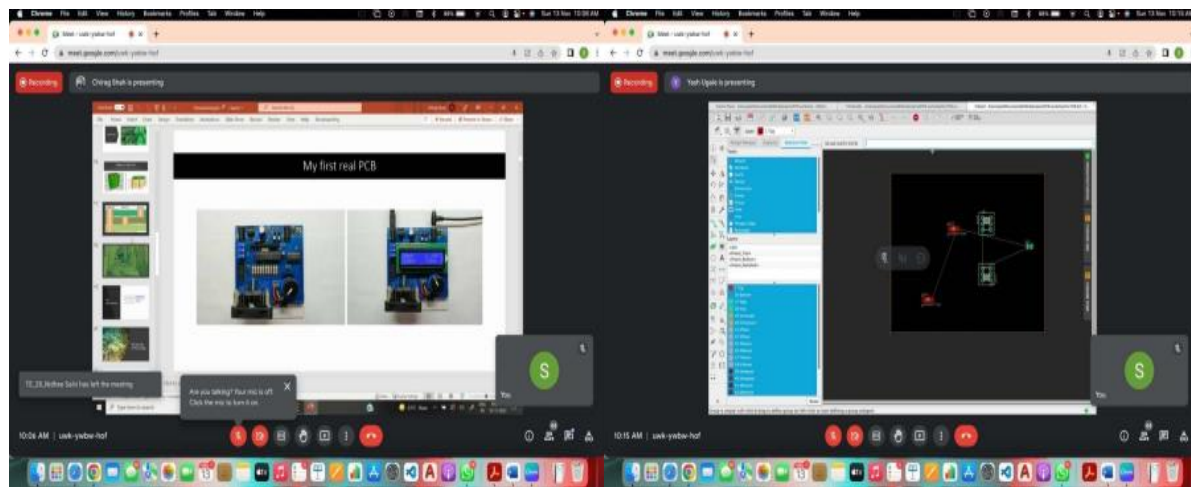

- To help the students get familiar with basics of circuit simulation process
- To develop interest among students regarding the circuit design and development process.

Event flow:

The event started off with the introduction of ESA to all the participants followed by the introduction of the guest experts. The guest experts guided the participants with a very friendly approach. The explanation was very detailed and it was made sure that every participant understood the basic concepts that were being explained. The workshop included basic things such as installation of CAD software for the design purpose as well as the layout of components, how to design a circuit board, how to arrange all the components effectively etc. Participants from colleges across Mumbai took benefit of this workshop and learned new, useful and relevant skills for their career.

Some photos of the event:

Video Link:

Techno Hunt 2022:

Program driven by: *(To be filled by IIC team)*

Program /Activity Name: *(To be filled by IIC team)*

Event Name: Techno Hunt 2022

Venue: SPIT

Date: 20 November 2022

Brief information about the event:

To provide the SEs, TEs and BEs of our college as well as the students of other colleges with a platform to dive into the world of hardware and electronics, Electronics and Telecommunication Students Association (ESA) organized "Techno-Hunt 2022" a puzzle based electronics event in association with AICTE and SPICES that makes electronics truly competitive.

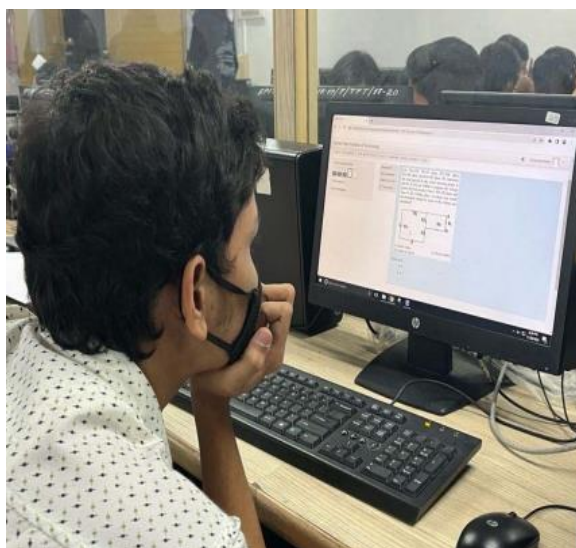

Students participated in teams of atleast two or a maximum of four. The main task of the event was divided into 3 parts namely: assembling the jumbled circuit, component identification and simulation of the assembled circuit. The teams were evaluated on the basis of the progress made in these 3 phases by an industry level expert. The team with the highest number of points at the end of three phases was declared the winner.

The teams were allotted questions on the basis of a Lucky draw. The questions were application based which included assembling jumbled set of

Parts of circuit diagram in Phase I. For Phase II teams were given the task to identify electronics components. Phase III was based on simulation of the respective circuit diagram on NI Multisim. At the end of Phase III a quiz was conducted on moodle platform.

The event took place at SPIT MCA Department (Lab no 702) from 9am to 6pm. At the end of Phase III the First place was secured by Team Techtronics from DJSCE. The Second place was Secured by Techno Brats from SPIT and the Third place was shared by Team Optimize Prime from SPIT and Team Hustlers from VJTI

Program driven by: ESA Committee and Prof. Najib Ghatte, Electronics Engineering Department

Event/Program: Mini Project Orientation and Entrepreneurship Workshop.

Venue: Online, G-Meet

Date: January 27, 2023

Introduction:

On March 2, 2023, the Electronics Students Association with the help of Professor Najib Ghatte of Electronics Engineering Department a Mini Project Orientation for the students. The session aimed to educate and enlighten the students regarding the mini project, project selection process, efficient effective methods of working towards the project. Workshop was conducted by Najib Sir of S.P.I.T. From 2:00 pm to 4:00 pm, during the time slot of 8-9:30 pm.

Workshop Content:

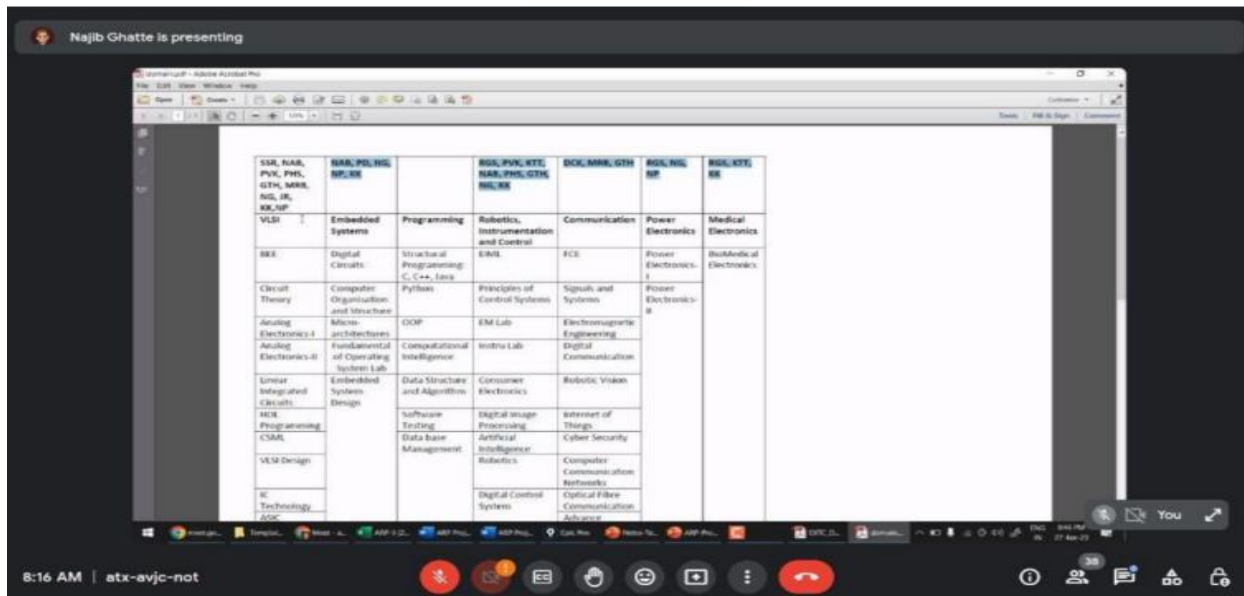

The orientation started with an Mr. Najib sir explaining the significance of projects and product ideas in today's modern times by giving some examples of great project ideas which had innovative and decorative perspective in them. Then Najib sir explained some domains for projects under which category do these projects come under. He gave a sample problem statement and basic outline and block diagram of an inventivesolution to the problem statement along with the components required for the same. He then provided the hardware and software components list required for the solution to the statement to be implemented. Then he gave a field survey of that particular solution which included questionnaire, analysis of the product that is to be made. Then, he gave a market survey for those exact components. After completing this explanation, Mr. Najib explained the process of working with our project and enlightened how to make our projects/ products effective and fascinating by using innovative ideas.

CONCLUSION:

The orientation workshop was an excellent learning opportunity for the students giving them a crucial insight into how to work with our projects and make it efficient, interesting. The workshop provided them ideas for projects and gave them knowledge of some project ideas which can be implemented by them too. Thus, the students learned the importance of every step in selecting and working with a product/project. Overall, the workshop was a great success, and we look forward to organize more similar sessions in the future.

EVENT HIGHLIGHTS:

Najib Ghatte is presenting

SIR, RAB, PUL, PNL, GTH, MRR, NGL, JR, BR, AP	BRB, POL, NGL, BR, BR		RGL, PUL, KTE, NAB, PNL, GTH, NGL, BR	DCK, MNR, GTH	RGL, NGL, BR	RGL, KTE, BR

Najib Ghatte is presenting

Field Survey

- **Sample:** Direct customers - Railways and road transport authorities
- **Questionnaire:**
 - Existing weather monitoring systems in their network?
 - Alert efficiency?
 - Delays and impact on train schedules?
 - Proposed product relevance for protocols and decision making: on a daily basis and in extreme seasons?
- **Interview:** Gained insight that no such integrated systems have been implemented and there is sole reliance on IMD's weather updates during adverse climatic conditions.
- **Analysis:**
 - Our proposed system can prove to be an asset to them due to its real time nature
 - Such low maintenance systems at critical locations can save a decent amount of cost and energy.

(AY: 2022-2023)

S.P.I.T. Innovation Cup-2023: An Ideation and Project Competition

Aspire. Create. Inspire

An event for hardware aficionados!

Duration:

Round 1: 29th March 2023

Round 2: 8th April 2023

Round 3: 8th May 2023

Organized and conducted by:

Bhartiya Vidya Bhavan's Sardar Patel Institute of Technology

Munshi Nagar, Andheri (W), Mumbai 400058, Maharashtra, India

Electronics Student Association (ESA) Electronics Engineering

Department

Core Team

Dr. B. N. Chaudhari, Head of the Institute Dr. D. C. Karia, HoD

Dr. Reena Sonkusare, HoD

Dr. Prashant V. Kasambe, (AICTE-SPICES Coordinator)

Prof. Najib Ghatte, (AICTE-SPICES Co-coordinator)

Report Submitted by:

Dr. Prashant V. Kasambe,

Prof. Najib Ghatte,

Electronic Student Association (ESA)

1. Preamble

The S.P.I.T. Innovation Cup emphasizes on the value of social entrepreneurship, which focuses on cultivating the minds of graduating engineering students to develop innovative solutions to social problems. Social entrepreneurship seeks to create a positive impact on society by addressing social issues such as poverty, inequality, and environmental degradation. By participating in the Innovation Cup, participants are encouraged to think beyond profit making and contribute to society by developing solutions to these critical social problems. The event ties in with the core values of the institute, which focuses on developing innovative and socially responsible engineers.

The department aims to provide students with the knowledge and skills necessary to develop cutting-edge technologies that addresses real-world problems. The Innovation Cup is an opportunity for students to put their skills and knowledge into practice and contribute to society by developing innovative hardware solutions that aims to solve social issues of the citizens at the bottom of social ladder. The event was also dedicated to the memories of founder K. M. Munshi, Founder of Bhartiya Vidya Bhavan, Iron Man of India Sardar Patel and 75th Anniversary of Indian Independence. Electronic Student Association (ESA), Electronics Engineering Department of Bhartiya Vidya Bhavan's, Sardar Patel Institute of Technology, Mumbai, Maharashtra, India is sponsored under AICTE-SPICES for the Academic Year 2020- 21 to conduct technical activities. Keeping all these aspects in view, ESA proposed to organize S.P.I.T. Innovation Cup: An Ideation and Project Exhibition Event for hardware aficionados! The entire contest was conducted in 3 Rounds. The Round 1 was Registration and Ideation. The entire registration process was conducted through Unstop: A web-based portal useful for promoting the events. Round 2 was Assessment Round in offline mode and Final Round 3 was Final Round.

2. Round 1 (Ideation Round):

This Round was completely online. In this Round the participating teams (minimum 3 to maximum 4 members) were free to choose any domain or domains and identify a problem statement that deals with the problems faced by the community in those domains. The proposed domains were IoT Applications in Agriculture, IoT Applications in Healthcare, IoT Applications in Wearables, IoT Applications in Traffic Monitoring, IoT applications for Environment Safety and a healthy ecosystem, IoT applications for Real-time data acquisition, object tracking, and analysis, A battery management system for Electric Vehicles, Sensor based Drone Technology, IoT-based Water Management System Track, and Other than the above-specified domain any multidisciplinary application using IoT Technology. Once the problem statement was identified by the team, the team was expected to frame an abstract on the solution and submit it along with the resumes of all the team members. The resume should highlight the details of the technical events in which the team members have participated previously. A total of 295 participant i.e @ 75 teams various undergraduate and diploma engineering colleges across the Nation registered for the event. A Panel of judges consisting of coordinators of AICTE-SPICES, and four faculty of the departments evaluated the Abstracts submitted by the teams. The evaluation result of this round was communicated to the teams selected for Round 2 based on submitted abstract only. The teams with relatively more score in rubrics like innovative problem statements, solutions and better contributions highlighted in resumes had a better chance of qualifying for round 2. For Round 1 evaluation of 30 Marks was carried out based on the mentioned rubrics. Among 75 registered teams, 47 teams were selected for Round 2. The result was declared on 30th March 2023.

3. Round 2 (Assessment Round):

Round 2 was Assessment Round in offline mode. The inaugural ceremony of the event was conducted in the hands of Chief Guest Dr. Y. S. Rao, Dean Academics, and R&D, Guest of Honor Dr. D. R. Kalbande, HoD Computer Science and Engineering Department, and Prof. K. T. Talele, Core Managing Team Member, SP-TBI, and all Panel Member of Judges from Industry and Academia.

Round 2 was divided in two phases. PHASE 1: The selected teams were required to work on a live problem statement that involves the use of technical skills in the domain of circuit design, troubleshooting, testing and demonstrating PCB design using any CAD tool. At the beginning of the event in Phase 1, each participating team was given a Techno-Hunt kit consisting of discrete form of various blocks and circuits which represents the solution of the problem statement they have been assigned based on the lucky draw. Each participating team was also given a A3 size drawing sheet, sketch pens of different colors, pencils, glue and A4 size pages. Using these materials, each participating team was given the task to develop the correct block diagram and circuit diagram based on the assigned problem statement. Later based on the circuit designed, teams were required to develop the circuit on zero PCB. All the required electronic components, zero PCBs, soldering wires, solder iron, test and measuring instruments were provided to the teams. The desoldering pump, connecting wires, screw drivers, etc. were available as the common resources. The rubrics for this phase were as follows: Working Demonstration, Block Diagram, Circuit Diagram, PCB Schematic & Layout, and PCB 3D View.

For PHASE 2: The participants were expected to present the abstract product/idea that they came up with in the Round 1. The evaluation of 50 Marks was based on the rubrics as follows: Problem Statement, Objective, Motivation, Block Diagram, Methodology, Target Audience, Market Survey, and Tentative Budget. Based on the score of Round 2, best 15 teams were selected for Round 3.

4. Round 3 (Final Round):

The selected teams for Final Round 3 were given a budget of ₹5,000 in order to build a prototype of the idea that they proposed in Round 1. An online meet was conducted with the selected teams for any updates and guidance needed to build the prototypes. It was then later judged for maximum marks of 50 based on the rubrics like its innovation, cost effectivity, the impact of the product for the citizens at the bottom of the social ladder and other industry parameters set by the judges. A complete breakdown of expenses was also required to be produced by the teams for their idea. The ideas proposed by the selected 3 teams will be patented in the name of their institute/institutes, SPIT and SP-TBI. The funding for prototype development and patent is sponsored by AICTE-Idea Lab of the institute. The event was conducted at Nidhi Prayas Lab at the institute. The event was a grand success due to hard work from all the members of ESA, expert guidance and most importantly active participation from all participating teams. The institute coordinators of the AICTE-SPICES would like to sincerely thank with due respect the participation, guidance, help, and support from Panel of Judges from Industry and academics according to the various domains like Environment Safety and Health Ecosystem, Home Safety and Security, Transportation and Specially abled Citizens, Women and Baby Safety. The Panel of Judges were Dr. Amol Deshpande, Prof. Payal Shah, Prof. Sneha Weakey, Prof. G. T. Haldankar, Prof. Payal Shah from S.P.I.T., Mumbai Dr. Deepak Bhoir, Prof. Swapnali Makdey, Fr. Rodrigues College of Engineering, Mumbai, Dr. Prasad Joshi, D. J. Sangahavi College of Engineering, Mumbai, and Mr. Abbas Barwaniwala, Analog Design Engineer, Silicon Labs, Mr. Vidur Shah, Silicon Engineer @ Google, and Mr. Somesh Shrivastav, ASIC Engineer at NVIDIA and Mr. Abbas Barwaniwala, Analog Design Engineer, Silicon Labs. The support from Dr. Y. S. Rao, Coordinator AICTE-Idea Lab, Dr. D. R. Kalbande, Co-coordinator AICTE-Idea Lab, Prof. K. T. Talele, and team of SPTBI, Dr. D. C. Karia, HoD, Electronics Department, Dr. Reena Sonkusare HoD, Electronics & Telecommunication Department, all Teaching and technical staff of the Department namely Mrs. Deepali Yamgar and Mrs. Sujata Gawas, Mrs. Pallavi More, Registrar, Mrs. Sangeeta Fernandes, Accounts and S.P.I.T. office staff of the institute was very crucial. Most importantly sincere thanks to Dr. B. N. Chaudhari, Principal, S.P.I.T. for accepting the proposal of this event, mentoring and financially supporting this event for procurement of all the resources required to conduct Phase 1 of Round 2. The coordinators would like to extend sincere thanks to respected authorities at AICTE, New Delhi for sponsoring this event. The coordinators expect the active involvement of ESA for conducting events in future under AICTE-SPICES

In Final Round 3, out of 14 teams participated, 6 teams were declared as winners of the contest for prize amount worth Rs. 50,000/- and 4 teams were declared under funding for patent filing.

5. List of Winning Teams

The list of the Winning Teams are as follows.

6. ESA: AICTE SPICES on Social-Media

ESA is active on social media with tagging AICTE-SPICES. Following are the weblinks.

LinkedIn: <https://www.linkedin.com/company/electronics-student-association/>

Instagram: https://instagram.com/esa_spit?igshid=MDM4ZDc5MmU=

7. Student Association Promoted:

This event was conducted in association with Forum for Electronics and Telecommunication Students (F.E.T.S.), Department of Electronics & Telecommunication Department and IIC, S.P.I.T, SP-TBI and S.P.I.T AICTE-Idea Lab

Report on Sardar Patel Institute of Technology's Project Exhibition

Date: 26th May 2023 (for second-year engineering students)

29th May 2023 (for third-year engineering students)

1. Introduction:

The Sardar Patel Institute of Technology organized a Project Exhibition on 26th and 29th May 2023 for the second and third-year engineering students, respectively. The exhibition provided a platform for students to showcase their semester projects, which ranged from software to hardware-based solutions. The event aimed to promote innovation, practical skills, and problem-solving abilities among students while addressing societal, environmental, and industrial challenges.

2. Event Details:

Date: The exhibition was conducted on 26th May 2023 for second-year students and 29th May 2023 for third-year students.

Location: The event took place at Sardar Patel Institute of Technology.

3. Project Development:

- a. Group Formation: Students were organized into groups of 2-3 members at the beginning of the semester to foster collaboration and idea sharing.
- b. Mentorship: Each project group was assigned a mentor who provided guidance and support throughout the project development process. Mentors assisted students in refining their project ideas, selecting appropriate technologies, and ensuring regular progress.

Sardar Patel Institute of Technology

Bhavans Campus, Old D N Nagar, Munshi Nagar, Andheri West, Mumbai, Maharashtra, 400058

4. Project Scope and Diversity:

- a. Variety of Projects: The exhibited projects showcased a wide range of domains, reflecting the students' diverse interests and creativity.
- b. Social Impact: Several projects aimed to address real-world problems and make a positive impact on society. This demonstrated the students' commitment to leveraging their engineering skills for the betterment of communities.

5. Evaluation and Funding:

- a. External Evaluation: External faculty members and industry experts were invited to evaluate the projects, ensuring impartial and expert assessment.
- b. Evaluation Criteria: The projects were evaluated based on technical complexity, innovation, practicality, impact, presentation, and overall execution.
- c. Funding Selection: Projects that displayed novelty, uniqueness, and demonstrated strong execution or required knowledge were selected to receive funding for the next phase of their projects in the coming semesters. This additional funding aimed to support students' efforts and encourage further development of promising projects.

6. Conclusion:

The Project Exhibition conducted by Sardar Patel Institute of Technology showcased the semester projects of second and third-year engineering students. The event highlighted the students' technical competence, innovation, and problem-solving skills. The variety of projects exhibited demonstrated their ability to apply engineering principles to practical situations and address societal challenges.

The inclusion of external evaluators added credibility to the assessment process and provided students with valuable feedback. Moreover, the selection of projects to receive funding for the next phase indicated the institute's recognition of hard work, knowledge, and innovative ideas displayed by the student groups.

The Project Exhibition not only acknowledged the students' achievements but also promoted a culture of practical learning, critical thinking, and innovation within the institute. It inspired and motivated students to push their boundaries, excel in their project endeavors, and contribute to society and industry with their skills and creativity. Overall, the event was a great success, encouraging students to pursue their project ideas and continue their exploration of engineering solutions to real-world problems. It is expected that the funding provided to selected projects will further fuel their development and contribute to the advancement of engineering knowledge in the coming semesters.

The Project Exhibition served as a testament to the institute's commitment to nurturing well rounded engineering professionals capable of making a positive impact on society through their projects.

Institute Events

MOUs

Following is a list of the functional MOUs between various organizations and reputed institutes till academic year 2021-22. The basic purpose and the details of these organizations are described below.

Sr. No.	Details of organization	Purpose
1	Veer Jijabai Technological Institute Student exchange in identified fields for one or two semesters as per the norms of the institutions.	VJTI and SPIT may take the help of each other in the revision of curriculum, evaluation process and to find out the commonalities to facilitate the exchange of faculty. Both the parties mutually agree to help each other to establish and develop laboratories, research centres, etc., as and when required Undertake collaborative R&D work/R&D Projects. Sharing of journals and other information exchange through e-library facilities of both institutes. Develop hardware technology implementation. Develop academic products to enrich the laboratory infrastructure Encourage students towards entrepreneurship, incubation, and innovation. Any other academic or research activity undertaken for mutual benefits or benefiting the society, with a focus on Atma Nirbhar Bharat

Sr. No.	Details of organization	Purpose
2.	Fr. Conceição Rodrigues College of Engineering	This MOU is for collaboration between both parties, for mutual benefit, for the purposes listed below, but not limited to points thereof, to enhance the quality of the educational experience for stakeholders of the institutions. 1 Mutually agree to identify various areas of academic or research interest and depute students, staff or faculty on exchange as per the requirements for Conducting courses or research in various semesters. 2 CRCE and SPIT may take the help of each other in the revision of curriculum, co- teaching for some important courses, teaching learning processes, external quality audits, assessment & evaluation process and to find out the commonalities to facilitate the exchange of Students and faculty. 3 Both institutions help each other to organize/conduct courses/training modules enabling students' mobility across both Higher Education Institutes (HEI) for Seamless integration of skills and experiences. Minor Degree or Honors Degree courses have to be held in the respective Institute only.

Sr. No.	Details of organization	Purpose
3.	KPEC Engineering and Contractors pvt Ltd.	Development of Smart Energy Meter for Residential, Industrial & Commercial applications. 1. The development consists of Development of appropriate models of Smart Energy Meter as per Technical Specifications mentioned in Annexure I & Annexure II. SPIT will take complete responsibility which includes Identification, Study & Analysis to develop industrial grade Smart Energy Meter. 2. Study & evaluation of target board hardware, circuit schematics design. Philosophy, flowcharts, firmware literature provided by first Part. 3. Development of firmware in C/C++ for Smart Energy Meter based on latest MISRA C coding standards, testing of Smart Energy Meters as per Annexure II certification standards, along with assistance for NABL accredited Lab certification. 4. Testing of hardware (target boards prototypes housed in enclosure) for its performance on cloud-based server with SPIT developed firmware as per NABL testing procedures. 5. Study of various certification standards provided in Annexure II, Communication, carrying correspondence & visits to ERTL, Andheri or CPRI Bengaluru for guidance in testing of Smart Energy Meters. All Expense will be borne by first part. 6. Establishment of miniature testing Lab up to NABL standards in SPIT, all expense borne by first part by signing a separate MoU and agreement.

Sr. No.	Details of organization	Purpose
4.	CPIOMBO	'Bharatiya Vidya Bhavans' Sardar Patel Institute of Technology (BVB-S.P.I.T.) hosted incubator to run and manage a Technology Business Incubator (SP-TBI) in the premises allocated by BVB-S.P.I.T. to facilitate incubation of new enterprises with innovative technologies in various branches of science and engineering by admitting them in the SP- TBI and providing them physical, technical and networking supports and facilities, and thus promoting entrepreneurship at Bhavans' Andheri Campus. A Memorandum of Understanding (MOU) has been entered in between SP-TBI and CPIOMBO describing respective roles and responsibilities of each, incubator and Company. The MoU further authorises incubator to accept consideration in the form of equity stake in the Company or royalty on revenue of the Company or a donation by the Company to SP-TBI's corpus. From the Company towards support provided the SP-TBI. 2. The Company "CPIOMBO" is tech firm that intends to provide solution to all enterprises by building an ecosystem of skilled & certified workman professional for functional service solution into Home improvement with assurance of standard workmanship and consistent output for maximizing consumer experience, hence approached an incubator for admission in the SP-TBI. 3. The Company has agreed to pay the consideration as may be stipulated by incubator and pre-agreed by the company in writing, for admission in the SP-TBI. 4. Incubator has approved the admission of the company in the SP-TBI on the terms and conditions set hereafter.

Sr. No.	Details of organization	Purpose
5.	WE Matters	'Bharatiya Vidya Bhavans' Sardar Patel Institute of Technology (BVB-S.P.I.T.) hosted incubator to run and manage a Technology Business Incubator (SP-TBI) in the premises allocated by BVB-S.P.I.T. to facilitate incubation of new enterprises with innovative technologies in various branches of science and engineering by admitting them in the SP- TBI and providing them physical, technical and networking supports and facilities, and thus promoting entrepreneurship at Bhavans' Andheri Campus. A Memorandum of Understanding (MoU) has been entered in between SP-TBI and Theother 2 Thirds Consulting LLP, (We.Matter) describing respective roles and responsibilities of each, incubator and Company. The MoU further authorises incubator to accept consideration in the form of equity stake in the Company or royalty on revenue of the Company or a donation by the Company to SP-TBI's corpus. From the Company towards support provided the SP-TBI. 2. The Company "Theother 2 Thirds Consulting LLP, (We.Matter) is HR Tech firm that aims to transform businesses and improve lives by harnessing the potential of Employee Engagement and Wellbeing, hence approached an incubator for admission in the SP-TBI. 3. The Company has agreed to pay the consideration as may be stipulated by incubator and pre-agreed by the company in writing, for admission in the SP-TBI. 4. Incubator has approved the admission of the company in the SP-TBI on the terms and conditions set hereafter. 3. In addition to the Incubator facilities. the Company will be provided with other facilities such as facilitation of liaisoning and networking with mentors, professionals and experts in various areas, venture capitalists, and showcasing opportunities in events organised by BVB-S.P.I.T./ SP-TBI from time to time.

Grants/Funds by Faculty

Name of Faculty	Name of the Funding agency	Title of the Project	Amount Received (In Lacs)
Dr. Reena Sonkusare/ Dr. Y.S. Rao	AICTEs MODROB	Renewable energy Laboratory and Advanced Digital Laboratory	11
Dr. D.C. Karia	AICTEs MODROB	Real Time Signal processing	1.41
Dr. R.R. Sawant / Dr. B.N.C Chaudhari	(TDP) DST, New Delhi	Design and Development of a fully automated Pressure and Vacuum Controlled Precision Induction Casting Machine	7.5
Dr. Rajendra Sawant/ Prof. Darshan Sankhe	DST Nidhi Prayas, New Delhi	Digitally Controlled Resonant Power Supply	6.5
Dr. B.N.C. Chaudhari/ Dr. Y.S Rao/ Dr. D.R. Kalbande	AICTE, New Delhi	IDEA LAB research	15
Dr. Pooja Raundale	AICTE ATAL FDP	Institutional Building Leadership for Academic Excellence in Higher Education	3
Dr. Sujata Kulkarni/ Prof. K.T Talele	(DSTEI) R10 Region	Smart Drone to IEEE-AESS Student Branch	USD 25,000
Dr. Sujata Kulkarni	IEEE	IEEE-AESS Student Chapter	USD 250

SP-PDC

Vision and Mission: The vision and mission of this program revolves around the overall development of students in the sphere of innovation. The main aim is to instil a sense of creativity in sync with technical aspects. All in all, to harness invention and innovation.

Objective:

- To convert project to prototype for commercialization
- To develop and test hardware/Software products
- To provide technology support for creative product development
- To develop skills required for end-to-end product development

Asset Cost: Rs. 21, 00,000, Civil Infrastructure: 14.15 Lakhs, Equipment: 6.85 Lakhs

Contributor: SPIT Alumni Network, SPTBI, SPIT

Consultancy Projects: Two Consultancy Projects Completed: (1) casting Battery Charging Systems for Indian Railways (2) Induction heating machine for jewelry casting

Internship Generated (1st Jan to 30th June 2022): 13 (Thirteen), successfully completed.

Forthcoming National Level Activity: AICTE IDEALAB (Rs. 1.47 Crore), Proposal. The existing PDC serves as an important foundation for this proposal. The Proposed IDEALAB would be jointly funded by SPIT, SPCE, SPTBI, Industries and AICTE. The minimum required infrastructure is created to offer work on various products and projects by PDC.

- Few testings equipment worth 7 Lakhs like CROs, Multimeters etc. are procured under PDC and would be made available for proposed IDEALAB
- The facilities like Wireless LAN, internet connectivity, pantry, product show-cases and display-boards are created for PDC would be available for IdeaLAB.

SP-TBI

SP-TBI Introduction:

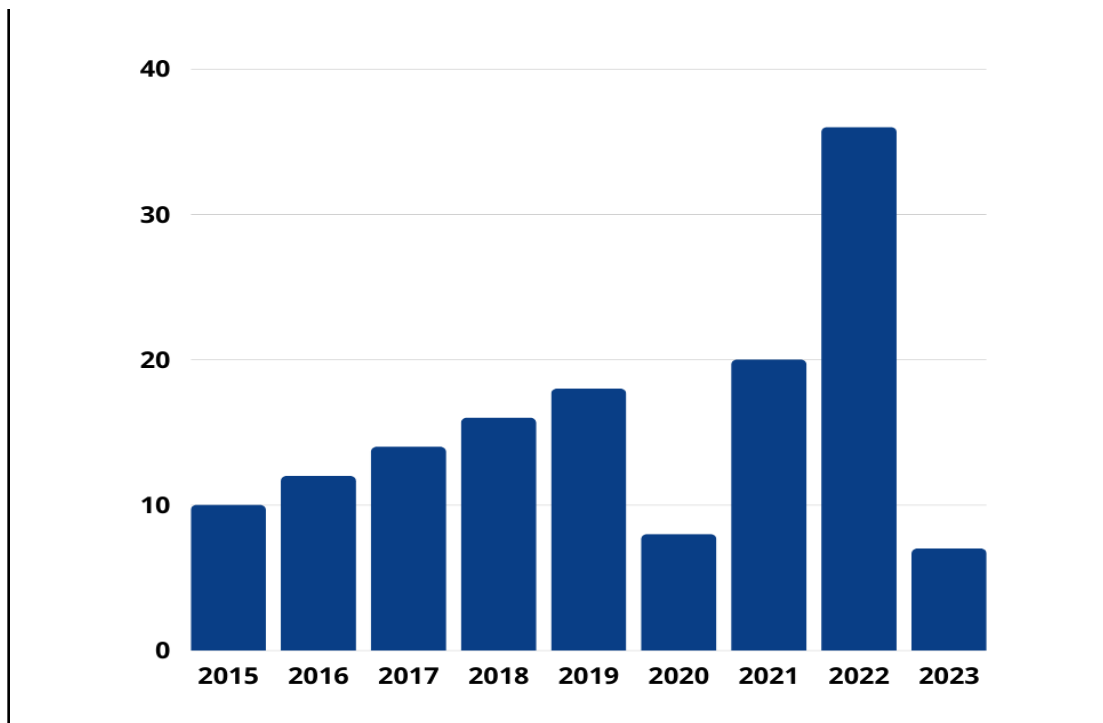

- Sardar Patel Technology Business Incubator (SP-TBI) is an incubation center founded in 2015 as an initiative of Bhartiya Vidya Bhavan's Sardar Patel Institute of Technology and is affiliated with the Department of Science and Technology, Government of India.
- We are affiliated with Bharatiya Vidya Bhavan, which is an organization that houses various colleges like SP Jain Institute of Management and Research (SPJIMR), SPIT, SPCE to name a few.

- Total Area: over 15,000 sq feet
- Infra:
- AR VR
- IoT lab
- Digital Studio (working lab)
- 26 dedicated rooms for startups
- 5 meeting rooms
- 1 conference room
- 60-seater co-working space
- Product Development Centre
- Prayas Lab (Funded under Nidhi Prayas)

SP-TBI Overview:

SP-TBI has incubated 141 startups since its inception. Currently, 53 startups are incubated.

Above are the startups incubated year wise. Till now SP-TBI has supported over 175 Entrepreneurs and have created over 750 jobs. Apart from this, SP-TBI has supported Students, Faculty and even PwD startups.

Currently, there are **16 physically incubated startups** and **28 virtually incubated startups**.

SP-TBI Sponsored Research Projects

Sr. No.	Name of the Funding agency	Title of the Project	Amount Received (In Rupees)
1.	Government of India, Department of Science and Technology	Establishment of PRAYAS Centre	12,000,000.00
2.	Ministry of Commerce and Industry	Startup India seed Fund	21,000,000.00
3.	DST Nidhi Prayas	Establishment of PRAYAS Centre	16,873,433.00
Total			49,873,433.00

FUNDING INITIATIVES:

1. NIDHI SSS (National Initiative for Developing and Harnessing Innovations –Seed Support Scheme)

The primary aim of the NIDHI-SSP is to guarantee the prompt availability of seed support to deserving incubatee startups. This endeavour empowers these startups to elevate their ventures to new heights, facilitating their journey towards success in the marketplace.

Under this scheme, SP-TBI has been sanctioned **INR 10 Crore** and has received it's first tranche of **INR 2 Crore** and has supported **7 startups** with an equity/ loan partnership. Below is the list of these startups:

Sr. No	Startup Name	Funding Year	Committed (in INR)
1.	Zeuva Automotive Private Limited	2019-20	50,00,000
2.	Rethynk Tech Private Limited	2019-20	25,00,000
3.	Avileen Academic Services Private Limited	2020-21	50,00,000
4.	Skinzy Software Solution Private Limited	2020-21	25,00,000
5.	Rama Lifescience Private Limited	2020-21	25,00,000
6.	DVDP Technologies Private Limited	2021-22	25,00,000
7.	Immersive Engagement Tech Private Limited	2022-23	30,00,000
Total			2,30,00,000

2. NIDHI PRAYAS (NIDHI-PRomotion and Acceleration of Young and ASpiring technology entrepreneur)

The initiative aims to foster ideas and innovations in knowledge-based and technology-driven ventures, nurturing the potential for successful startups. The Nidhi Prayas programme assists start-ups in bridging the early-stage gap by supporting them in transforming their ideas into product prototypes with promising commercial potential by providing prototype grant up to INR 10 Lacs. Under this scheme, SP-TBI has been sanctioned **INR 2.13 Crore** for supporting applicants and setting up the PRAYAS SHALA (Prototyping Lab).

SP-TBI has supported **12 applicants** for prototype grant and below is the list of applicants

Sr. No	Startup/ Prayasee Name	Funding Year	Committed (in INR)
1.	Via Energicals Private Limited	2022-23	10,00,000
2.	Urbanblue Technologies Private Limited	2022-23	10,00,000
3.	Rohan Kaundal	2022-23	7,00,000
4.	Allytriz Technologies Private Limited	2022-23	9,75,000
5.	Nutricape Private Limited	2022-23	7,20,000
6.	Amos Ramesh	2022-23	7,50,000
7.	Space Philic Private Limited	2022-23	9,00,000
8.	Anoma Greens Private Limited	2022-23	8,75,000
9.	Mavmo Private Limited	2022-23	8,50,000
10.	Yerramreddy's Go Green Technologies Private Limited	2022-23	8,75,000
11.	Darshana Sankhe	2022-23	6,50,000
12.	Lakshmi Gharpure	2022-23	7,05,000
Total			1,00,00,000

Prayas Shala Lab (Funded under Nidhi Prayas):

The procurement of all the equipment is completed and the installation process is ongoing. The SP-TBI's Nidhi Prayas Shala lab equipment is divided into six segments:

- Prototyping Facility
- Metal Working Facility
- Electronic Facility
- Power Tools
- Supply and measuring Equipment

Sr No	Equipment Name
1.	Digital Storage Oscilloscope
2.	Vinyl cutter
3.	PCB Milling machine
4.	Laser cutter and engraver
5.	Reflow Oven
6.	Mini desktop lathe cum milling
7.	Jigsaw Machines
8.	Drill stand convert hand
9.	MiG and Arc Welding Machine
10.	DC Regulated Power Supply
11.	Programmable arbitrary Waveform Generator
12.	Programmable DC Source/ Solar Simulator

Prays Centre and AICTE Idea Lab Events

The Prays Lab and AICTE Idea Lab constructed over 1500 Sq. feet of has become the attraction for students and faculty due to state of the art facilities like: 3D printing Works, 3D Scanner for reverse Engineering, Laser Cutting and Engraving Machines, PCB Making Setups, Vinyl Printing and Cutting Tools, projects, Mechanical and Wood Fabrication Workshop. Apart from it it has a Lecture Audio-Video Recording and Presentation Facility using Digital Studio.

The facilities at AICTE Lab are included as a part of curriculum to execute Workshop of First Year of Engineering all Programmes named as Skill Shop. It is a unique model of the First Year of Engineering workshop.

Nature of the Events	Total Number	Total Number of Participants
Skilling Programme	18	635
Awareness Workshops for Industry	01	45
Faculty Development Programme	05	93
Ideation workshops	05	740
Open Day for school students and One Day School Awareness	02	180
Internships	03	70

Total number of Engineering Colleges Participated: 50

From Maharashtra: 44	Within Mumbai: 27 Navi Mumbai: 09 Thane and Kokan: 05	1. Saradr Patel College of Engineering, Andheri 2.Dwarkadas Jeevanlal Sanghvi College of Engineering (DJSCE), Mumbai 3. Terna College of Engineering, Nerul, 4. NCRD'S Sterling institute of Management Studies Nerul, 5. Bharati Vidyapeeth College Of Engineering, Navi Mumbai, 6. A C Patil college of Engineering , Kharghar and etc.
	Other Cities of Maharashtra: 03	1. Vishwakarma Institute of Technology, Pune (VIT) 2. A. G. Patil Institute of Technology (AGPIT), Solapur 3. Dr. D. Y. Patil College of Engineering and Innovation, Talegaon, Pune
Outside of Maharashtra: 06	06	1. Jaipur Institute of Engineering and Management (JIEM), Gadota-Jaipur 2. Jayamukhi Institute of Technological Sciences (JITS), Telangana 3. Madanapalli Institute of Technology and Science, Andhra Pradesh 4. Rajasthan Institute of Engineering and Technology College-Jaipur (RIETC), Jaipur 5. Chandigarh University 6. Bhilai Institute of Technology, Raipur

3. Startup India Seed Fund Scheme (SISFS)

SISFS provides crucial financial assistance to early-stage startups, assisting them in their initial phases of development along with that it recognizes the immense potential of startups dedicated to creating a lasting social impact and provides them with the necessary seed funding and resources to bring their innovative ideas to life. SISFS offers **grant upto INR 20 Lakhs** and a debt-based instrument funding upto **INR 50 Lakhs**. Under this scheme, SP-TBI has been sanctioned **INR 5 Crore** and has received its first tranche of **INR 2 Crore** and has supported 8 startups with either grant or debt-based instruments and below is the list of these startups:

Events and Activities Conducted

1. IoT Lab Inauguration

SP-TBI in association with Sidbi Venture Capital Limited has developed an IoT lab at SP-TBI. This IoT LAB houses high-end equipment to support early-stage ventures in developing their products and services. Lab Inauguration took place on 28th April 2022 by Mr. Satyaprakash Singh, CEO of SIDBI Venture Capital Limited & Dr. B.N Chaudhari, Chairperson, SP-TBI

2. NetWorthIn 2.0

A funding event for the startups that are at their Scaling & Growth stages having innovative technology offerings in areas like AI-ML, IoT, Security, AgriTech, DeepTech, Metaverse, D2C, FinTech, EdTech, Waste Management, Renewable Energy & Healthcare. The startups had a 1-to-1 meeting with the panel for 15 mins each, and filtration during the screening round.

3. FDP (Faculty Development Programme)

The theme of the event was to create an entrepreneurial mindset and skillset, both of which are much needed in the marketplace today, and to give insights on how entrepreneurship has impacts on the attributes of: design, investigation, problem analysis, life-long learning, communication, individual and team work, economics and project management. The event was attended by 31 participants (16 women and 15 men).

4. The Art of Pitching

SP-TBI celebrated National Startup Day by hosting a Workshop on "The Art of Pitching" on SP-TBI as part of the Startup India Innovation Week 2023! The workshop was conducted by Mr. Dinesh Israni, Founder, and Naman Angels India Foundation

Research and Development Activities

Sponsored Research Projects

Sr. No.	Name of Faculty (Principal Investigator)	Name of the Funding agency	Title of the Project	Amount Received (In Rupees)
1.	Dr. Sujata Kulkarni	IEEE-AESS student Chapter	Activities of Student Chapter	20,525.00
2.	Dr. Sujata Kulkarni	Distributed Sensor Technology and Education Initiative (DSTEI) R10 Region	Smart Drone to IEEE-AESS Student Branch	2,052,512.50
3.	Dr. Rajendra Sawant	DST Nidhi Prayas	Design and Development of Telecom Power Supply for 5G Network	650,000.00
4.	Dr. Rajendra Sawant	DST Nidhi	Design and Development of a Fully Automated Pressure and Vacuum Controlled Precision Induction Casting Machine	7,020,000.00
5.	Dr. Y. S. Rao	DST Nidhi Prayas	IOT based Analog and Digital Electronics Mobile Lab	875,000.00

Ph.D. Thesis Defended (01)

- Prof. Talele Kiran Tulshiram Vasumati (UoM) defended Ph.D. Thesis titled “Emotion Recognition Using Facial Expressions”

Ph.D. Thesis Submitted (05)

- Prof. Dayanand Ambawade submitted Thesis titled “Study of Event Correlation Analysis Techniques for Network Security”
- Prof. Payal Shah (UoM) submitted Thesis titled “Modeling and design of silicon neurons and synapse for neuromorphic chip implementation”
- Prof. Manish Bansode submitted Thesis titled “Design of compact electromagnetic band gap structures for high speed signaling”
- Prof. Pramod Bide submitted Thesis titled “Social Network User Behavior Analytics for Manmade Disaster”
- Prof. Renuka Pawar submitted Thesis titled “An Intelligent IoT Approach for Enabling an Access Control Solution for Smart Health Care System”

Library

Introduction

About Library - SPIT library is a knowledge resource center, which has an invaluable resource for the students and faculty members in the area of Engineering and Technology. It is providing effective information services to the users within a shortest possible time using SLIM library management software.

Library has a collection of more than 24000+ books and 8000+ e-books. Library has subscribed to National and International periodicals along with online journals like IEEE ASPP + POP and ACM Digital Library. It is a member of National Digital Library. Library has E-books with multi user, IP based 24X7 access with no limit on the number of downloads.

SPIT library maintains Institution Repository with open-source software: DSpace having Institution events, reports, institutional magazines, faculty publication, academic rules, question papers, syllabus etc. Library has NPTEL online lectures of eminent personality of various IITs, and there are made available to user online through Intranet. Library provides Book Bank facility to students. SPIT Library is open to other academic users for reference.

Library is wi-fi enabled and has an Internet Center having 10 PCs.

Objectives of the Library –

- To develop an enriched collection of books and other resources to the students and staff of SPIT.
- To implement new technologies learnt for betterment of our library services.
- To see institute library as the front runner in implementing the new information and communication technologies

Working Hours

Library Timings: 8.30 A.M. TO 7.30 P.M.

After Library hours students can sit in room 101 or 003.

SPIT Library Committee

Name	Position

IEEE All Society Periodicals Package + IEEE Proceedings Order Plans (ASPP+POP)

IEEE ASPP Online combines high-quality technical literature with the power of online searching, including:

- 190 IEEE online society-sponsored journals, transactions, and magazines
[Download complete list of titles \(XLS\)](#) included in IEEE ASPP
- Peer-reviewed publications, concentrating on theoretical and experimental papers
- Quality magazines focusing on practical applications in research, design, and specification
- More than 461,000 documents, many of them available in HTML as well as the original PDF format
- Complimentary access to content from Nokia's *Bell Labs Technical Journal*
- The most [highly-cited](#) journals in the field
- Approximately 5 million abstract records
- Backfile to 2010
- Robust search tools with a user-friendly interface
- Daily updates—hundreds of papers added each week
- Abstract/citation and bibliographic records for subscribed content
- Title lists with persistent links and new periodical titles: www.ieee.org/kbart

ACM Digital Library Subscription 2022-23

The ACM Digital Library is a research, discovery and networking platform containing:

- The Full-Text Collection of all ACM publications, including journals, conference proceedings, technical magazines, newsletters and books.
- A collection of curated and hosted full-text publications from select publishers.
- The ACM Guide to Computing Literature, a comprehensive bibliographic database focused exclusively on the field of computing.
- A richly interlinked set of connections among authors, works, institutions, and specialized communities.

Feedback

FEEDBACK ON BEST PRACTICES

As part of the preparation for NAAC accreditation, a survey was undertaken to determine the perception of best practices at S.P.I.T. The survey template developed by IQAC was circulated amongst all stakeholders of the institute like faculty, students, industry experts, office staff, domain experts, teachers of other higher education institutions and so on. The survey had 37 respondents.

Stakeholder

37 responses

Highlights of the feedback:

- Considerate of student needs related to academics and internships and taking Appropriate steps
- Various opportunities to enhance co curricular skills
- Practical knowledge demonstration
- Easily accessible professors for help
- Best TPO
- Scope courses, Freedom to choose electives, Innovative labs
- Autonomy, giving motivation for startups, research internships
- Flexibility in the Work Environment and encouraging the performer
- Good Faculties
- Good Placements
- Focus on assignments and studies
- Good Extracurricular Activities
- Relative grading
- Improving sports facilities and infrastructure
- ESE gets finished within a short span of time
- Holistic Development by involving SEVA/SATVA/HSSA and other allied subjects
- Industry and Research Internship at 6th/8th Semester facilitates student to gain industrial research experience and understand corporate work culture before actual getting into corporate/PG Courses
- Provision of PDC, Idea Lab, TBI which encourages and boost students to go ahead with entrepreneurship/research/product formulation/patenting.
- Conducting regular ISEs and MSEs to ensure concept understanding
- A practical approach to every subject in labs, including presentations as a part of the exam.
- Conducting technical and cultural events
- Paper publication encouragement for BE students, use of innovative teaching learning, emphasis of all round development through seva courses

- Best Community of Students
- Work culture, approachable colleagues, encouragement for continuous improvement.
- Encouragement of students to participate in funded projects/competitions /extracurricular activities/outreach.
- Class size is small so faculty can better interact with students.
- Liberty for teachers to make innovations while taking lectures.
- Tutorials are also conducted batch wise Which helps both teachers and students to have smooth communication.
- Taking care of the students when in campus. Counsellor for mental health is available
- Labs are open 24x7 for students by key permission, Proactively Activity-based Learning,
- Integrity, Positive approach and transparency
- It allows its students to choose from a variety of fields helping them to improve life skills and overall development of an individual.
- Quality intake, Best Pay Package to Students, Adequate Work freedom, Consistency in adopting best practices.

PARENTS FEEDBACK ANALYSIS

S.P.I.T. collects the feedback on perception, Mission of the institute, curriculum aspects, Teaching Learning, Infrastructure from different stakeholders such as the Parents, students, alumni, Faculty and Employers. The Institution has established the Academic Council in order to ensure and analyze the academic excellence at student and faculty levels. The institute thoroughly reviews the curriculum for every academic year. The college maintains an IQAC as a quality consistence and quality enhancement measure. Various departments and committees work for Career Guidance, Anti-Ragging and Sexual Harassment Committee, etc. reinforce the curriculum by incorporating suggestions from various stakeholders and experts. The college conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. Feedback from industry/recruiters and professionals is obtained through department feedback committee. The provided feedback data is analyzed and incorporated for necessary implementation in curriculum and other developments. Parent feedback is important for an engineering institute because it provides valuable insights into the experiences and expectations of the students' families. This information can help the institute identify areas where they are doing well and areas where they can improve, which can ultimately lead to a better overall learning experience for the students. Additionally, parent feedback can help the institute feel more connected to the families and foster a stronger sense of community.

Methodology

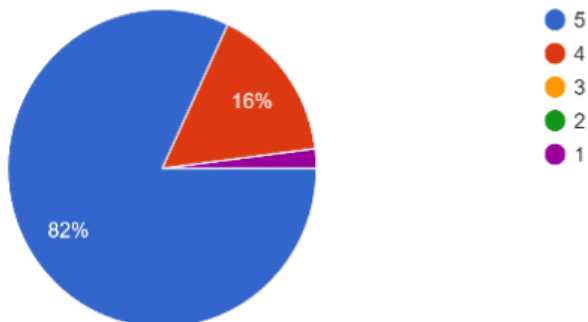

A google form was designed based on a template developed by the IQAC and circulated among parents of all students belonging to UG as well as PG program. The feedback was divided into different categories like perception, Institute's adherence to its mission statement, Curriculum, Teaching, Learning and Student performance, and Infrastructure and Facilities with few questions under each category. A total of 52 parents responded to the survey with 98% of the responses from the UG category.

Feedback Analysis

Perception: Nearly 82% of the parents expressed pride at their ward being students of S.P.I.T. while 90% of the parents have appreciated the learning environment especially in online mode

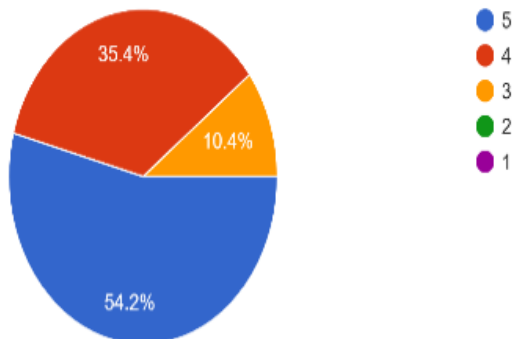

Getting admission in S.P.I.T. for my son/daughter is a matter of pride for me

50 responses

The atmosphere at S.P.I.T is helpful for learning specially in the current online teaching learning mode?

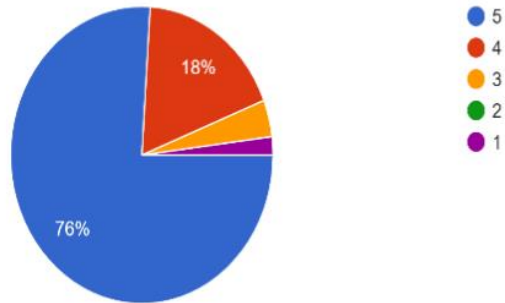

48 responses

Nearly 95% parents also feel that employability is the one of the prime focus areas of

Employability is one of the prime focus in the Institute, as well as is the higher education

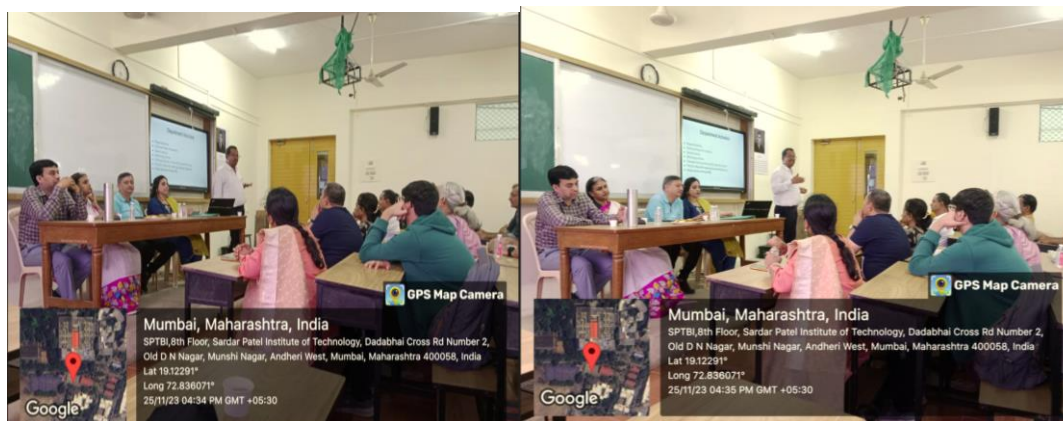

50 responses

S.P.I.T

Report Summary on Departmental PTM Meeting:

Meeting Name:	Departmental Meeting		
Date of Meeting	28/Nov/2023	Time:	4:00 pm
Minutes Prepared By:	Prof. Reeta Koshy & Prof. Abhijeet Salunke	Location-	608
Meeting Agenda: Parent Teacher Meeting to discuss child's progress, questions regarding curriculum and other activities in department and invite feedback.			
Present Members:			
1 Dr. P. B. Bhavathankar		6 Prof. Aditya Rajmane	
2 Dr. Surekha Dholay		7 Dr. Anant Nimkar	
3 Prof. Anand Godbole		8 Prof. Jyoti Ramteke	
4 Prof. Siddhartha Chandra		9 Dr. Disha Sail	
5 Prof. Swapnali Kurhade		10 Prof. Abhijeet Salunke	
Parents' suggestions	Parents openly conveyed their concerns. The suggestions provided by them are as follows:		
	1 The results are delayed which may affect the placements opportunities of their ward.		
	2 The improvement in Alumni connect can open new avenues for students.		

Feedback on Mission Statement

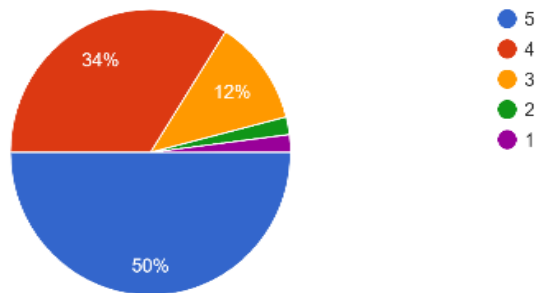

Feedback was collected from parents on various aspects of our mission statement which is as follows:

Provide high quality education in engineering and technology promoting the Indian Values and Ethos that will prepare the participants to lead lives of personal integrity and civic responsibility in a global society.

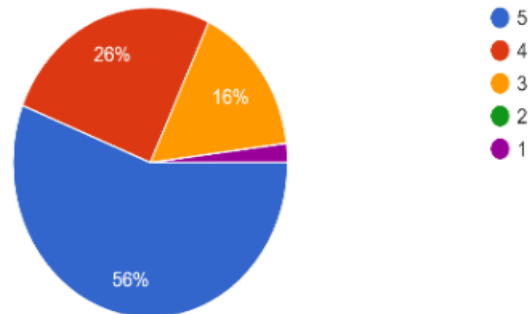

- Promote an Educational Environment that combines academic study with the excitement of intellectual curiosity for engineers of tomorrow.
- Enhance career opportunities for students through Industry-Institute interaction, value-added courses and projects in cutting edge technology.
- Inculcate Entrepreneurial mindset in students to make them job creators.
- Focus on applied research to create next generation technologies.

The responses are outlined below:

Institute takes efforts in generating awareness about Indian values, personal integrity and civic responsibility (through campaigns like community environment and sustainability/ ethics and values etc.)
50 responses

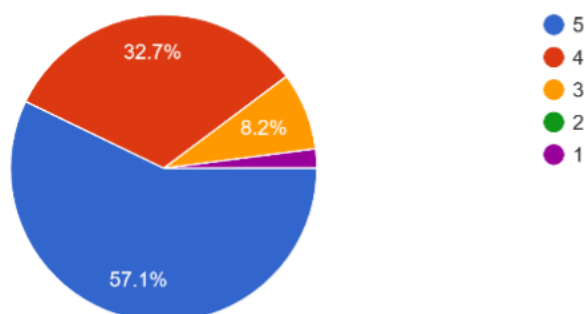

Students are motivated to participate in various competitions (such as Hackathon/ trouble-shooting, coding/ethical hacking/ Moot courts for legal aspects/ debates)
50 responses

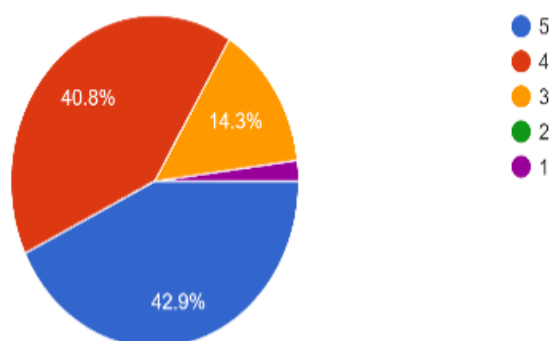

Industry supported skill based courses are introduced in the syllabus (through internships, visits, consultancy, projects, etc.)

49 responses

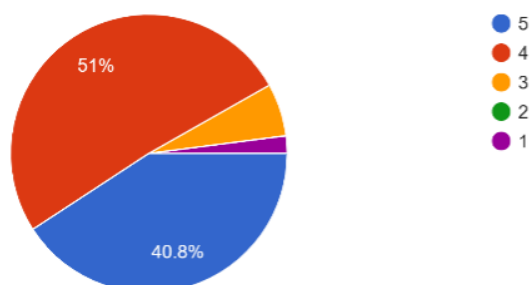

Courses in the syllabus promote Entrepreneurship (students are encouraged and supported to initiate startups by Startup school mentor-ship)

49 responses

Research culture is encouraged (technical paper presentation / publications in journals/ motivation ...arch projects / Faculty serving as research guides)

49 responses

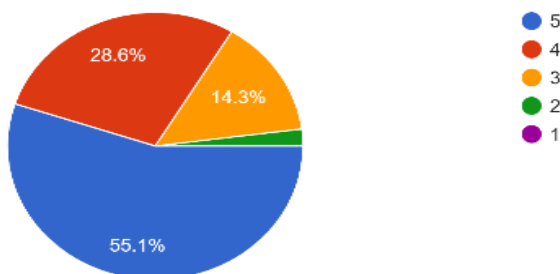

Feedback on Curriculum

Most parents feel that the curriculum gets the students ready for industry by imparting analytical and reasoning skills as well as language and soft skills apart from technical competencies required by industry at the same time providing academic flexibility and facilitating holistic development of students.

The academic flexibility provides opportunities to students to pursue their interest.
(...er of pathways / electives from different areas of specialization)

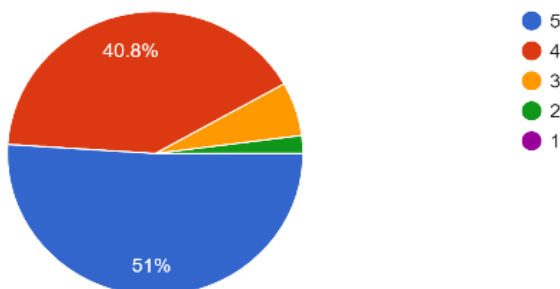

49 responses

Holistic development of students is encouraged.
(sports, cultural and co-curricular activities)

49 responses

(participation in various

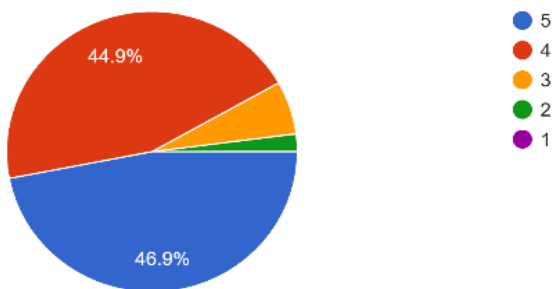

Feedback on Teaching, Learning and Students Performance

Most parents are satisfied with the quality of teaching offered and mentorship and career guidance being provided by S.P.I.T.

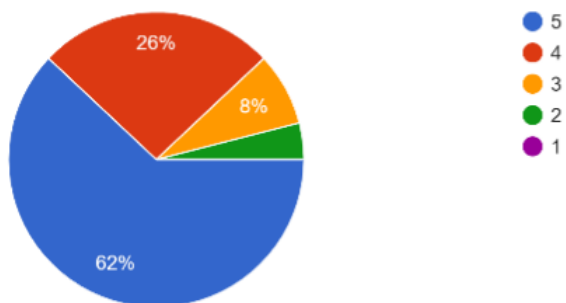

Rate the satisfaction level about the quality of teaching offered to your ward?

49 responses

Are you happy with the mentor-ship and career guidance your ward receives?

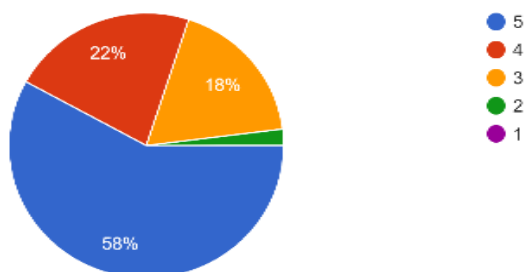

50 responses

They have also expressed satisfaction with the information dissemination system of the institute and the unbiased evaluation process.

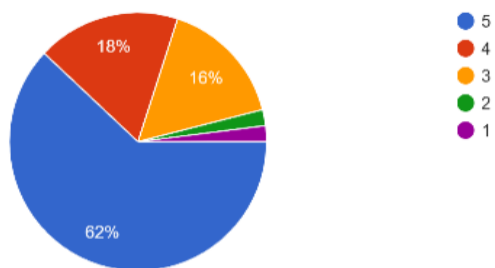

Information distributed through website/circular/e-mails/notices/announcements regarding rules and regulations, events, curriculum, examination are satisfactory?

50 responses

Do you agree that the evaluation methods are sufficient and unbiased to assess the potential of the son/daughter?

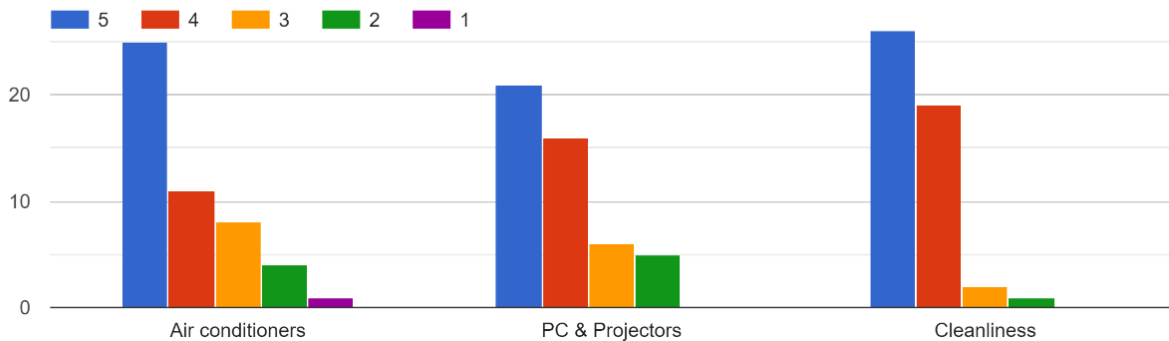

50 responses

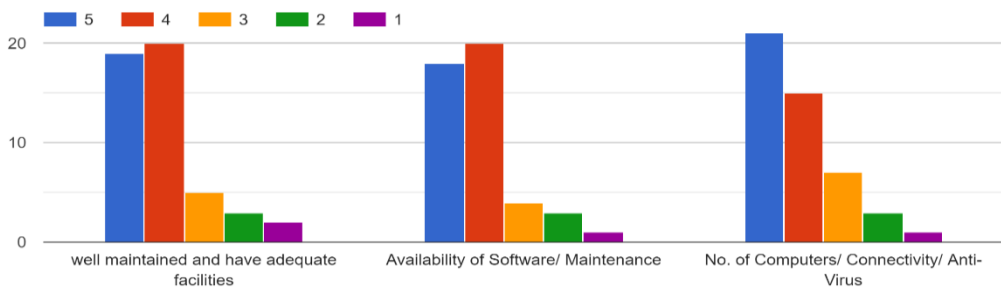

Feedback on Infrastructure

Parents have rated the various infrastructure parameters of S.P.I.T as follows

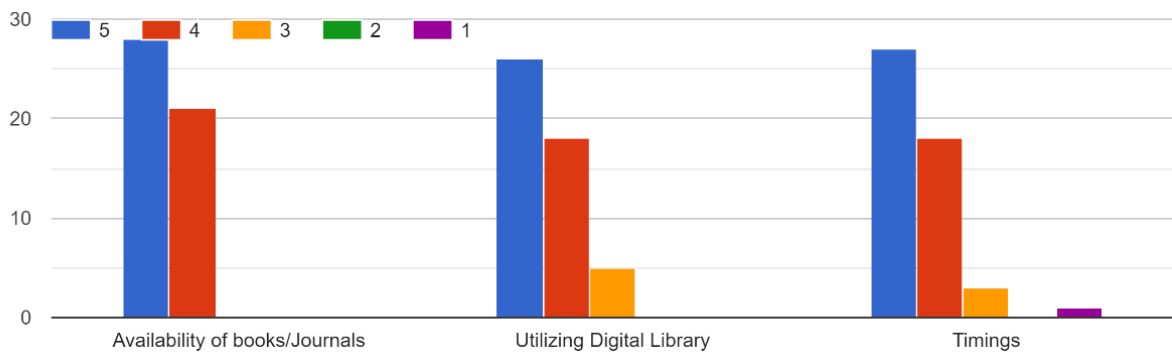

Class Room

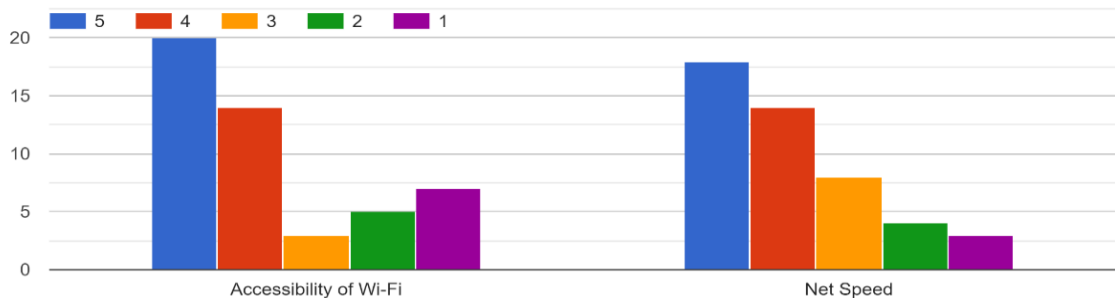

Labs

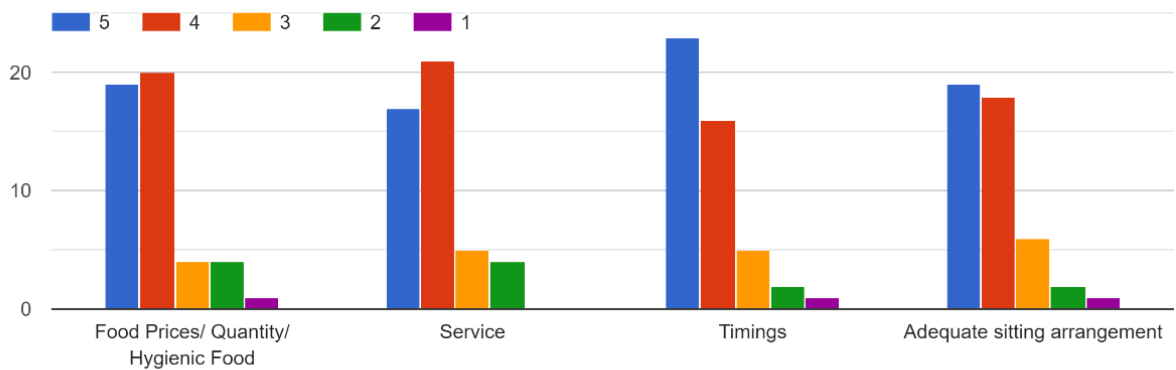

Library

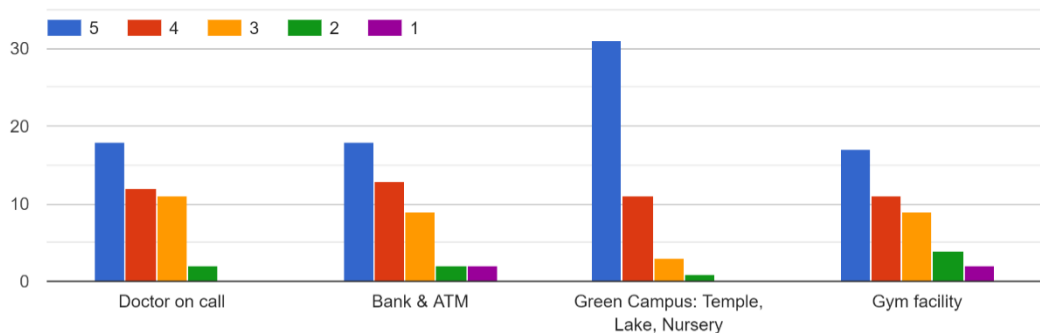

Wi-Fi and Internet Facility

Campus Canteen

Other facilities

Suggestions for improvement

Some of the suggestions given by parents include timely declaration of results, regular update about their ward's performance, and effective design of timetable which ensures students do not waste time in between lectures and use their time more efficiently. Parents have also suggested that equal emphasis should be placed on placements and higher education and students interested in higher education should be mentored as effectively as their placement counterparts. They have suggested that the Institute should invite foreign universities for seminars and guidance on admission processes there. Many parents from across the state have requested development of suitable hostel facilities.

SUMMARY OF THE ANNUAL REPORT 2022-23

1. Academic Performance of Students (Exam Results)

UG Programme:

- A Batch of 79 students appeared for the B.Tech. Course in Computer Engineering and 78 students cleared the exam with an average CGPA of 8.65 and their result is 98.73%.
- Another Batch of 81 students appeared for B.Tech. Course in Information Technology and 79 students cleared the exam with an average CGPA of 8.97 and their result is 97.53%.
- Electronics and Telecommunication Engineering Batch of 81 students has 100% result with a CGPA of 9.13.
- The Batch of Electronics Engineering consisting of 79 students has the result of 96.20%. 76 students cleared the exam and their average CGPA is 8.44.
- Total 320 B.Tech. Students appeared for Final Year Exam and 314 students cleared it with the overall CGPA of 8.80 for all B.Tech. Courses.

PG Programme:

- The Batch of 65 students of Master of Computer Application (MCA), had appeared for examination and 59 students cleared the exam with average CGPA of 8.63 and their result is 90.77%.

Ph.D. Programme:

- Ph.D. Thesis Defended: 07
- Ph.D. Thesis Submitted: 06
- Ph.D. Synopsis Submitted: 01
- Ph.D. Thesis Title Approved: 03

2. Professional Performance

Students Placements

- S.P.I.T. has association with three category Partner Companies for Training and Placement such as:
- **Super dream Companies (28) namely** Barkley's, Nomura, KPMG, ISS, Oracle, Quantify, Baker Hughes, etc.
- **Dream Companies (15) namely** Om partners, ARCON, IBM, BNP-Paribas, CRISIL, LT-InfoTech, etc.
- **Elite Companies (30) namely** Phone Pay, Morgan Stanley, JPMC, Deutsche Bank, etc.
- In spite of the post pandemic scenario in the AY 2022-23, we saw a good number of companies visit and students placed.
- 28 Super Dream Companies visited and 123 Students Placed
- 9 Dream Companies visited and the number of students placed was 25
- 20 Elite Companies visited and Students Placed 93
- The average CTC offered was 15 Lakh, and the Median CTC offered was 12 Lakh, which highlights illustrious S.P.I.T. performance.

Higher Studies

Sr. No.	Name of B.Tech. Programme	% of Students Opted for Higher Studies	Number of student selected for Higher Studies in Top institutes
1	Computer Engineering	13.9	11
2	Information Technology	19.8	16
3	Electronics and Telecommunication Engineering	23.5	19
4	Electronics Engineering	22.9	19

Students Startups

Sr. No.	Name of B. Tech. Programme	Total Number of Startups
1	Electronics Engineering	01

3. Professional Activities

Industry Internship

- 226 B. Tech students across all the branches undergone 6 Months Industry internship.
- Out of these 3 students namely Noman Khan, Ursha Koshti, and Amal Thundiyl undergone industry internships at Zomato, Bardays London and Bloomberg respectively.

Research Internship

- From Computer Engineering, 3 students interned at IIT Bombay, 2 at IIT Patna, 1 In House and 10 at various companies and institutes.
- From IT, 8 students interned at IIT Bombay, 6 at IIT Patna, 3 In House, and 2 at various companies and institutes.
- From Electronics and Telecommunication Engineering, 7 students interned at IIT Bombay, 1 at IIT Patna, 2 In House, and 1 at various companies and institutes.
- From Electronics Engineering, 8 students interned at IIT Bombay, 1 at IIT Patna, and 1 at various companies and institutes.
- Out of which a team of 4 students are undergoing research internship under Dr. V. M. Gadre, Electrical Department at IITB on the project titled “Contactless Biometry”. This team has signed MoU with Govt. of India UIDI for AADHAR Card and is also selected by NCETIS, an organization at IITB which works closely with Govt security agencies like BSF, BPR, etc has selected this work. Moreover, a team is also ready with the patent for publication.
- A second team of 3 students Aniket Nadkarni, Prabhat Kumar, and Tirth Patel worked under Dr. Fernandes, Electrical Engineering Department, IITB on the project titled “Solid State Transformer” has received the best Project award at Exhibition organized by IEEE, Germany.
- A third team of 4 students Bhagwat Atharv, Tanish Shah, Rushikesh Snagole, and Vrushali Varde are undergoing research internship under Dr. V. M. Gadre, Electrical Department at IITB on the project titled “ECG” have received publications in IEEE Transactions.

Technical Events Conducted

Apart from the various technical events conducted by students' council, some of the noteworthy technical events conducted by the various departments are:

Sr. No.	Department	Total Number of Events	Level	Name	Total Number of Participants
1	Electronics & Telecomm.	03	National	TechnoHunt-2023	Under AICTE SPICES Programme 500+
			National	Innovation Cup-2023	
			National	Peripherothon-1.0 (Hardware & AI)	
			Institute	Mini Project Orientation and Entrepreneurship Workshop	100+
2	Computer Engineering	03	Institute	Barclays Hackathon	200+
3	Information Technology	01	National	Software Hackathon	Under AICTE SPICES Programme 300+

4. Students Awards and Recognitions

- Abhishek Pai received a Gold medal for NPTEL course Privacy and Security in Online Social Media at IIT Hyderabad.
- Varun Koranne secured first position for BreakThe Barrier at LDRP-ITR.
- Team Markheads secured first position in Unicus at VJTI TBI.
- Shubhan Kadam, Yash Jain secured first position for START-BUCKS by Entrepreneurship cell, IIT (BHU).
- Shubhan Kadam secured third position for Chakravyuh - ABplan at Techniche, IIT Guwahati.
- Sakshi (HOGWATTS) secured second position at Clash of Codes by D .J. Sanghvi COE, Mumbai
- Yash Jain received best plan in Ennovate 22 by Bloombox, E-CELL KJSCE.
- Srushti Patil, Akshay Vhatkar, Divyesh Shah and Meet Shrimankar received best UI/UX at Sardar Patel Institute of Technology, Mumbai
- Aditya Kharote secured first position at Smart India Hackathon 2022 by AICTE.
- Omkar Rao and Amey Wani secured first position at the National Entrepreneurship Challenge by IIT Bombay.
- Apoorva Limaye, Siddhant Kamalaskar and Varun Kamath won The Investor Challenge by AICTE, Atal.
- Samay Gada won first position at ApyHub by Karnavati University, Gandhinagar.
- Prashant Gowda was a finalist at IT Division Coding Contest "KakushIN" Nomura by Nomura Services India Private Limited.
- Jay Oswal secured first position at the Coding/Decoding Contest ICON by K. J. Somaiya Institute of Management, Mumbai.
- Tanya Anupam secured first position at the NEC2022 by IIT Bombay.

5. Faculty Achievements

Consultancy Projects

- Dr. Rajendra Sawant, and Dr. Y. S. Rao successfully completed consultancy projects for General Auto Electric Co. Mumbai, Sileaf Technologies, Pune and Riddhi Heatron Mumbai worth Rs. 4.5 Lakh.
- A consultancy Project by Dr. Reena Sonkusare, Prof. Priya Deshpande of Rs 3.5 lakh for development of Smart Energy Meter for KPEC Engineering and Consultancy Pvt. Ltd., Mumbai is in final phase of deployment.

Research Projects

- Govt. of India provided a grant to Nidhi Prayas, Sardar Patel Technology Business Incubator of rupees 1.2 CR.
- Ministry of Commerce and Industry provided a grant to Startup India seed Fund of 2.10 CR
- NIDHI SSS provided a grant regarding National Initiative for Developing and Harnessing Innovations-seed support scheme of rupees 2.3 CR.
- NIDHI PRAYAS provided grant to Prayas, Sardar Patel Technology Business Incubator of Rs. 1,68,73,433
- AICTEs MODROB Phase 1 grant to Dr. Reena Sonkusare and to Dr. Y. S. Rao for the Development of “Renewable energy Laboratory”, and “Advanced Digital Laboratory” each worth Rs. 11 Lakh is utilized successfully and Phase 2 is in process.
- AICTEs MODROB grant to Dr. D. C. Karia for the Development of “Real Time Signal Processing”, worth Rs. 1.41 Lakh is utilized successfully.
- The project titled “Design and Development of a fully automated Pressure and Vacuum Controlled Precision Induction Casting Machine” under Trainer Development Programme (TDP) DST, New Delhi grant of worth Rs. 75.2073 received to Dr. R. R. Sawant and Dr. B. N. Chaudhari is in progress.
- Dr. Rajendra Sawant and Prof. Darshan Sankhe, a Ph.D Scholar successfully completed the project titled “Digitally Controlled Resonant Power Supply” under a grant of 6.5 Lakh from DST Nidhi Prays, New Delhi

Faculty Recognition

- Dr. B. N. Chaudhari, Dr. Y. S. Rao and Dr. D.R. Kalbande received IDEA LAB Research Grant worth Rs. 15 Lakh AICTE, New Delhi
- Dr. Sudhir Dhage received Best paper award for the paper entitled “Emergence of capsule network for automatic medical disease classification,” IEEE conference SPICON 2022 organized by S.P.C.E. and S.P.I.T., Mumbai.
- Dr. Sudhir Dhage is nominated as a distinguished Jury Member and expert speaker at Cyber Security Award to be organized by CSI Cyber, FIFC’23 Event at IITB.
- Dr. Pooja Raundale received a grant for AICTE ATAL Institutional Building Leadership for Academic Excellence in Higher Education (Online + Offline), worth Rs. 3.0 Lakhs.
- Dr. Sujata Kulkarni and Prof. K. T. Talele Received a Provisional Grant of USD 25,000 Distributed Sensor Technology and Education Initiative (DSTEI) R10 Region for the project on Smart Drone to IEEE-AESS Student Branch.
- Dr. Sujata Kulkarni Received Grant of USD250 IEEE-AESS student Chapter.
- Dr. Surekha Dholay Received Best Paper Award for the Paper titled "Deep Learning Model for Pothole Detection and Area Computation" at IEEE conference SPICON 2022 organized by S.P.C.E. and S.P.I.T., Mumbai.

Publications

- Electronics Department has publications in Book Chapter:1, International Conferences: 23, Journals: 4 and Patents: 2
- Electronics and Telecommunication Department has publications in International Conferences: 38, Journals: 4 and Patents: 2
- Computer Engineering Department has publications in International Conferences: 33, Journals: 6 and Patent: 4
- IT Department has publications in International Conferences: 23
- MCA Department has publications in International Conferences: 10, and Patents: 1
- ASH Department has publications in International Conferences: 4 and Journal: 1

Patents Granted (Total 05)

- Dr. B. N. Chaudhari received Indian Patent Grant for the Patent titled, “An Outer Rotor Permanent Magnet Polyphase Transverse Flux Machine”
- Dr. B. N. Chaudhari received Indian Patent Grant for the Patent titled, “An Outer Rotor Hybrid Excited Polyphase Transverse Flux Machine”
- Dr. D. R. Kalbande received Indian Patent Grant for the Patent titled “Grant Auto Walas: an App for Vehicle Management”
- Dr. Kalbande Dhananjay Ramrao, Mrs Asha received Indian Patent Grant for the Patent titled “Architecture for Predicting Malaria and Dengue Incidence.”
- Dr. D. R. Kalbande received Indian Patent Grant for the Patent titled “Big Data Architecture for Predicting Malaria and Dengue Incidence”

Patents Published (Total 08)

- Dr. Sudhir N. Dhage , Shital Kakad Published a Patent titled “Semantic Web Rule Based Student Placement Ontology For Intelligent Information Retrieval ”
- Sudhir Namdeorao Dhage, Pawar Dipti Rohan, Pawar Rohan Subhash Published a Patent titled “ Neural Signals Based Silent Speech Decoding System”
- Dr. Sudhir N. Dhage , Shital Kakad Published a Patent titled “Semantic Information Retrieval Using Bio-Inspired Optimization Based Ontology Construction”
- Dr. Aarti milind Karande, Dr. Alpana Dey, Ms Anvita Dey, Dr. Sonali Vyas, Dr. Ajay Lala, Dr. Jayprakash Upadhya published a Patent titled “Smokless Camping Stove Based on Internet of Things”
- Deshpande Priya, Kasambe Prashant, Kadam Prathamesh, Makwana Dhvanik, Kamtekar Suraj, Dedhia Fenil, Kadam Namita, Mukherjee Shrutiman published a Patent titled “Photographic Recognition for The Visually Impaired”
- Rathod Surendra, Kalbande Dhanajay published a Patent titled “AI Powered Single Switch Based Remote Healthmonitoring System for Elderly”
- Gohildarshan, Aralikatti Akhilesh, Halder Riya, Talele Kiran published a Patent titled “System and Method for Generating Intelligent Responses with a Speaker”
- Talele Kiran, Parasnis Guruprasad, Gadgil Tanmay, Bhope Rajas, Joshi Aarnav and Kanhere Shubham published a Patent titled “Real-Time Obstacle Detection And Response System For Safer Driving”

Research and Entrepreneurship Activities

The institution takes pride in running a DST supported Technology Business Incubation. SP-TBI has received sanctions of Rs. 20 Crore from two different Government of India departments namely NIDHI PRAYAS, NIDHI SSP and SISFS for supporting startups financially and incubated more than 150+ start ups and actively participated in the Startup India Mission of the country. Institute is also a mentor to 5 institutions for entrepreneurship related activities.

Ph.D. Thesis Defended (01)

- Prof. Talele Kiran Tulshiram Vasumati (UoM) defended Ph.D. Thesis titled “Emotion Recognition Using Facial Expressions”

Ph.D. Thesis Submitted (05)

- Prof. Dayanand Ambawade submitted Thesis titled “Study of Event Correlation Analysis Techniques for Network Security”
- Prof. Payal Shah (UoM) submitted Thesis titled “Modeling and design of silicon neurons and synapse for neuromorphic chip implementation”
- Prof. Manish Bansode submitted Thesis titled “Design of compact electromagnetic band gap structures for high speed signaling”
- Prof. Pramod Bide submitted Thesis titled “Social Network User Behavior Analytics for Manmade Disaster”
- Prof. Renuka Pawar submitted Thesis titled “An Intelligent IoT Approach for Enabling an Access Control Solution for Smart Health Care System”

6. Prays Centre and AICTE Idea Lab Events

The Prays Lab and AICTE Idea Lab constructed over 1500 Sq. feet of has become the attraction for students and faculty due to state of the art facilities like: 3D printing Works, 3D Scanner for reverse Engineering, Laser Cutting and Engraving Machines, PCB Making Setups, Vinyl Printing and Cutting Tools, projects, Mechanical and Wood Fabrication Workshop. Apart from it it has a Lecture Audio-Video Recording and Presentation Facility using Digital Studio.

The facilities at AICTE Lab are included as a part of curriculum to execute Workshop of First Year of Engineering all Programmes named as Skill Shop. It is a unique model of the First Year of Engineering workshop.

Nature of the Events	Total Number	Total Number of Participants
Skilling Programme	18	635
Awareness Workshops for Industry	01	45
Faculty Development Programme	05	93
Ideation workshops	05	740
Open Day for school students and One Day School Awareness	02	180
Internships	03	70

Total number of Engineering Colleges Participated: 50

From Maharashtra: 44	Within Mumbai: 27 Navi Mumbai: 09 Thane and Kokan: 05	1. Saradr Patel College of Engineering, Andheri 2.Dwarkadas Jeevanlal Sanghvi College of Engineering (DJSCE), Mumbai 3. Terna College of Engineering, Nerul, 4. NCRD'S Sterling institute of Management Studies Nerul, 5. Bharati Vidyapeeth College Of Engineering, Navi Mumbai, 6. A C Patil college of Engineering , Kharghar and etc.
	Other Cities of Maharashtra: 03	1. Vishwakarma Institute of Technology, Pune (VIT) 2. A. G. Patil Institute of Technology (AGPIT), Solapur 3. Dr. D. Y. Patil College of Engineering and Innovation, Talegaon, Pune
Outside of Maharashtra: 06	06	1. Jaipur Institute of Engineering and Management (JIEM), Gadota-Jaipur 2. Jayamukhi Institute of Technological Sciences (JITS), Telangana 3. Madanapalli Institute of Technology and Science, Andhra Pradesh 4. Rajasthan Institute of Engineering and Technology College-Jaipur (RIETC), Jaipur 5. Chandigarh University 6. Bhilai Institute of Technology, Raipur

7. MoUs Signed by the Institute

Three MoUs signed with the Institute of in the AY 2022-23 with:

- Bombay College of Pharmacy Research Institute for the collaborative Research Project "Early stage detection of Jaundice " [valid for 5 years from the date of sign]
- CRCE, Bandra for Research collaboration [valid for 3 years from the date of sign]
- MVIRDC World Trade Centre (WTC) for Trade, Investment and Technology Transfer collaboration [valid for 3 years from the date of sign]

8. Extension Activities

Under various clubs of the institute like Rotaract Club, and through NSS activities, more than 75 activities are conducted by the institute in association almost 20+ NGOs across and nearby Mumbai covering broad spectrum of the like societal issues like Blood Donation, Teaching Underprivileged Students, Beach Cleaning, etc.

9. Salient Features of Academics

It is quoted that a holistic and liberal education as described so beautifully in India's past is indeed what is needed for the education of India in the future to truly lead the country into the 21st century and the fourth industrial revolution.

S.P.I.T. Curriculum offers:

- **12 Program Cores** having a compulsory laboratory component and an additional 15-20 hours engagement of the learners for “Self-Learning” and “lifelong learning”.
- **6 baskets of Program Electives**
- **3 baskets of Open Electives**
- **Special sequel of optional industry floated “SCOPE” courses (Skilled Certification for Outcome-based Professional Education)** for interested learners, ensuring high technical skills, in the diversified cutting-edge technologies.
- **3 baskets of Humanities and Social Science Electives** aiming at National Education policy 2019 and encouraging the learners to take diversified courses in the field of languages, law, history, economics, management, finance etc.
- **Full semester industry and research internship** to interested students.
- **Aggressive model of “Learning-by-doing”.**
- **Special tracks for “Minor” Certification** for interested learners, ensuring significant awareness of additional discipline leading to multiple specializations
- **First-of-its-kind-in-education blend to Engineering Curriculum. “ABLL@LLC”® (Activity Based Liberal Learning about Life, Literature and Culture)** two sequels namely “SEVA”® (Social Empowerment through Various Activities”, and “SATVA”® (Self accomplishment through various Activities). in all EIGHT semesters, ensuring all dimensional holistic growth of the learner.

So S.P.I.T. can proudly say that its curriculum is 158-Credit based Liberal and Holistic “Pi-Model” of Engineering Education aiming at development of an all-rounded personality.

10. Concluding Remarks

All eligible UG programs of the institute are accredited by NBA, in year 2013, 2017, and 2021 and successfully applied for NAAC Cycle 1 Accreditation.

Today, the institute is the only Empowered Autonomous Engineering Institution of Mumbai University. Institute is constantly ranked between 10-40 tag by NPTEL for best performing local chapter in terms of number of registration, successful completion and receipt of elite certifications and the institute is awarded AA rank consecutively 2021-22 and 2022-23.

Our splendid academic performance, sparkling placements (quantitative and qualitative), enrollment for higher studies at the best places of the world, prizes won by our students in National/International level technical competitions, consistently over many years are the true testimonials of life at S.P.I.T. With the support of a dedicated and hardworking faculty and staff, the institute has achieved enviable visibility and ranking in a short span of time. On behalf of all stakeholders of S.P.I.T., I congratulate you all, wish all the best for future endeavors and look forward to continue your valuable contribution for a better tomorrow.

.....**Let's grow together.**
